BACK FROM METROPOLIS.

We Want You To Know About

IT has just been enlarged, improved and fitted with every appliance to enable us to come nearer perfection in the quality of our goods. Furthermore, it has been put in charge of the best master baker we could hire, Mr. James McKay, formerly chief baker with the Boston Branch, Hartford. Mr. McKay is a man who shares our pride in making the finest bread and pastry it is possible to produce. That sounds like bragging, but it isn't.

Some of Our Specialties

Will be Boston Brown Bread made from Bond's Boston Bread Flour, the best there is. Fresh Tuesdays, Thursdays and Saturdays.

Old Grist Mill Entire Wheat Bread for dyspeptics, those who have to diet and all others who want a good wholesome bread-fresh every day.

Scotch Scones, Parker House Rolls, Home Made Pies of all Kinds, Lady Cake, Ice Cream Cake, Date Cake, Dark Fruit Cake, Maccaroons, Lady Fingers and many other popular kinds.

Orders for Cakes and Pastries of every description filled with care. We know you'll be satisfied.

You can't get better, no matter who bakes it. Try our kind.

ANNOUNCEMENT

This is to inform the public of South Manchester and vicinity that I have vacated the store on School street and that I will conduct a work shop at my home, 13 Maple street.

It is my purpose to continue the, plumbing, steam fitting and hot air heating, roofing, copper and sheet iron working and general jobbing the same as heretofore, and in these lines of work I respectfully solicit public patronge.

Being free from the care of a store I can and will now give my entire attention to the mechanical end of the business.

I have built a shop, have all necessary equipments for carrying on work and will be pleased to receive orders by telephone or otherwise. My house call is 157-12. You will find it in the directory.

Yours for business,

George R. Wright Plumbing and Heating Contractor. 13 Maple St. South Manchester.

LOOK WHERE THE CROWD LOOKS

WHY do people of surrounding cities, here to see the silk exhibit, stop to see our display windows? Because the mind is continually making comparisons and it requires but little sense of observation to decide that our windows compare favorably with those in the larger cities. FURTHERMORE, many out of town

people have taken advantage of our low prices and bought shoes while here. We have both high and low shoes, also pumps finished in tan, kid. gun metal and patent leather varied in shape, style and price. If one don't suit you, we have dozens of others that

Classes are being formed in nearly all the large towns the object of which is to teach women how to keep house. Perhaps you will say they ought to earn that before they are married from their own mothers at home. But they don't always, you see. So any girls are wage earners nowadays and haven't time to learn how to keep house. Besides mother's ways are often painfully old fashioned, and osekeeping improves, like everything Hurrah for everything progressive

connected with it, I say! One of the best things taught in the housekeeping course is how to furnish the different rooms and, perhaps even more strongly, how not to furnish

"Yes, dear. You see, I have been borrowing a few dollars out of your vest pockets every night for a week, and here is the entire sum." "Well! Well! You are an honest little woman." "And, John?" "Well, my dear?" "Now-now that I have been so hon-

who has the courage to do this unless ber entire nature is changed by some great shock.

The sentimental woman ought never to marry, but she always does. In fact, men love the "poetry" in her nature before marriage as much as it bores them afterward.

By the way, when I hear woman calling the woman ought appears to introduce European courtesy into the ortent. She tells of her experience to "inner Life of Syria." The incident occurred at one of her own receptions. It is de rigueur every time coffee, tea or sherbet comes in for every fresh ture before marriage as much as it with them and drink first. When I first arrived I used to get up as a matter of course, make the tea and coffee and carry it round. The dragomans would sit lazily and watch.

In the courage to do this unless to introduce European courtesy linto the order of Lit is the order of the order of the order on the lith day of April, A. D. 100s, at 9 o'clock in the fore on, and that notice's given to all-persons in the city to their entire and course and attention is given to the needs of the badding young miss. right thing. They are light and compact, yet strong and durable. They can be folded like a jack knife, so as to take up a very little space and when open for use are comfortable and will years. We have them plain and with hoods or canopies, all metal or a combination of wood and steel. The prices vary according to style and equipment commencing at a

SPECIALLY PRICED ALL STEEL CART FOR \$5 and going up as high as \$12. We also have an elegant line of

regular go carts and carriages on which we will make a SPECIAL 25 PER CENT DISCOUNT FOR CASH between now and May 1st. We desire to turn as many as possible into money before May 1st to give us the cash and also the room for other summer goods.

If you are going to purchase a carriage this summer this is an opportunity right at the start of the season that you cannot afford to let go by.
