We hereby extend a special invitation to the housekeeper South Manchester and vicinity to come to this market or tele phone the orders to us for their Sunday dinners.

We are making a specialty of extremely low prices on our products for the Sunday dinner and housekeepers will do well to follow the prices we are quoting in these columns week after week. It is our endeavor to make it profitable for them to do so and we can assure them of satisfactory service, prompt delivery, and courteous attention to their requirements. The following attractive prices are offered for Saturday trading:

SPINACH	10c a peck
Roast Pork	
Shoulder Hams	9c lb
Skinned Back Hams	12½c lb
Salt Pork	10c lb
Bacon, in strip or piece	12 1/2 c lb
Leg of Lamb	18c lb
Choice Fowl	
Roast Pork	
Mixed Cookies	3 lbs for 25c
Creamery Butter	
Choice fresh vegetables and	
III	

We cannot urge too strongly upon the public the benefit to them in doing their Saturday trading at this market. We are making every endeavor to meet the requirements of the public, to sell them reliable goods at lowest possible market prices. to have our products fresh and inviting, to maintain quality at all times and to reduce our margin of profit so low as to make our patrons sharers with ourselves in the benefits this of business. We ask your co-operation in this our endeavor to be of

WILLIAM HOWARD TAFT, FROM HIS LATEST PICTURE.

The many Michores is the rest where the local control process of the local process of the loc

the United States has no intention to exploit them or their resources for the benefit of anybody other than themselves. He had made good his expressed desire to do something to help the Filipino people. He had shown that the archipelage's new government was for the benefit of the native people and not in the interest of the American set-

The little Filipinos were awed by the

immense size of the American who

had been sent to guide them into the

paths of progress. At first they held

aloof. Presently they began to come

closer. There was something in the

Taft smile irresistibly attractive. This

big American was by no means so

flerce as his size suggested. He was in

fact docile and affable, a friendly sort

of fellow, who seemed to want to help

folks along. Moreover, he had no ex-

aggerated sense of his own importance.

badges of distinction. White flannels

or duck sufficed for Governor Taft's

garb, with a cap or a straw hat to cov-

er his expansive head. He went around

himself as to their history, so that he might the better appreciate their point of view, and always passing upon matters of administration in the spirit of

the jurist on the beach who weighs-

carefully both sides of a case before-

delivering his opinion.

The result of the Taft methods and

the Taft manners was that the Filipinos came to love the large and liberal

American who was sent to rule over them. They called him "Saint" Taft,

and when he departed for the United

States they were not to be comforted.

Governor Taft had remained long

enough to prove to the islanders that

among the natives just like an old

was done. She is a descendant of a French family famous in the Vendean war. Her son is a cadet in the Naval A Club For Congressmen's Wives.

## The Feminine

How the Polite French Nation Handles Its Militant Suffragettes-Where Women Doctors Are Appreciated.

MARCIA WILLIS CAMPBELL

which recently held a national convented to the second the secon

VERANDA ROOMS. One of the most interesting women in New York's smart set is Mrs. J. Borden Harriman, wife of the banker and a member of the old Jaffray family. Her popularity is evinced by the fact that she was elected president of the luxurious Colonial club, where the women of society gather for amuse ment and recreation. The club has many interesting departments, a hand-some restaurant, the most perfectly and there was nothing of the luxurious following are committing the gravest missing the supported to the contrasted than in their handling of the delicate suffragette problem. The English manner is not more strikingly contrasted than in their manner is not more strikingly contrasted than in their handling of the delicate suffragette problem. The English method is an ablebodied policeman with a club; the best French scholars in Washington, made up her mind to be the author of such a work when, after vain search for one to suit her own convenience, when the contrast money from him, some restaurant, the most perfectly and friends. Mrs. Gor. That's the way to get distitled. Don't like a certain dignity which the best French scholars in Washington, made up her mind to be the author of such a work when, after vain search for one to suit her own convenience, when the found there was nothing of the sort in existence. So far as is known, after vain and recreation. The club has been a committing the gravest missing that time she practically reliming to the delicate suffragette problem. The English manner is not more riskingly contrasted than in their beautifulation of the distinct. Don't be desirted and the English manner is not more riskingly contrasted than in their beautifulation. The club has a reputed to be one of the beautifulation of the dissistance of the side is not not sufficient as a certain district and the englis the municipal council. She donned her most fetching gown and repaired one morning to the office of the mayor of the arrondissement to request the

