When Charley rode to Candy Town Astride a Teddy bear, He looked in wonder up and down With many a hungry stare, For all the streets were named for sweets, And, oh, so many there!

They entered town by Gumdrop road, Where all the candy shops Were stuffed as full as any toad With most delicious drops. As Charley glanced he almost danced, While Teddy licked his chops.

They turned a corner, when, in view. Before their very eyes, Came Chocolate Bonbon

Which filled them with

For every shop was a chocolate drop Of most amazing size.

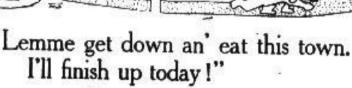

But on they went with even jog, Since shops are not to eat,

And soon they passed, with Through Peanut Brittle street And every brick was a peanut

And doubtless very sweet!

But Teddy trotted right ahead Through Candy Kisses way, Though Charley pulled his ears and said: "Hold on a minute—stay!

That Teddy bear plugged straight along Until he chanced to see,

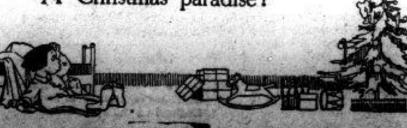

Surrounded by a merry throng, A great big Christmas tree. "Now I can climb and have a time." Says Ted. "Hooray for me!"

As Teddy started climbing up His passenger slid down And struck the bedroom floor kerplup,

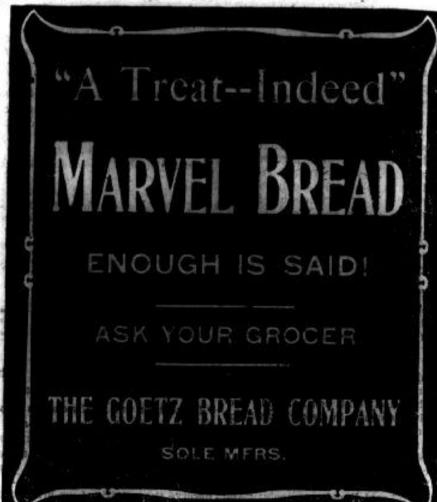

And in his nightie gown! Now, wasn't that a sorry bat To get in Candy Town?

But, after all, the town was there. When Charley oped his eyes, High up the tree was Teddy

Of real riding size, And candy sweets from all the streets-A Christmas paradise!

Sinking Spells **Every Few Days** "At the time I began taking

Dr. Miles' Heart Remedy I was having sinking spells every few days. My hands and feet would get cold; I could scarcely breathe, and could feel myself gradually sinking away until I would be unconscious. Those about me could not tell there was life in me. After these spells I would be very weak and Designs for Weddings, nervous, sleepless and without Funerals and House Decor appetite; had neuralgia in my head and heart. After taking the remedy a short time all this disappeared and in a few weeks all the heart trouble was gone."

For twenty years we have been constantly receiving just such letters as these. There is scarcely a locality in the United States where there is not some one who can testify to the merits of this remarkably successful Heart Remedy.

Dr. Miles' Heart Remedy is sold by all druggists. If the first bottle falls to benefit, your druggist will return your MILES MEGICAL CO., Elkhart, Ind.

When Charley rode to Candy Town Astride a Teddy bear, He looked in wonder up and down With many a hungry stare, For all the streets were named for sweets, And, oh, so many there!

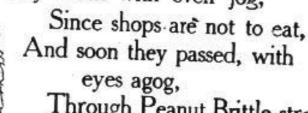

They entered town by Gumdrop road, Where all the candy shops Were stuffed as full as any toad With most delicious drops. As Charley glanced he almost danced, While Teddy licked his chops.

They turned a corner, when, in view. Before their very eyes, Came Chocolate Bonbon avenue. Which filled them with

surprise. For every shop was a chocolate drop Of most amazing size.

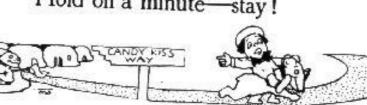

But on they went with even jog,

Through Peanut Brittle street, And every brick was a peanut

And doubtless very sweet!

But Teddy trotted right ahead Through Candy Kisses way. Though Charley pulled his ears and said: "Hold on a minute—stay!

Lemme get down an' eat this town. I'll finish up today!"

That Teddy bear plugged straight along Until he chanced to see, Surrounded by a merry throng,

A great big Christmas tree. Now I can climb and have

Says Ted. "Hooray for me!"

As Teddy started climbing up His passenger slid down And struck the bedroom floor kerplup,

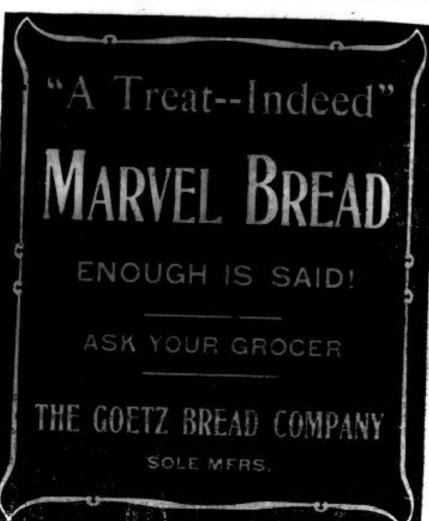

And in his nightie gown! Now, wasn't that a sorry bat To get in Candy Town?

But, after all, the town was there. When Charley oped his eyes, High up the tree was Teddy
