Sweeping Compound

We are introducing the VETERAN DUST EXTERMINATOR SWEEPING COMPOUND in this place and wish to direct the public attention

It is Non-Combustible, Non-Inflammable, is an Antiseptic and Disinfectant. No dust rises while sweeping carpets, rugs, oil cloth, straw matting, tiling, hardwood, varnished or painted floors when the Veteran Dust Exterminator is applied.

It draws dust like a magnet: is sanitary and hygienic. It is practically indespensable for dwellings, offices, stores, public buildings, schools, churches, restaurants, hotels, factories or anywhere that microbe infected dust accumulates on floor space.

Come in and let us tell you about it. You should know its good points. We'll gladly explain
