St. James Church

Rev. W. J. McGuire announced at the masses last Sunday that the interior decorations of the church cost \$2,000, and that the full amount had been raised by voluntary contributions and paid over to the persons who did the work. He took occasion to thank the people of the parish for their generosity, for the good will which they manifested and for the cheerful manner in which they responded to his personal appeal for funds for this great work of decorating the interior of St. James church. He announced that during this month of the Holy Rites, devotions would be held in the church on Wednesday and Friday evenings at 7:30. He also gave notice that for the present, and until further notice the regular week day masses would be said at 7:30, instead of at 7:00.

THIRTY-SIX YEARS

Watkins Brothers Are Celebrating Anniversary

Watkins Brothers, our well known furniture dealers, have opened a business in this place and have opened a big sale in commemoration of this event. The prices which they are offering during the sale will be remembered by the frugal housewife and others here as marking a money saving opportunity seldom if ever witnessed in South Manchester.

The fact that Watkins Brothers have such a large and varied stock that they can suit the purse of the rich as well as those of the more humbly circumstanced in life, makes this anniversary sale one of unusual interest to all.

In their large advertisement which will be found on page 8 of this issue they give some account of the importance of this sale by quoting for your information some of the great price reductions they are offering.

People here are fully aware of the fact that when Watkins Brothers make an announcement of a price cutting sale their word is as good as their bond and that the statements made in their advertisements will be fully sustained by the facts.

The progress that Watkins Brothers have made in the mercantile world here during the 36 continuous years of their partnership is certainly one to which they may point with pardonable pride. They have built up a business which has surpassed even their most sanguine expectations.

The Elmore Watkins, their young advertising manager is first in mind in appreciating the value of printed ink and the great importance of judicious advertising. He has full charge of this branch of the business and right here at the office of the firm, Mr. O. D. Miner, Milliner, Main street, corner of Maple - 3115.

TOWNELECTION

OFFICERS CHOSEN FOR ANOTHER TERM—SMALLER VOTE THAN LAST YEAR

Hobenthal Prohibitionist Elected Registrar of Voters by Republicans Over Smith Democrats Surprised Day—License Vote Larger Than Last Year.

The annual election for the choice of town officers took place at the town hall last Monday the polls being open from six o'clock in the forenoon until four in the afternoon.

The morning was partly cloudy and cool but later the day was generally mild and warm and conducive to get out a large vote.

There were but two contests on the list, namely the struggle of the license forces against the no-license workers and vice versa, and the effort to oust Thomas J. Smith from the Board of Registrars, a position which he was kept by the democrats for the past 30 years. The license forces won by a major vote of 217 and Emil L. E. Hobenthal, the prohibitionist nominee, was elected registrar over Thomas J. Smith the democrats in nomination by a major vote of 281. The entire vote for Mr. Hobenthal for registrar was 691 and for Mr. Smith 850.

Mr. Hobenthal's recent come largely from the progressive republicans who were his voters for the past 30 years. He received 48 votes from the democrats by which party there were 260 straight ballots cast and 87 split. Of these 44 went to Mr. Smith.

The prohibition vote was 190 of which 140 were for one vote cast for Mr. Hobenthal. The total democratic vote was 847, which showed that Mr. Smith had a net gain of but three votes over all from republican sources.

Thomas Ferguson, who was re-elected as republican registrar had 765 votes, the smallest on the republican list and he ran 419 votes behind his party. Had 75 more republicans withdrawn their votes from Mr. Ferguson and given same to Mr. Hobenthal it would have placed the latter in first position on the board. The loss was rather thin, which shows Mr. Ferguson was shakily when you come to think of it. Last year Mr. Ferguson ran 100 votes behind the regular republican party vote when John Jensen the prohibition candidate for registrar sought to win out.

It was observed that many of the 144 ballots that were rejected were demand it hereafter.

The republicans polled 654 straight votes and 430 split. The republicans had a plurality of 857 over the democrats and a majority of over 464 over all.

Three women availed themselves of the privilege of the ballot; their votes applying to school officers. Seven votes were cast for John M. Williams for schoolman one for Charles E. Sweet and one for Henry A. Sherry for the same office. One vote each was cast for John F. Sheridan and William G. Campbell for grand juror.