purposes. She was accompanied by her iswyer, Mile. Jeanne Verone. Smiling blandly upon the mayor's clerk, she made her request. Ge smiled as bland. y in return and temporized. The clerk carried the request to the mayor, who received the ladies in his most courtly manner. He regretted that it was not in his power to grant their request. It desolated him that he was unable to oblige ladies so charming, but it was out of his province. There was a higher power to whom he must refer their request, etc. The ladies departed smiling and contented. The mayor shifted the responsibility to some one else, and there were more smiles and bows and charming exchanges of compliments and shiftings of responsibility, which is much nicer than the clubbings of dear old England or even the mobbings and doubtful eggs of this land of the free. An innovation in the physical train-

ing department of Barnard College For Women in New York is the teaching of first aid to the drowning. Into the young woman is thrown by the inequipped women's gymnasium in the country and marble swimming pools. It is both expensive and exclusive, and the few professional women who are members are those who have social connections or are very prosperious. Mrs. Harriman is one of the annual dues are \$25. All the woman is thrown by the ing your weakness. Don't weep!

live so far away we could not notify you. I'm sorry this has troubled you so much. You should have told your mother or me sooner."

Marjorle ran around to Great-aunt Morton's after school with her report card and then fairly flew home to tell her story to mamma and Uncle Howard.

"That's what I call the happlest kind of a coincidence," said Uncle Howard as he heard the five dollar gold piece rattle down with its mates. "Now you know the meaning of the word."

"I call it a great victory," said mamma, thinking of something duite different. But Marjorle understood both.

—Xouth's Companion.

"You should have told your most pleasing and artistic. In his wide circle of acquaintances their doors were specially attach ed to him because of his happy and cheery disposition. It was his custom to call on persons who were feeling gloomy and depressed and dispense the sunshine with which he was supercharged and the boyish glee of which he always carried a supersbundance, thus lightening life's burdens for his fellowmen and making them more and more his devoted triends and well wishors. He had no ambition for public life but was assisted to spend his days in the quiet enjoyment of his home and family and ambition for proble life but was assisted to spend his days in the quiet enjoyment of his home and family and ambition for public life but was assisted to spend his days in the quiet enjoyment of his home and family and ambition for public life but was assisted to spend his days in the quiet enjoyment of his home and family and ambition for public life but was assisted to spend his days in the quiet enjoyment of his home and family and ambiguity.

### ANNOUNCEMENT

This is to inform the public of South Manchester and vicinity that I have vacated the store on School street and that I will conduct a work shop at my home, 13 Maple street.

It is my purpose to continue the, plumbing, steam fitting and hot air heating, roofing, copper and sheet iron working and general jobbing the same as heretofore, and in these lines of work I respectfully solicit public patronge.

Being free from the care of a store I can and will now give my entire attention to the mechanical end of the business.

I have built a shop, have all necessary equipments for carrying on work and will be pleased to receive orders by telephone or otherwise. My house call is 157-12. You will find it in the directory.

Yours for business.

George R. Wright

Plumbing and Heating Contractor, 13 Maple St. South Manchester

WILLIAM F. RICE. William F. Rice of Locust street died inddenly of valvular lesion of the heart last Friday night about eleven o'clock. His funeral took place Monday afternoon, services being held at St. Mary's Episcopal Church: Rev. M. B. Bennett. the pastor, officiating. Burial was at Mr. Rice worked all day as usual in

Chency Brothers' machine shop where be was employed as a painter. In the evening he and his daughter, Mrs. Lucy Ringrose, spent the evening socially eleven o'clock, Mr. Rice apparently in his customary good spirits and good health. Mrs. Ringrose went up stairs to retire while her father remained below to enjoy a smoke. Mrs. Ringrose heard a noise down stairs before she had fully undressed and hurrying down found her father lying on the floor un-Dr. W. R. Tinker who lives nearby but the doctor found that Mr. Rice was
