An Investment

For an investment 1 have a house that will net a person 10 per cent on money invested without considering the natural rise in value of the property through its particular location.

Small Farms

I have a farm of 23 acres located that a person can reach it easy and still have other employment in town. The house is in good condition, the land all level and all together. A liberal mortgage can remain and the price asked is \$2000.

A 10 Room House

Located near the Center, with all modern improvements, including electric lights, cement cellar, hot and cold water, two toilets, bath, hard wood floor and large verandas. There is a barn connected which will provide for two horses besides a wagon shed. The house is in the best of condition and can be bought for \$4,000.

Building Lots I Have Building Lots In All Parts Of The Town At Prices To Suit All.

Insurance

If you wish to buy accident, life or health insurance I have it to offer in all its branches. Fire insurance on your house, your business or your home contents, written in strong companies. Plate glass, burglary and theft insurance is another line that I handle, or if you are thinking of taking a trip sor a day or two days you can be insured against accidents by purchasing a Travelers' Accident ticket. Liability insnrance on your automobile, or your employees, public fiability or insurance on your boilers or steam heaters in fact everything in the line of insurance can be written and is being written brough this agency.

and when the building, is erected can

make the surroundings very attractive.

It is probable that the o'd church will

be torn down when the new one is com-

pleted and there is talk now of building

a new parsonage also, so it will be seen

that the church people intend to enter

into the project with the view of com-

pleting the job in first class shape.

There will be nothing done towards

the new building for at least two years.

In the meantime a committee will be

appointed to have plans drawn for the