FOR SHERIFF

EDWARD W. DEWEY RENOMINATED BY REPUBLICANS OF HARTFORD COUNTY

Was Only Candidate Named—Had Clear Field—Was Enthusiastically Received—Unqualified Endorsement of His Administration.

The republicans county convention assembled in Masco Hall on Pearl street Hartford last Saturday forenoon at eleven o'clock and unanimously renominated Edward W. Dewey as republican candidate for sheriff of Hartford County, his name being the only one presented to the convention.

The convention was called to order by Robert A. Griffing of Hartford the chairman of the county committee. General T. Fenn of Waterfield was chosen as chairman and Arthur L. Sampson of Hartford as clerk.

George H. Payne of Enfield, Palmer S. Willard of Waterfield and Thomas F. Welch of Southington were named as a committee on credentials, and Theodore M. Matthe of Granby, Hugh M. Alcorn of Southington and Arthur P. Moore of East Hartford were named as a committee on resolutions.

EDWARD W. DEWEY

The committee on resolutions called elected present with the exception that Oson W. Crane was proxy for Frank H. Seymour of Bloomfield. Hugh Young for George L. Wilson of Enfield, Aaron Danielson for Albert G. Anderson of New Britain, George B. Chandler for William H. Kenox of Rocky Hill, Hugh M. Alcorn for Charles R. Latham of Southington, and Thomas M. Collins for Charles Dutton of Southington. After the convention had approved the credentials, Chairman Fenn called for nominations.

Theodore M. Matthe of Granby, who nominated Sheriff Dewey in the convention of four years ago, was recognized by the chairman. Mr. Matthe recalled that in the last convention he told the delegates that Mr. Dewey had served the county for more than fifteen years faithfully and well, and he recalled that he told the delegates that Mr. Dewey's experience fit him for the office of sheriff better than other men in the county. He spoke of the way Mr. Dewey had administered the duties of the office of sheriff and he said that if any man merited a renomination Mr. Dewey did.

Edward G. Woodhouse of Waterfield and Robert P. Grant, Jr., of Glastonbury seconded the nomination. State attorney Hugh M. Alcorn in seconding the nomination said that for two years he had been in close relations with Mr. Dewey, and he spoke of Mr. Dewey's sterling honesty and his intelligent and conscientious application to the duties of his office. He said that Mr. Dewey was a man of wisdom and foresight, a man with a heart and a conscience, and a man who was full of sympathy. Mr. Alcorn said that a man who is called upon to perform the duties of the office of sheriff of Hartford County should have the sympathy which Edward W. Dewey has.

Mr. Dewey was then unanimously nominated by the convention and the chairman declared him the nominee. The report from the committee on resolutions was adopted as follows:

Resolved, That we do not heartily endorse the platform put forth by the republican state convention, and that the state officers and congressmen at large nominated by it, also the nomination of Hon. E. Stevens Henry for congressman from this district.

Resolved, That in presenting to the voters of Hartford county the name of Edward W. Dewey as candidate for sheriff, we are confident that his record for the past four years as an able, faithful and efficient official and his careful and economical management of the financial affairs connected with his office will secure for him not only the undivided support of his party, but also of all who believe that tried and faithful officials should be kept in office.

Hugh M. Alcorn, John F. Welch and Robert P. Grant, Jr., were named as a committee to notify Mr. Dewey of his nomination, and there was generous ap-

Will Settle Here

(Deferred)

Robert E. Carney, the youngest member of the federation of real estate dealers of this place has sold a six-roomed cottage on Lyness avenue to Rev. G. E. Colledge of Collingville who is planning to move here as soon as the necessary arrangements can be made. The house is a new one, was recently built for E. J. Holl, contains modern improvements, is a good substantial home, is near the trolley line for Hartford or points in and about South Manchester and its purchase will make a nice home for the reverend gentleman who is to come here to pursue literary work exclusively. He desires to be in a nice quiet home and attractive shade apart from the meddling throng, with easy access to the large and well equipped libraries which the Capital City College cut affords.

For 25 years past Rev. Mr. Colledge has been pastor of the Congregational church of Collingville and resigned his pastorate last Sunday. He is a graduate of Amherst College and of Andover Theological Seminary. He has a wife but no children. His resignation will take place November 27, but he will move here soon. He has the winter's supply of coal in the cellar and has moved some of his belongings here. He cast about the state in many towns seeking a suitable place to establish his home and after looking about at his heart's content wisely arrived at the conclusion that South Manchester led the rest in a number of particulars and therefore was the place of his most careful choice.

