and Close at Five in the Afternoon

It seems passing strange that the approach of so important an event as the selection of the person who shall be chosen as the head of the government of the United States for the next four years should arouse so fittle of interest or of enthusiasm as appears to be the or of enthusiasm as appears to be the Cheney, A. W. Greene, Dr. W. R. It is a fact that never within the Tinker and Elwood S. Ela, publisher of

It is a fact that never within the knowledge of any living person has a presidential election approached with so little to mark its onward murch as is the case at the present time. the case at fbe present time. the place was a suitable one for a

Business has gone on in the u-ual Business has gone on in the n-ual way. There has been no fluencial or industrial disturbance of any sort that could be traced directly to the fact that this great election is impending. People are going about their daily avocations and no indications of uneasiness as to the probable outcome of the election are apparent. A stranger visiting the United States from a foreign shore would scarcely be made aware of the fact that we were within the very larger to the Orford hotel, were fact that we were within the very shadow of one of the greatest and most shadow of one of the greatest and most important events of our political practice. Attempts made by politicians to arouse public interest are without avail. Paople look on disinterestedly avail. People look on disinterestedly setive in conducting the hearing for and go about their several ways apparthe remonstrants and Judge E. J.

The only explanation of all this that Garvan appeared for the Pornell in we know of, appears to be that there is No objection was made to Mr. no general belief in the slightest possibility of a change of administration.

The election of Theodore Roosevelt seems to be discounted in advance, and

O'Brien but the remonstrants alleged that the place was unsuitable. Judge Bowers exhibited a photograph of the new hotel and Mr. O'Brien testified that
