Try O'Leary's bread. Charles K. Harris' new song "Nobo

"A-wearing of the green;" Long columns march adown the street With playing bands between.

And I—my feet are keeping step
Te tunes that roll out free, But my heart's afar in a blessed isle-A green isle o'er the sea.

HERE, in a thatched roof, humble cot, A gray haired woman bides. The snows of time rest on her head: Care in her wrinkles hides.

Her heart bound up in me. My heart is there; her heart is with Her boy far o'er the sea.

I'm with my mother where she waits

Amid a sea of green, Holds one whose eyes turn oceanward-My own sweet, fair colleen And she she's wearing shamrock, too; She'll send a sprig to me.

She lifts her heart in prayer today

For one across the sea.

LOVE this land; it treats me well And I mean well by it. So bear with me when on this day I backward glance a hit

To that green isle which gave me birth,

Where loved ones wait for me

My heart will take, St. Patrick's day,

A trip across the sea.

weather is the saflow chief depend-once. The word sheet is a corruption of the word shote (thrown out), mean-well," continued Mrs. Jenkins, weather. The Greeks and Romans here about steel plates. HOUSE FOR ARMOTT

ST. PATRICKS DAY, ONE MUNDRED TWELVE TO ONE HUNDRED SIX

Earnest Arguments By Memders for One Sidewalk Clause Chief Bone of Conter Hour for Arnott and Bowers on Judge ship of Town Court of Manchester—Unanimous Report of Judiciary Committee Sustained, House Refuses To Reconsider.

Sustained, House Refuses To Reconsider.

The unanimous report of the judiciary
committee in favor of appointing Alexthe Hall of Records Tuesday evening ander Arnott as judge of the town court in accordance with the call issued to of Manchester came up before the House consider "An act extending and amend-Wednesday, St. Patricks Day, and was ing an act concerning the nomination discussed pro and con by members of of candidates for public office and the the legislature for one hour. The pre numbers, powers and duties of the town vious question was ordered and the vote officers in the town of Manchester." taken, viva voce. The chair decided Horace B. Cheney, chairman of the that the ayes had it. This was doubted board of selectmen called the meeting and a rising vote was called for, for to order at 7:40. B. S. Carrier, presiwhich Speaker Banks named tellers who dent of the Manchester Business Men's

Whole number voting, 218, Necessary to a choice, 110 For Mr. Arnott 112. For Herbert O. Bowers 106,

The chair announced that the unanimous report of the judiciary committee as in some instances a single sulject had been accepted and that Mr. Arnott covered several sections of the act. was the choice of the House for judge of the town court of Manchester.

REEUSED TO RECONSTED R Charles D. Burnes, chairman of the didates to be voted for at any cancus Judiciary committee addressing the should be plainly designated at the left Speaker of the House stated that it of the same of the office to be filled. would not be possible for him to be in This was adopted without discussion. the House the next day, and therefore tion for reconsideration would not pre- ent of highways of the town of Man-

lution appointing Alexander Arnott the present law we would have two tree Judge of the town court of Manchester wardens, as the proposed act provided was reached for section in the House at | no means of removing the present tree 12 o'clock last Wednesday. Chairman warden who was elected last fall. Burnes of the judiciary committee took | Horace B. Cheney said that there the floor. He explained that the Judic- might be a clause put in repealing all iary committee had reported unanimous- statutes pertaining to the town of Manly in favor of Mr. Arnott and chester on this particular question of stated the reasons why the committee tree warden and making it read that had arrived at this decision, most of such staintes be not applicable to the which are known to our readers at this town of Manchester.

chester were equally divided between a choice of Mr. Arnott or Mr. Bowers. had all urged most strongly that 'Mr.

mittee believed it to be their duty to manimously report in favor of Mr Arnott's appointment. Representative Culver of Seymour argued in favor of Mr. Bowers, claiming that 75 per cent of the people of the town of Manchester wished to have Mr.

MR. HALL OF WILLINGTON. Representative Hall of Willington took the floor in behalf of the appointment of Mr. Bowers and said that in his opinion the judiciary committee had made a mistake in reporting in favor of Mr. Arnott. He said for the this case on the original ground, namely in Manchester, that he had made personal investigations, that he knew both candidates personally, but that he favored the continuance of Mr. Bowers

been presented in favor of Mr. Arnott, as he had heard there were names on that petition of men who were not voters. Mr. Burke refused to give it to

Mr. Burke at this juncture jendeavor-

ed to explain that point to the Hous but Mr. Hall refused to permit him. Mr. Hall said that the petition of Mr. Bowers represented 85 per cent of the taxpayers of the town of Manchester and practically all of the manufacturers in the town. He had called personally upon business men both at North Man-

George W. Ferris opposed the exten-

sion of the powers of the selectmen with

reference to the construction of sidewalks. Mr. Ferris wished to know why

the building of highways. The sidewalk

is built for the use of the poor man, the highway is built for the use of the owners of automobiles. Those who own

automobiles ask us to give them good macadam roads or gravel roads and we

do so and are taxed for same, but when

it comes to the matter of building side-

walks, which the automoblist may use

as well as the poor pedestrian, you ask

the poor property owner to pay for sidewalks and let the automoblist have

the use of the highway free. The rich

man may use the sidewalk without

danger but the poor man runs the risk

of his hie if he uses the highway when

the automoblist is around. If the poor

man builds a sidewalk and pays for it

he should certainly own it. As things

now are the poor man cannot cut a limb

off a tree in the highway unless he gets

permission from the tree warden. If

the town wants all these nice sidewalks

built let the town pay for them and

distribute the burden equally among all

the taxpayers instead of baving the

poor individual taspayer bear the entire

Harry M. Burke moved that Sections

3 to 11 inclusive be not approved.

PLEA FOR CURBLINES AND GRADES. Frank Cheney Jr. said he trusted

that the motion proposed by Mr. Burke

would not prevail. There were some

parts of the proposed act at least that

should be permitted to s and. He said

the matter of laving out curb lines and

grades should be granted. He ac-

knowledged the ferce of the arguments

presented by Mr. Ferris with reference

to building the sidewalks but thought

that the selectmen should be given the

power to establish grade and curb lines

and leave the other part of the propos-

Horace B. Cheney said that if the

town took the action proposed by Mr. Burke's motion it would regret it as it would be impossible to get uni-

formity in curb lines and sidewalks

unless von give the selectmen the

powers proposed in this act, as the

ed act for some future time.

### SPRING IS HERE

our windows will convince you that our line of Spring and Summer Footwear is equal to that of any city store, while the prices are considerably lower, as the vast expense of conducting a city store forces the price of shoes up.

Our first shipment of the unsurpassed La France Shoes has arrived and the dainty styles are already attracting the attention of passersby. We are also expecting many other lines which will be sold at lower prices.

We will be pleased to have you call and inspect our goods whether you purchase or not.