Eleven Years

(Deferred)

The Keith & Post Company our well known complete housefurnishers are celebrating their eleventh anniversary at the present time by conducting a sale which presential many attractive offerings to the housekeepers of the community. They are giving reductions of from 15 to 40 per cent. on some of the many lines of goods which are contained in their large and varied stock. They intend to make this the most successful sale they have ever conducted and to that end are presenting some remarkable offerings and price reductions. In their large advertisement appearing in another column they give account of the goods and the prices which they are displaying for the approval of their patrons and of the general public. No stronger agent for attracting trade can be found than the inducement of extremely low prices coupled with goods of undoubted excellence in quality. It must be understood that the articles and the prices named do not by any means tell the whole story. Shows in fact from being the case. They can but give a comparatively few of the many good bargains with which their stock and store abound at the present time. A personal visit to their store and an examination of their stocks are necessary to give one a full understanding of the value of this anniversary sale to the buyer. Messrs. Keith & Post extend a most cordial invitation to the general public to call and secure their share of the money saving values being presented.

Successful Sale

(Deferred)

It was an interesting spectacle to see the crowds that thronged the store of the J. W. Hale Company Tuesday morning and waited for the opening of the big basement sale of household and kitchen articles. It was necessary to keep the back until the hour for opening the sale arrived. They were on hand and eager for the very unusual bargains that were offered. The J. W. Hale Company have introduced the practice of delivering unbranded articles of this sort to the homes of customers. It will be but a matter of time when it will become necessary for them to put on a delivery wagon of a specialty of their stores as necessary supplies from time to time as occasion offers and give the public the very great benefit of buying their goods directly from the factory in lot quantities. Satisfied customers in lot quantities were served by The J. W. Hale Company last Tuesday.

Bought Cottage

(Deferred)

T. O'Grady of Charter Oak street has this week purchased a cottage and stands at Sound View on Long Island Sound. Mr. O'Grady and family have been spending their summer vacations at Sound View for several years past and have had to rent a cottage each year. Hereafter they will have a place of their own and occupy it all winter. They like Sound View very much as a summer resort. It is a quiet, pleasant place and is clearly and generally desirable. They expect to enjoy their new summer cottage very much in the years that are to come.

TOWN MEETING

HAD LONG LIST OF ITEMS REQUIRING ACTION—NOT MUCH DISCUSSION

Laying of Tax Deferred Until After Assessors Show Re-valuation Figures Next February—More Street Lights Called For—New Bridge Ordered.

The annual town business meeting was held in the town hall Monday afternoon beginning at 2 o'clock. Moderator C. S. McHale appointed Attorney W. S. Hyde to preside at the business meeting and Town Clerk E. M. Benton recorded the proceedings.

Honorable E. Cheney, chairman of the Board of Selectmen offered a resolution authorizing the selectmen to appoint not more than five policemen which was voted.

The question of extending the street lighting service to Woodland, Hilliard, Hackmatack and Kenney streets was discussed at some length. Chairman Cheney asked the meeting to leave this matter to the discretion of the selectmen, they to make a recess, investigate and place the lights wherever in their best judgment same were most needed. He held that the town meeting should not attempt to perform the executive work of the Board of Selectmen and said that if the Board was not given discretion in the matter it would be better to take the street lighting power away from them altogether. He offered a resolution asking that the matter be left with the selectmen to act in accordance with the suggestions indicated above. This was opposed by Judge Alexander Arnett, Attorney H. O. Bowers and Isiah Symington all of whom contended that the town meeting was clearly within its rights relative to instructing the selectmen in the matter of street lighting.

Mr. Bowers offered an amendment to the motion of Mr. Cheney to the effect that lights be first placed upon the streets indicated above. It was explained that thirty new street lights were to be added. The amendment prevailed and the motion as amended was carried.

Chairman Cheney offered a resolution authorizing the Dept. of \$500, for the improving of spot square same to be expended under the direction of the selectmen. This was favored by Chairman Cheney and John M. Williams and opposed by Dr. Thomas H. Wood, but the motion of Mr. Bowers was passed.

