New Spring Suits For Women

In our Ladies' Department we are showing this spring a grand assortment of the very latest wearing apparel for women. A line that far surpasses anything we have shown before. Any woman who wishes to be stylishly dressed at the least possible cost cannot afford to overlook this great collection. The great amount of business done last week in our ladies' department shows conclusively that we have the right styles and prices. Now is the time to buy while our range of sizes is still complete and you have a full line to select from. The payments each week will be made to suit your pocket-book. We don't pry into your family history. You don't have to go through any cross examination. We have private booths for ladies and the utmost secrecy is maintained.

Ladies' Suits In all the latest and most fashionable models—2-piece suits, smart tailor made suits, 3-piece suits in new French Serges, plain or striped Prunella Worsted and Panama, handsomely embroidered with long \$10.00 to \$40.00 semi-fitted coat and new plain gored skirt, in all the latest shades.....

We have just received a solid carload of Mattings, which came direct to us from Tacoma, Wash., reaching Tacoma by sailing

vessel from Japanese portes. The mattings received in this lot, together with our own extensive stock, brings us many hundred rolls ot mattings for which we have not sufficient room. We have therefore decided to hold, for one week, exactly 7 days, a very decided price-cut sale, during which we will sell you Mattings at retail as low as most dealers buy them at wholesale. Even though you do not need the mattings at once it will pay you well to buy during this seven-days' sale, which commences tomorrow

wasn't there!

"I wouldn't have bet an old copper cent that I was alive! Things fairly spun round me," said he in telling of it.

His first canvass for a congressional nomination was made largely by letter and on the basis of friendships. Lilley thought so little of the beef trust that when prominent' Republicans then dominant in state politics tried to induce him to withdraw the night before fore the nomination was made he said

"I wouldn't have bet an old copper muters every day on a ten-cent fare from Manchester to Hartford and he believed that it would be nothing but right, and fair and just to make an equal charge for all persons using the trolley line between Manchester and Manchester and the same way as we would were you a Public Service commission but a Public Service Commission but a Public Service commission but a Public Service commission has been deemed unnecestary because our public service corporations claim that it lies with the legistators to settle all the grievances of the people of Manchester for a tenform and sought to have this petition grant of the people of Manchester for a tenform and sought to have this petition grant of the people of Manchester for a tenform and sought to have this petition grant of the people of Manchester for a tenform and the proper before you as an intividual seeking favors but as a representative of a community that looks to you for justice and fair treatment. We appeal to you in the same way as we would were you a Public Service Commission but a Public Service Commission has been deemed unnecestary because our public service components that it lies with the legistators to settle all the grievances of the connecticut of the people of Manchester for a tenform and sought to have this period and he form the food of the people of Manchester for a tenform and fair treatment. We appeal to you in the same way as we would were you as Follows:

I do not appear before you as an intividual seeking favors but as a representative of a community that looks to you for justice an fore the nomination was made he said of the people of Manchester for a tento them, "I'll wager any one or all of you gentlemen \$10,000 or any part of Hartford. Mr. Leary informed the to pay leaves on other treatment and cannot see southward with the swallows.—Bohe men, for fair treatment and cannot see southward with the swallows.—Bohe min Magazine.

wotes.

At the annual banquet of the Norwich board of trade, March 1, 1908, Congressman Lilley, speaking of his resolution for an investigation of the Electric Boat company and its predecessor, made this explanation;

granted.

Mr. Leary's explanation of this statement, for at a conference recently held in New Haven one of the officials of the Connecticut Company made a statement that, had we come two years ago to ask for a ten-cent fare it would have been a different proposition, but at present they could not grant it because they could not grant it because they made expressly for the occasion. At

they could well afford to omit the five-cent fare zone between Lemon station Alvord, E. J. Holl, E. T. Ferris, R. W.

profited by the lesson at a time when he could if afford to lose the money. Once he tried to beat the shell game. At a horse trot he had seen a lot of farmers lose their money and pitted the ignorant Rubes who couldn't see where the pea was when he could so plainly. Finally he offered to bet \$20 other parts of the town, namely, the faker manipulated the shells, and Lilley thought he saw where the peaswent. He put his finger on one, the gambler lifted the shell, and—well, it was the mme old story. The peaswant there?

The central the peaswant of the Connecticut Company had been done that are now enjoyed by people in all other parts of the town, namely, the right of the five-cent trolley lines in the state of Connecticut, they were still able to pay a dividend a score more pieces out of it than bed of 8 per c-nt per annum on all their stocks, wind, water and all. Mr. Burke said if the representatives of the connecticut Company present could deny this statement let them do so here and now.

The amendments to the automobile

HARTYORD, April 20—The public utilities comm's i n bill is deat. Governor Lilley's condition has really nothing to do with it now, though it is possible that his illness may be made the reason for delay regarding it. The matter will have come up for action in the House before this reaches the eyes of the reader, for it is the special order of the day for tomorrow at noon. The plan is now for a metion to be made to place the bill at the foot of the catendar to await the outcome of Governor Lilley's illness and while everybody knows that if the Governor gets out again, it will be long after the adjournment of the gene al a sembly and that his connection with the bill is practically over before this, the argument that the House ought-out of courtesy to him delay action until later will undoubtedly prevail, if the matter is put in suca a ferm.

