to many fur coats.
Sleeves are very much larger than last season and show many variations. In the most fashionable cuts the fullness lies from the eibow up, rather than below. An exact opposite to this effect appears in a sleeve that hangs full, but in almost a straight line at the outer fold, from shoulder to elbow. The sleeve is so cut that from this point in to the forearm is another straight horizontal line. These two lines of the fullness meet at the elbow at right angles, so that the effect of this sleeve is a square fall of fullness at the elbow.

Ferris Brothers,

Young fellows of 15 to 20 years are notoriously hard to please in matter of dress. That is why we take particular pains in catering to these young fellows of decided opinions. Our Young Men's Suits are built on special lines and patterns, different in cut from the suits designed for older men. Most of these dressy young chaps prefer to come here for their clothes, knowing that they are sure to find what they want. Young Men's Suits, single and double breasted styles, \$7:00, \$8.50, \$10.00 and \$12.00.
