Having determined that this August Furniture Sale shall eclipse all furniture sales we have ever held, we have

made extraordinary preparations. For a month past, carload upon carload, comprising Thousands of Dollars Worth of

the World's Best Furniture has been arriving at our warehouse, most of it from Grand Rapids, Michigan, and All

Bought Directly From the Foremost Manufacturers and never before in the history of our store have we bought fur-

niture so advantageously, owning to the unsettled condition of the wholesale Furniture Market and our Ready Cash.

No store or chain of stores can possibly underbuy Wise, Smith & Co., in the American market, and as We do a Strictly

Cash Furniture Business it stands to reason that unlike the store that sells on installments, we have no "poor ac-

counts" and therefore can afford to and do undersell all others at all times, and now for this Great August Furniture

Sale we are going to give the good peple of Connecticut values the like of which have never before been equalled.

Remember that is is impossible to give even a tenth of the offerings in this advertisement. So if you have in mind

any article of furniture which is not mentioned in this announcement you'll surely find it here at the Great August
