Dies From Burns

While playing about a bonfire last Friday afternoon, Irene, the four-year old daughter of John and Mrs. Crawford of Oak street fell into the flames and her clothing ignited. Her mother and neighbors rushed to her rescue and her clothes were torn from her body, but not before she had been painfully burned. Dr. Weldon was called and did all in his power for the little one, but despite his efforts she died Saturday afternoon. Her funeral took place Tuesday afternoon, Rev. M. B. Bennett officiating and interment was in the East cemetery. Her father and mother she is survived by several brothers and sisters.

St. Marys T. A. B. Society

The St. Marys T. A. B. Society have made choice of the following officers for the coming year: Chaplain, Rev. F. J. Murphy; president, Thomas F. Shea; vice-president, Robert J. Campbell, Sr.; recording secretary, Edward J. Murphy; financial secretary and treasurer, John F. Limerick; marshal, William Donahue; sergeant at arms, James E. Campbell; executive committee, Rev. F. J. Murphy, E. J. Hickey and W. F. Shea. The installation of officers will take place next month. County Director James F. Toney will be the installing officer.

Local Paragraphs

INTERESTING ITEMS BOILED DOWN FOR BUSY READERS.

Harold Burns of Maple street is recovering from a light attack of sea leg fever.

William Aspinall expects to move in a few days from Mr. Coates' double house to his mother's home vacated by William Starke.

Mrs. John F. Gorman of Brainerd place is again suffering with nervousness and is confined to her bed.

Robert Kittel, the Bissell street marketman went to New York yesterday on a business trip.

Representative Aaron Johnson is not feeling quite well and is unable to attend to his legislative duties this week.

William Hewitt of Florence street has returned to town after an absence of several months in New York City, Paterson, New Jersey and other adjoining places. For several weeks he was in a hospital at the Metropolis. He is very much better now however and is able to work.

Noah H. Ingalls is suffering with (German measles) and as a result cannot expect to enter into the customary joys of the glad Easter season.

Miss Carrie Bissell of Park street and Mrs. Thomas Hasset of Wells street were taken to the St. Francis hospital Sunday to be operated upon for appendicitis.

Mrs. Alma Birch of South Main street has sold her half interest in the property 129 and 141 Main street in South Manchester to her brother, Edward J. Hill, the local real estate man. The property is located next South of the Hunsford block at the Center.

The local plumbers who went on strike Saturday, April 1, returned to work last Monday. They sought to secure a Saturday half-holiday with full pay. The employing plumbers refused the demand and the men yielded the point and requested to be taken back to work by their employers. They are not organized union men as yet.

Attorney Harry M. Burke has taken the agency for the Massachusetts Bonding and Insuring Company and is in a position to furnish all manner of bonds for fraternal societies or individuals as required.

Edward Mercer of West Center street, who is employed by H. G. and R. Cheney was in a bicycle collision Tuesday noon on Hartford road with Joseph Forti of South Main street. Both men were going at a high rate of speed and were considerably injured. They required surgical treatment. Their bicycles needed considerable attention from bicycle repairers.

Cheney Brothers have granted the petition of their employees for a six day half holiday and beginning Saturday, May 6th the gladly anticipated outing rule will go into effect. The intention is to continue this Saturday half-holiday for the succeeding five months, namely until and including the last Saturday in September. This concession is highly pleasing to the great majority of the operatives and is being looked forward to by them with much pleasurable anticipation.

Mrs. Rosabelle S. Lines of New Haven will give a complimentary organ recital in Cheney hall Wednesday afternoon, April 19th at 4 o'clock. The New Haven Leader said of her playing, "She is a brilliant pianist with a touch of iron and velvet combined. Her technique is superb." The New Haven world says, "Mrs. Lines' technique is pronounced flawless. Her smooth accompaniment and her beautiful touch give her the prestige of a true genius."

Miss Ethel Florence Gray, violinist, will assist Mrs. Lines and admission will be by card only.