It was also voted on motion of Mr. Bowers to authorize the selectmen to enter into a contract with the Hilliard Company for the construction and maintenance of the park at Depot square.

Chairman Cheney offered a resolution authorizing the selectmen to sell the town barn property and build also a shed at a cost not to exceed \$7,500, over and above the amount realized from the sale of the present town barn property. The resolution carried with it authority to purchase land wherever and erect suitable town barns and other necessary buildings thereon. The motion was favored by Chairman Cheney and opposed by Mr. Symington but the resolution was finally carried. Chairman Cheney offered a resolution instructing the selectmen and town authorities to close the town accounts August 15th of each year which was voted after necessary explanations.

It was also voted to instruct the selectmen to print each year in the town report such annual statements of taxes laid and the amount of receipts and expenditures by the taxing districts of the town as may be readily obtained.

On motion of Mr. Bowers it was voted to accept the donation of \$1,000 given to the town by the will of the late Anna G. Jacques to be held in trust for the care of the Jacques burial lot in North-west cemetery.

On motion of Charles R. Hithway it was voted to divide the joint district known as the Burnside or Woodland school district and annex that portion of said school district lying in the Town of Manchester so an adjoining district therein.

The following appropriations were made: Charities, \$15,000; highways, \$25,000; street lights, \$1,500; police, \$4,500; miscellaneous expenses, \$12,500; library, \$750; observance of Memorial Day \$100. Appropriations were made for the several cemeteries of the town in the same amount as those of last year.

The selectmen were authorized to borrow a sum not exceeding \$80,000 for current expenses on one-year notes, same to be registered by the First National Bank in Boston.

Chairman Cheney offered a resolution fixing the tax rate at nine mills for the payment of state and county taxes, the support of the common schools and all other current expenses of the town for the next ensuing year. This was opposed by E. J. Hall, Mr. Arnett and Mr. Symington.

Mr. Hall offered an amendment to the motion of Mr. Cheney postponing the matter of laying the tax until Thursday evening, February 2nd, 1911 at 7:30 o'clock. The amendment prevailed and the motion as amended was carried.

The reports of the town officers were approved in the midst of a general exodus and all manner of confusion, everybody talking at once and nobody knowing what was really transpiring in a business way except the handful of wisecracks who assembled in front of the speaker's station and carried out the remaining requirements of the call for the annual Town Meeting.

A recess was taken at 4:15 for the counting of the ballots the polls having closed at 4 o'clock.

Neither time nor space permit further mention here.

The Annual Town Meeting

Of the voters of Manchester last Monday showed that Manchester's tax rate would be much lower than in past years. In buying real estate this is a very important matter to consider. The way in which building is going on in town increases the grand list on which to lay a tax, meaning that a lower tax can be secured.

There are many nice homes which I have listed that can be bought at a low figure and all that is necessary to own one is to apply the rent which you pay each month at present to your landlord to yourself and before you know it the house is your own.

Come and talk the question over with me. It makes no difference about the buying part of it. Let's get acquainted. It costs nothing.

Perhaps you are interested in insurance of some kind. That's another subject that I can inform you about. Call any time.

BUSINESS MEN MEET

Discuss Site for Federal Building, Tobacco and Real Estate

The regular monthly meeting of the Manchester Business Men's Association was held at the parlors of Orford House Company No. 3 last evening and included a collation of milk stew oysters and "fish", the latter being served in the room downstairs. There were 40 persons present.

At the business meeting President E. S. Ellis presided and Secretary F. W. Mills recorded the proceedings. It was voted that the chair appoint delegate to the state convention to be held at Putnam Phalanx Hall, Hartford, next Thursday, the chair to be a member of said committee. R. La Motte Russell.

The subject was opened by E. J. Holl as a speaker more fully below and was discussed informally by Charles Cheney, Frank Cheney Jr., and others. It was a subject that evoked much interest and was of deep concern to all. The time at our disposal now does not permit of following the ramifications and details which Mr. Holl's address opened before the mind of his hearers and which were given in a pompous expression.

In discussing real estate conditions in South Manchester, E. J. Holl, one of our very energetic young real estate men and one who is usually well versed in such matters spoke interestingly and instructively on the subject, raising many other things not usually alluded to.