Such action is, however, a mere in damned it with the kind of faint praise idental and can have no real effect on which is always more effective in killand settled even before the Judiciar, would be. committee reported it unfavorably. The report of the committee simply gives the House the chance to do what it had There isn't any question in my mind

House the charce to do what it had expected to do, soyway, kill the bill. The most noticeable fact in connection with this whole matter is the absence of any real effort to pass the bill or to seenre for it even a modicum of favorable attention. If Governor Lilley had remained in health and able to fight for it, he would have put up the best fight he was able to and his presence on fight he was able to and his presence on ing it so as to take from it such teeth the scene would have caused others to as they didn't like, which, with the become active in the bill's favor. sentiment in the legislature what it is at this moment, would have been eas of accomplishment, and thus stall

Even so, the effort in favor of it would a later measure which would be far have had a very artificial flavor, for it less pleasing. would not have been a showing of any real wish to pass the measure on the part of anybody but the Governor, who of course nobody knows what will became convinced long ago that such a be the trend of public feeling two years became convinced long ago that such a commission would be the means of a great deal of good and do away with many existing evils. Nobody else around the legislature wishes to see this bill pass and even members of the House who came to Hartford with the expectation that such a measure would be enacted this session, and some of them quite strong in its favor, will now vote against the measure and would be very and was never shown at the hearings. against the measure and would be very apt to do so even if the committee had reported it favorably.

for such a commission how peters and was never shown at the hearings. Time alone can tell about that. And if the bill is at the foot of the House

change of sentiment there has been won't be there unless the pressure for it since the first week in January. Gov. is pretty strong, at that, ernor Lilley was elected very largely un a publ c utilities commission platform. party adopted at the September state convention called for that, but the Governor became convinced early in the campaign that the personal attack upon him was very likely to succeed charge of the entire automobile situation of the charge of the entire automobile situation. on ess there were issues clearer and tion, the licensing of machines and more definitely forceful than the plat- chaffeurs and the enforcement of the

form of the party contained. Further than that, it had been his intention all along to stand for a public ut littles commission and an employers' liability bill and other reform legislation. So that he went out to make an aggressive fight on some of these strong and appealing issues and made it. When he took the chair he stood for those things and his inaugural message declared for them in terms which could not be mistaken. Probably the majority of members of the House believed when they came to Hartford for the opening of the session that there the opening of the session that there least cause their transfer to the new would be enacted some sort of legisla- commissioner's office, if nothing more.

years.

Over 700 business men annually call at this school for stenographers and bookkeepers. This phers and bookkeepers are the box or girl to the s'ate will rever do this and can bever do it and the secretary of state won't do How different is the present situation.
At least three quarters of the House, Democrate included, is oppused to the bill in any form tiday. Nor is this the result of energetic lobby work or any improper influence. That there has been a very clever allowing of sent ment to drift in the direction that it ment to drifting will have to be ad-

was plainly drifting will have to be admitted and it is possible that it may have been shaped a bit here and there, but in general the si ustlon today is The sentiment in the legislature is, but in general the si ustion today is spontaneous. Just the moment that however, greatly against the creation of new commissions. There are propositions to appoint commissions for this or that purpose, entirely legitimate GROOMING COUNTS

Punctless Man.

The greatest skeptic can hardly fail to be convinced in the face of evidence like this. It is impossible to produce better proof of merit than the testimony of residents of Manchester, of people who can be seen at any time. Read the following case of it:

Mrs. Thomas McKinney. 17 Bissell street, South Manchester, Conn. says: "I was in a bad way when I began using Doan's Kidney Pills in the spring of 1905. I was subject to frequent besdaches and dizzy spells and I could hardly straighten on account of the severe pains in the small of my back. I could tell by the irregular passages of the kidney secretions that my trouble was caused by my kidneys but how to find relief was the question. Finally I procured Doan's Kidney Pills at the Rapelye Drug Co. and in a short time after I began their use, my troubles left main February 1905 I gave Doan's Kidney Pills my endorsement in a public statement and at the present time I can say that I have had little need of a kidney medicine since. I always keeps box of Doan's Kidney Pills on hand however, knowing that they can be depended upon to bring relief from kidney disorders."

For Millinery Come to Us

We are putting forth especial efforts at this time to meet the requirements of the ladies of South Manchester and vicinity in supplying attractive millinery and all things appertaining thereto, and beg to assure them that we shall endeavor to serve them satisfactorily in the present emergency caused by the disastrous fire of last week, which destroyed the millinery department in the Boston Store, together with the general demolition of the entire building and contents.

We have enlarged our stocks to meet the conditions now before us and are displaying a magnificent assortment of Untrimmed Hats for Women, Misses and Children. Flowers, Feathers, Straw Braid, Crowns, Bandeaux, Buckles and every requisite in the line of Millinery Trimmings.

Trimmed Millinery

New and attractive models in Women's and Children's Ready-to-Wear Hats.

Made-to-Order Millinery

When you want something exclusive made after our own ideas to suit your own tastes come to us. We give special attention to this branch of work. Our experience and skill are placed at your disposal.