Next Sunday will be Easter Day and the churches will be suitably decorated in honor of the joyous celebration of the Resurrection of the Redeemer of mankind. Special music will be rendered in all the churches and a feeling of gladness will prevail generally. Let us hope that charming weather may be here. Many of the ladies have been putting forth strenuous efforts to appear in their new Easter gowns and Easter bonnets and it is to be desired that weather conditions may prove favorable in order that their expectations may be fully realized.

His floor varnish is the best. Let us talk paints with you. Our wide experience has enabled us to give you the best at the lowest prices. Manchester Wall Paper Store, 61 Spruce street.

There will be a men's meeting at Van the Harbor, 100 Asylum street, Hartford, Saturday, April 21, 8 o'clock. The next new Easter hat. All our fabrics

FEDERAL BUILDING

MASONIC SITE FOR SAME FORMALLY ACCEPTED BY U. S. GOVERNMENT

Much Opposition to This Section Likely to Emerge. Manufacturing and Business Interests in South Manchester Will Line Up Against Same.

The Post Office Department at Washington have this week notified F. A. Verplanck chairman of the Board of Trustees of Manchester and Lodge No. 73, A. F. and A. M. that they have accepted the offer of the masonic lodge here for a site for a federal building to be erected at the Center, the U. S. government will take place in time to meet the government's requirements.

The proposed site is located at the southwest corner of the masonic property fronting 140 feet on Main street and 150 feet on East Center street. The line will pass through the present masonic building which will have to be removed before the transfer of the site is made; or else give the U. S. government a satisfactory bond that such removal will take place in time to meet the government's requirements.

It is altogether within the probabilities that the masonic body will erect a new building that will be in harmony with the proposed surroundings.

They have reserved a building lot fronting 60 feet on East Center street and directly east of the proposed site for the federal building. They also will have two large building lots fronting on Main street directly north of the proposed federal building.

The acceptance by the United States government of a site for a federal building brings up the entire question with renewed energy and there are a number of conflicting interests disturbed hereon accordingly.

The manufacturing and business interests in South Manchester are strongly opposed to having a federal building erected at the Center and there is every reason to believe that vigorous measures will be instituted to prevent it if possible.

A site somewhere on Main street between Birch street on the north and Eldridge street on the south would satisfy the manufacturing and business interests here and there is every likelihood that pressure will be exerted to bring about this change.

The matter is quite likely to come in for much publicity. It is already the one great topic of discussion hereabouts.

A valuable delivery horse owned by E. E. Scramton of the Spruce street hardware and coffee dealers died last Saturday.

PRIZE WALTZ

At Cheney Hall Next Week By Military Band

The annual prize waltz to be given by The Military Band of Manchester will take place next week Thursday evening, April 27 at Cheney Hall. The entire band will furnish music, which will be continuous and Prof. C. Foley will prompt.

A prize of Ten Dollars in gold will be given to the best lady and gentleman waltzers. Three impartial out-of-town judges will determine to whom the money is to be awarded. The contest is open and all who choose may enter. During the next few days doubtless many of our young people will be qualifying for the contest. There are many young people in town who have been taught the art of waltzing by dancing masters and this will give all such an opportunity to put their qualifications to an impartial and practical test. Leader Arvid Weiman of The Military Band of Manchester has prepared the following choice musical program which will be played at the concert and dances for the prize waltz next Thursday.

School Tax

J. Watson Goslee has been awarded the contract to collect the two-mill tax for the Ninth School District Incorporated. He and Alvin W. Greene were the only bidders and Mr. Goslee being the lower will gather in the gold.

This task was originally assigned to the late F. W. Mills, who had been the collector for the district since it was incorporated, some fifteen years ago, but who was never called upon to collect a single dollar of taxes in the district. This is the first school tax to be laid by the Ninth School District Incorporated and is brought about because of the construction of the new school building at the Center. That will be the first school building for the Ninth School District Incorporated to own.

