A DESIRABLE 7 PER CENT. INVESTMENT M. RUMELY & COMPANY 7 Per Cent. Preferred Stock Preferred as to Assets and Profits

The stability and steady growth of the harvesting machinery ousiness have been amply demonstrated. The M. Rumely Company, established in 1853, is the largest manufacturer of threshers and kerosene brining tractors for , owing in this country, and is the third largest manufacturer of general harvesting machinery. Ample security for the preferred stock is afforded by net assets of 21/2 times the preferred stock, and net earnings at the rate of more than twice the dividend requirements. The plants cannot be mortgaged without the consent of

three-fourths of the preferred stock. A very heavy sinking fund to retire the stock up to 115 is provided. We are dealing actively in this stock, and recommend it for

investment. Quotations and full information will be furnished upon request. Present price to net over 7%.
