Some people are satisfied to trail through life on little or nothing-they have no ambition or energy-and some are never satisfied unless they are continuously forging shead and accomplishing things. The same thing applies to a store. Some stores continue in the same old rut year in and year out, gaining a little maybe, but such a VERY little that they are really doing nothing more than holding their own, and some stores never stop striving or never leave off in their efforts to be the BEST. The "Wise-Smith" store is one of the never stop kind. We do things here every hour, every day and every year. It's a case of climb, climb. We are not satisfied with ordinary achievements, and the greater we become the greater we WANT to become and we mean to keep up the same vigorous pace in the future. The rise of this store from a very small beginning to its present commanding proportions is the logical outcome of HIGH BUSINESS IDEALS-ENERGY, HONESTY. AND LIBERALITY. Once a year we stop on the anniversary of the opening of the store to measure what the preceding twelve months have meant to us-and no other year has brought us so continuous and unbroken a measure of success and remarkable growth as the past twelve months and in keeping with this, our thirteenth birthday celebration shall be the BEST MERCHANDISE EVENT EVER HELD in Connecticut.

On every anniversary, since the opening of our store thirteen years ago, we've been deeply appreciative for the progress made, and we've more reason than ever to be proud on this

anniversary, for the year 1910 has seen mighty strides forward as shown in the immense increase of the volume of our business, the great numbers of new patrons and friends and also

the present and potential vast increase in the size of our establishment, made possible by our real estate transactions. This spring we bought the Corning property adjoining our main

You've all read about the sale of the old City Hotel Block in the newspapers. You've seen the Fenn Company advertisements-how they must get out. We have got to sell our entire stock of Men's, Women's and Children's Clother-Clothing that we are proud of and always held our customers with.