The other school buildings in the district belong to Cheney Brothers. The entire amount to be collected by the district is to be taken in two collections, the shadow of the first division of which is now moving over and upon us, as noted above.

The other collection may be taken next year or the year following, as the school board determine.

Our judgment, our experience and our services are at your disposal. Manchester Wall Paper Store, 61 Spruce street.

F. B. L.

A dance will be given at Cheney Hall Friday evening, April 28 by South Manchester Council No. 49, F. B. L. Benevolent Association. Sande's Orchestra will furnish music and Professor C. Foley will prompt. The following committee have the arrangements in charge: Alexander Hanna, chairman; John F. Miser, secretary; J. Watson Goslee, Herman Moore and Dr. W. W. Kungesser. The past winter has been a severe one on weekly benefit associations and has drawn heavily on their resources to meet the demands of their distressed worthy members. The F. B. L. Sick Benefit Association ready the money to enable them to carry on their good work and they look forward confidently for generous patronage at their dance next Friday evening. Help them along.

FIGHT UNTIL THE END.

Life can be made a success. It is not a question of climbing above poverty; it is a question of understanding life. So many of us have been lured away and fascinated by what turn out to be phantoms and false gods. We have had to wheel back and begin over again and fight against tremendous odds, and yet with all that life can be made a success, for success consists in doing right, in doing the best you can with what you have. Fight until the end.

Why Not?

If you have made up your mind to live in a town then stand up for it, if you know positively no good, then silence is golden. Do all you can to help along every man who is engaged in legitimate business. Do not send away for everything nice you want and still expect the home man to keep a stock to suit the whim of one or two customers. The success of your fellow townsmen will be your success. No man liveth unto himself and no man does business independently of his fellow business men—Ex.

Every Little Movement

To place your umbrella in a rack indicates that it is about to crack owners; an umbrella carried over a woman, the man getting nothing but the drippings of the rain, signifies contempt, when the man has the umbrella and the woman the drippings it indicates marriage; to carry it at an angle under the arm signifies that an eye is to be lost by the man who follows you; to put a cotton umbrella by the side of a silk one means "exchange is no robbery"; to lend an umbrella may be interpreted, "I am a fool"; to carry an umbrella just high enough to tear out men's eyes, and knock off men's hats signifies, "I am a woman"—Ex.

Transferred

Michael Donahue, who has had charge of Cheney Brothers Bigelow mill has been transferred to the velvet mill on Pine street and will be succeeded by Cyrus Wheaton, late superintendent of the mill which Cheney Brothers have been operating in Middletown, and which was closed last week. On Saturday night last Saturday night Mr. Donahue was very much surprised when he was presented with a gold watch and locket by the employees of the Bigelow mill. Mr. Donahue is held in high esteem by the employees of the mill and they took that means of showing their friendly feeling and wishing him success in his new position.

County Tax

George A. Conant, clerk of Hartford county has sent to each of the twenty-nine town treasurers in Hartford county his orders for the tax of one fourth of 1 mill recently levied by the county senators and representatives, which is payable into the county treasury on or before September 1. The tax is laid on the grand lists of the towns of October 1, 1909, which is the last of the grand lists equalized by the board of equalization. The total of the equalized grand lists is \$225,962,125 and a tax of \$56,490.63 will be raised. Manchester will pay \$3,408.27. Hartford pays the largest tax with over \$26,000, while Marlborough pays the smallest \$57,642.

Rev. Manning B. and Mrs. Bennett

who have been enjoying a few days rest out of town will return tomorrow. The parish has been in charge of Rev. F. B. Bartlett during Rev. Bennett's absence. Rev. Bartlett is enjoying the Easter holidays at the home of his parents, E. J. and Mrs. Bartlett of Pine street.

