Old Dutch Coffee

Have you tried our Old Dutch Coffee? It is the Best Coffee Ever Sold in the Town of Manchester for 20c a Pound. It takes the place of the regular 35c Coffee on your table.

This coffee has been sold for the last 30 years under the trade mark of the "Old Dutch Coffee." We have the sole agency for the sale of Old Dutch Coffee in this town.

We took the agency for Old Dutch Coffee some time ago and are surprised ourselves at the amount of the product we have disposed of. It seems to meet the popular fancy, to suit in point of taste and quality and flavor as well as in price. It satisfies in all these important particulars. Could you ask for more? Those who have tried it are delighted with it. May we add you, gentle reader, to our already large list of satisfied patrons in the use of Old Dutch Coffee? If so the pleasure and profit will be largely

magnitude and crushing force of such a blow.

Robbie was employed in the market of A. Taylor & Son, corner of Main and Charter Oak streets, and was becom-

Charter Oak streets, and was becoming very popular with the public as they learned to know him. He was a boy of good address, courteous, kind, always cheerful, a willing worker, glad to oblige and ever ready to do that which his hand found to do. He was the darling of his mother and bid fair to blossom into a manhood that would have been a blassing to his parents, a credit to himself, and an object of admiration to the community in general. As a token of sympathy and appreciation Taylor's Market was closed during the funeral, and proprietors and clerks attended the services in the church. Not in many a day have there been

The day of the funeral was one of those rare days in June that cannot be described. A week of intense heat and sultry, burnd weather had preceded, and mankind in general hereabouts was glad for the relief weatherwise deed a joy to be living and well amidst such beautiful surroundings. It seemed too bad that sorrow should bear so

An unusually large number of beauti-The body was pliced in a handsome white casket. A large number of sympathic friends attended the funeral and many accompanied the remains to

Single house with modern improvements, situated on Wells street, lot of shade and a bargain for some one \$2,600 Double house near the Center, thoroughly modern. \$2,600 The only thing that is cheap about it is the price..... A mice home near South Main Street, with extra lot \$2,600

must sacrifice. See me about it. Thirty acres of good land on the trolley between Manchester

and Hartford. Will make somebody an excellent farm. Building lots in all sections from \$25 upwards.

Attempt for Legislative Recess Until November Blocked-Speaker Banks Takes Floor in Opposition-Republican Machine Doubtful as to Advisability of Same New Automobile Law.

yet no living soul can say for sure that this won't be done. The chances are that it would have been ere this but fir that it would have been and the lobby and others ontside of the two houses to prevent it. The Republican state machine doesn't really countenance such to BE ERECTED ON GROUNDS OF a move, not knowing what it might lead to or how it might affect political CONNECTICUT'S STATE CAPITOL

The House is in a fractions m od. for a recess from July 1 to the first Wednesday in November and there are more of these resolutions in desks of members, who await a favorable opportunity to put them in. The premature int ofuction of the Dormitzer resolution and the abortive attemp; of today have House was tired out and then confront it with the great mass of business yet to be done and convince it of the hopel s. nes of get ing through before the first

Every time the proposition receives a setback it becomes that much harder to revive it and that of course mitigates against its ever being successfully carried through. Yet this is a most independent House and so lacking in organization that it only needs the right conditions for this thing to go through with a whoop. And if the House ever passes such a res lution, the Senate will toilow suit without delay. Senators are already chaing at the conditions. Senat r Goodwin has post-goned sailing for Europe on the 3rd. enator Blakeslee insists he is going on the 10th, but his fellow senators hardly believe he will, nor do they believe that

wind up, though. If the two houses were to it four or five days a week and hustle things right along, the business could be wound up by August first, though hardly before that, even with two essions a day. All committees reports were to have been in teday, according to a recolution passed some time since, but not only are they nowhere near all in but both houses are recommitting matters to committee right along. It ought to be mentioned that one thing which keeps members from going over to the idea of a semment recession and then getting \$300 for the pressure will be contained to be getting \$300 for the pressure will be grantly in grantly in getting \$300 for the pre