The housing of a growing population is a new subject by any means it is a question troubling communities all over the country today, and extends from the older countries of Europe. The town of Manchester has grown in a wonderful manner during the past decade, and are still growing at a great rate and with the increase of population the cost of recreation seems to have gone hand in hand. This seems to hold good in Manchester as in other places, except as regards the renting situation. For sometime there has been a scarcity of rents and judging from the looks of things at the present time there is likely to be for sometime to come, for the average investor looks astounded at the possibilities of getting a reasonable return on his money invested in new houses in Manchester. While everywhere in Manchester the rents have remained practically on a level for the past seven years, I say seven years because that if the length of time that I have lived here, I know of many instances where, while values have increased a third and in some cases a half the rents have remained the same for the time under review. As a consequence everybody seems to be willing to allow the other fellow to do the building.

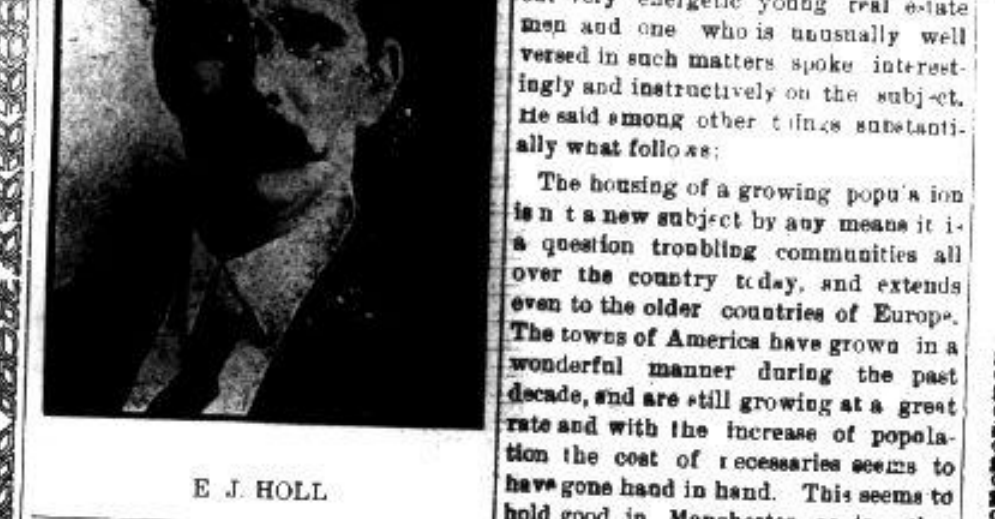

The increase in the cost of building was brought very forcibly to my notice only a few days ago when a local build-er quoted me a price over five hundred dollars more than he charged me last year for building two common double "roomer" houses. Needless to say I did not let this work for I could not get a fair return on the money, and doubt very much whether I should succeed on Page Eight.

TORBAC TALK
Arthur Manning of Hillstown, a Torbacco grower and dealer, spoke eloquently on the question of raising, handling, manufacturing and marketing of tobacco in general and the crop in Connecticut in particular. He was thoroughly saturated with his subject and it oozed freely from his subject and much to the enlightenment of all.

It is safe to say that there was not a man among his hearers who did not carry away with him large rolls of information on the tobacco question that his philosophy never dreamed of before.

REAL ESTATE IN MANCHESTER

The subject was opened by E. J. Holl as a speaker more fully below and was discussed informally by Charles Cheney, Frank Cheney Jr., and others. It was a subject that evoked much interest and was of deep concern to all. The time at our disposal now does not permit of following the ramifications and details which Mr. Holl's address opened before the mind of his hearers and which were given in a pompous expression.

E. J. HOLL

Nathan B. Richards and Scott Simon were appointed.

FEDERAL BUILDING SITE

The question of naming a site for the proposed federal building for the town of Manchester was taken from the table where Mr. E. J. Holl's motion that it be the sense of the association that said building be located at the center was laid at the previous meeting. E. J. Holl's motion that the site for the proposed federal building be located north of Edridge street and south of Birch, Charles Cheney, William C. Cheney and Frank Cheney, Jr. favored having a site selected between the points proposed in the motion of Mr. House, and E. J. Holl was the only one who said a friendly word for the motion of Mr. Holl favoring a site at the center.

The Messrs. Cheney were strong and united in their opposition to selection of a site at or near the center and gave their reasons for the faith that was in them. We have neither time nor space for further consideration of this interesting and important question at present.