The Feast of Nature

The Feast of Nature was a grand festival revolutionary holiday, held on Ang. 10, 1788. A plaster image of Nature was erected in the Place de la Bastille, and the chief members of the convention, public committees and other functionaries knelt in adoration, which came first of malice, devotion and general delirium. The holiday celebrated the destined constitution of the republic.

THE END OF TUBERCULOSIS

Consumption—A Disease of the Past

By CHARLES C. DURYEE Consumption is distinctly a disease of the past, and it is well to look squarely in the face the fact that among the poor, who constitute a large percentage of the total population, diseases such as this which develop slowly and run a comparatively long course are apt to have little medical treatment, and even there is but a hope of recovery the family feels itself under the necessity of curtailing expenditures in every possible way. This is one of the chief reasons why the disease is so in a drain on community vitality. Why should consumptionisthesisthe to build hospitals, establish dispensaries and employ visiting nurses to stop this disease?

The Connecticut Guide

The Connecticut Guide has again made its appearance and is for sale at all the news stands. It has many new features which will prove of great value. Among them are the Connecticut Baseball schedule, showing where each team plays every day and a railroad map which will be of great value to the traveling man, and is thoroughly corrected up to the last minute. This little book has grown more popular with every issue, and no business man can afford to be without it on his desk for ready reference. It is only one of all the trolleys and steam road time-tables given in the most convenient form, but also a complete hotel directory of all the leading hotels in Connecticut. The Guide is especially designed for the use of the busy man, and that it is meeting the popular demand, thousands will testify. Do not depend on an old Guide, but be sure and get the latest issue.

Going Some

That it is not always easy to pull off a minstrel show is known by a great many who have had the experience, but the public generally is not aware of this. An illustration of this was brought forcibly to mind by the director of the minstrel troupe who furnished the opening entertainment at the Scandia bazaar last Tuesday evening.

Rich—Hutchinson

Richard G. Rich, son of Mrs. G. F. Rich of this place and Miss Margaret Hutchinson, daughter of Dr. and Mrs. Hutchinson of New York, were married as the residence of the bride's aunt, Miss Emma Eldridge of Main street last Monday afternoon by Rev. W. F. Taylor, pastor of the North Methodist church. The ceremony was performed in the presence of relatives only. Following the ceremony the reception was held which was largely attended. The bride was attended by Miss Frances Ackley Grant of New York, as maid of honor and Harry R. Cheney of this place was groomsmen. The bride wore a gown of white satin trimmed with Duchesse lace. She wore a well caught up with orange blossoms and carried a bouquet of white roses. The bridesmaid's gown was of white crepe meteor and she carried the bride and groom were assisted by the maid of honor, Dr. and Mrs. Hutchinson, Mrs. R. G. Rich and Miss Emma Eldridge Refreshments were served by a Hartford caterer. The bridal couple were the recipients of a large number of wedding gifts.

K. of C. Ball A Success

The tenth annual ball given by Campbell Council No. 573 K. of C. in Cheney Hall Easter Monday evening was the most enjoyable of any of its predecessors. It also attracted the largest gathering of any that have gone before. The Bosman & Hatch orchestra of Hartford furnished the music for the concert and dance numbers. The orchestra was stationed on the stage and was screened from the view of the dancers by large palms and ferns. Following the concert the grand march was formed, led by Floor Director Daniel F. Rens, followed by fifty-three couples. The volitions of the grand march were directed by Professor Smith who also called off the square dance. The grand march dissolved into a lancers and from then on a program of twenty numbers was enjoyed. During intermission refreshments were served in the lower hall and throughout the evening a punch

THE HALL OF FAME

THOMAS JEFFERSON—"Author of the Declaration of Independence—of the Virginia Statute for Religious Freedom and of the University of Virginia." At his own request these words were carved upon his tombstone. Jefferson apparently regarding these achievements as more important than the fact that he served two terms as president of the United States. He was born at Shadwell, Va. April 13, 1743, and died at Monticello, Va. July 4, 1826. Secretary of state 1790-3. Vice president 1797-01. President 1801-9; elected as candidate of Democratic-Republican party, which he founded. It was through Jefferson that the vast domain of the Louisiana territory was added to the United States and also that of the Oregon country.

CAUSE OF FEMALE SUPERFICIALITY. Women Have Too Much to Do and No Chance to Specialize.

THE trouble with most of the women in the world is that they have too much to do. They are not able to specialize in one thing. We predict failure when we see a man following up two or three lines at once, but what about the woman who has to be nurse, housekeeper, mother and society woman all at the same time? The wonder is not that some poor soul falls in some branch, but that all women do not make botches of their lives.

BAZAR DRAWS WELL. Scandia Lodge Drawing Big Audiences To The Armory. The second grand bazar of Scandia Lodge opened in the Armory last Tuesday evening and drew forth a large audience.

Horses Ran Away. An exciting runaway occurred at the Central Monday morning when a pair of horses belonging to the Hartford Bit Posting Co. ran away causing considerable commotion for a few minutes.

Attending Convention. The annual spring meeting of the Hartford County Sunday School Association will be held in the Farmington Avenue Congregational church in Hartford this afternoon and evening.

The Clary Cure For Wrinkles. Covering the face with a certain clay imported from Hungary is the latest beauty bid. The clay, which has been used for centuries for softening the skin and erasing pores, is applied liberally over the face at night.

St. Marys Annual. At the annual meeting of St. Marys church held last Monday evening the reports of the pastor, Rev. M. B. Bennett, and of the various officers of the different societies connected with the church were presented.

Heating Contracts. If you have a job of Heating to be done for your factory, home or office let me talk about it and I will call to talk it over with you. No matter whether you want Steam, Hot Water, or Hot Air Heating, it's all one to me. I can do the job and do it right and reasonable.

Obituary. John Sargent of Newman street died at a private sanitarium in Norwich last Monday, where he had gone for treatment for heart trouble. The body was brought home Tuesday and the funeral took place last Wednesday afternoon, Rev. F. B. Bartlett officiating. Interment was in the East cemetery.

Red Taps in Japan. A European resident of Japan, who lives some distance from Tokyo, was sent a tax bill for a farthing (one-quarter of a cent). Since it was a very inconvenient distance to the tax office, he paid no attention to the bill, but after a time he received a threatening notice from the authorities ordering him to pay it. Not being allowed to pay taxes by post, he was obliged to make a journey costing several hundred times the amount of the tax to pay the bill. This farthing tax was collected three times a year, and he attempted to get rid of the annoyance by making other journeys by paying the tax for a year in one sum, but this the authorities would not permit.

Obituary

JOHANNA WOODHOUSE

Miss Johanna Woodhouse, daughter of James H. and Mrs. Woodhouse of 55 Grace street died this morning at 3:30 after a three months illness with lobar pneumonia. Her funeral will take place Monday morning, with a solemn requiem high mass at St. James church. Interment will be at the St. James cemetery.

Miss Woodhouse was a native of South Manchester, was 18 years old, and was a member of the Children of Mary of St. James church. She was well and popularly known and had a large number of admiring friends, by whom she was highly esteemed. She was employed as clerk in her father's grocery store and was always courteous and obliging to the patrons of the store by whom she will be sadly missed.

Besides her parents she is survived by four sisters and one brother as follows: Elizabeth, Nellie, Agnes, Rose and Charles J. The bereaved family have the deep sympathy of their many friends.

MICHAEL ROGHAN

Michael Roghan died at his home on Oak Grove street yesterday morning after a lingering illness with dropsy. His funeral will take place tomorrow morning at nine o'clock from St. James church where a requiem high mass will be offered for the repose of his soul. Interment will be at the St. James cemetery.

Mr. Roghan was a native of Ireland and had been employed at Case Brothers Highland Park paper mill for a number of years. He was troubled for a long time with dropsy and of late had not been able to follow his usual occupation. He is survived by a daughter, Miss Bridget Roghan and by two sons, Michael and Francis, of whom he was very fond.

WALTER SCHACK

Walter the ten-month old son of Edward and Mrs. Schack of Hackmatack street died last Saturday from an attack of pneumonia. The funeral took place Monday afternoon, Rev. Henry C. Beckman, pastor of the German Evangelical Lutheran church officiating. Interment was at the East cemetery.

Show Case Arrived

After many delays the refrigerator show case which Robert Kitter ordered for his meat market on Bissell street has arrived and he and his men worked up until two o'clock this morning setting it up and making necessary changes in the meat market. The case is a word in meat market furniture and will be admired by the trade. It is of quartered oak with plate glass on sides front, ends and top. The back is equipped with beveled edged mirrors and also three sides of the refrigerator which is in the center of the case. Plate glass shelves hold the different cuts of meat and display them in excellent fashion keeping them away from the heat and they are hand held until the customer buys them. The refrigerator in the center keeps the meats in sanitary condition all the time.

Mr. Kitter has doubled his floor space in the front part of the store and will thus be the better enabled to serve his steadily increasing trade. He is offering some special price inducements for Saturday shoppers which appear in another column and persons desiring to save money on their meat purchases will do well to call at Kitter's market tomorrow.

Co. A Wins Trophy

The first shoot for the Church trophy donated by Captain Earl D. Church and to be competed for annually by companies of the First Infantry C. N. G. was held at the range of the state armory last Saturday evening and resulted in a victory for Company A of Hartford. The A soldiers had a total score of 596 and their nearest opponent was Company B of New Britain with 484. The competing companies were A, B, H and K of Hartford, E and I of New Britain and G of this place.

Another Bazaar

At a meeting of the Board of Directors of Washington Loyal Orange Lodge Corporation held last evening it was voted to hold a five-act bazaar at Orange Hall the first week in October, opening Tuesday and closing Thursday evening.

SUDDEN DEATH Young Wife Passed Away Within Forty Eight Hours

Johanna Aurora Sundman, wife of Carl Sundman of 7 High street died at midnight Wednesday from a most malignant case of diphtheria followed by pneumonia. She had been ill but forty-eight hours. The funeral will take place tomorrow afternoon with services at the residence at 2 o'clock by Rev. W. P. Anderson. Burial will be at the East cemetery.

Mrs. Sundman was a native of Sweden, was 35 years old and leaves a husband and two children, a girl about seven years old and a boy about four. Mrs. Sundman was able to do her household work up to and including Monday last when she got her husband's dinner as usual. She was taken suddenly and violently ill during the night and steadily sank down to an unexpected death. It was a great shock to her husband and children, no less than to her friends. She was well and popularly known in this community by a large circle of admiring friends who are protesting their condolences and sympathizing with the greatly distressed husband.

It will be recalled that but a short time ago their little daughter was taken with diphtheria and was brought to the Hartford hospital for treatment. The child recovered, much to the great delight of the loving parents. The little girl is distinguished for her remarkable beauty and is a great favorite wherever known.

This indeed is a sad visitation for Mr. Sundman and also for his two darling children who are thus early left without the cherishing care of their beloved mother.

The body had to be placed in a copper casket and immediately sealed. A wooden outer casket was also used. The premises had to be fumigated also as a further precaution against the further spread of this dread disease.

Committed Suicide

Frank Manning of Hackmatack street committed suicide last Tuesday night, by shooting himself in the head with a revolver while in an open lot at the lower end of the Cheney farm. Medical Examiner Dr. W. B. Thibault made the examination and declared it to be a case of suicide. The body was taken to the undertaking rooms of Watkins Brothers and prepared for burial. Interment took place yesterday forenoon at the East cemetery. Not a single mourner appeared to accompany the body to the grave.

Mr. Manning was a native of Germany, was 45 years old, was twice married, but had no children. He followed the occupation of silk weaver here, being in the employ of Cheney Brothers. It is understood that family quarrels led to his rash act whereby he ended his mortal career. It was planned with deliberation and executed with determination. Two bullets were fired to accomplish the result both striking him in the head. The first one evidently struck him a glancing blow. The second one entered the brain causing instant death. He left his wife four weeks ago and was boarding with Fred Fredericks of Hackmatack street. He quit his work one week prior to his suicide. He dressed himself in his best clothes before he left the house for the last act in the drama of his life. His widow was also twice married.

VEVATIOUS DELAYS

Mails To Be Held Up By Recent Order of P. O. Dept.

A recent order of the Post Office Department at Washington makes it imperative that all mail matter received at all the post offices in the United States be carried over by parcel and divided by classes, the number of pieces received and sent out being named in each class separately. This order goes into effect May 1st, 1911 and includes May 31st.

It will readily be seen that this will entail vexatious delays in receiving and sending out mail. No additional help is to be provided for the accomplishment of this extra work. It appears to be that upon the public to bear this added annoyance and in so far as can be seen here no particular benefit is to accrue to the said public as a result of this hindrance in forwarding and receiving mails.

Collision Last Night

While Mrs. Oliver D. Miner of South Main street was driving on Adams street in Hillardville last evening about 9 o'clock W. W. Harris of 20 Park street came along in a motor car and into the Concord buggy breaking it generally, but fortunately not injuring either Mrs. Miner or John G. Peutland who was with her. Mrs. Miner drove out into the ditch on her right hand side in order to avoid the auto which came along without lights. The horse did not run away. The buggy was a new one purchased about two weeks ago from B. L. McGurk of Hartford.

Winning Fight

Word received from Joseph Davidson of School street this morning brings the information that he is feeling very much better. He had an attack of pneumonia but it appears now to be under control. Mrs. Beville McGinn Hayes who was neighbor to him for many years is nursing him and he is doing well under her care. Mr. Davidson is 85 years old and has always been blessed with remarkably good health.

Sewer Work Started

Sanitary Sewer To Be Constructed At Once

The South Manchester Sanitary and Sewer District have started a gang of men at work on Main street near the south terminus of the tramway. They are making excavations for a twelve-inch sanitary sewer which is to be laid up Main street to School and down School to the Rogers block where it will be attached to the sanitary sewer which is located at that point. The south end of the new sewer is to be coupled to a sanitary sewer which is imbedded somewhere on the grounds of the South Methodist church. The old pipe did not give an accurate diagram of the location of this sewer and as a result Engineer George A. Johnson has to have the men dig about in different parts of the grounds in order to locate the pipe.

It was intended to have this sanitary sewer cross the school lawn on the 4th side of Main street near School. Should the future demands of the North School district call for an additional building there it would not be desirable to have such a sewer beneath the building.

At the present time there is a sanitary sewer line in the dry brook along the points named above. This is a cement pipe, is not properly graded, does not carry off the sewage satisfactorily and is altogether inadequate and old. It is not properly built to grade and will be entirely displaced by the more modern line. The new pipe line will be scientifically constructed under the direction of Engineer George A. Johnson and it is believed will meet the needs of that section for many years to come. It is not at all certain at this writing that the laying of the East Side storm sewer will be started this year. The present undertaking is of considerable proportions and may take up most of the summer and autumn in its completion.

Style-Fit-Comfort

Manufacturers of women's shoes spend part of the purchase price in mere extravaganzas and foolish whims. They appeal to the eyes only. But the makers of "Queen Quality" shoes for women waste no time or money on this sort of thing.

They build a shoe that gives you absolute value for every cent it costs. It is all SOLID WORTH. Properly fitted by us, it will give you comfort from the first hour you wear it, and satisfaction always.

Geo. W. Smith
