There Is Considerable More In Running A Real Estate Business Than Writing Advertise. BOILED DOWN FOR BUSY READERS. nents and tacking up signs. There are many propositions presented to a man in the real estate business which, if he intends to remain in business, he cannot place his stamp of approval upon or recommend to prospective buyers. Bargains in real estate are what all agents desire as it makes the selling easier and his Yurgens to J. Frank Magnire will be commission is returned for his labor faster. To give a full description of all of the real bargains that I solemnized in St. James church nex have to offer would require pages, but the following have been selected as examples from them all. Here-Tue day morning at nine o clock. A son, their first born arrived in the

household of Stewart and Mrs. Dillon A New Two Family House: of East Center street last Monday even

side, located in a good locality, with all moder. improvements. Has just been completed and spic and span in every way. \$4,400.

An Investment

For an investment 1 have a house that will net a person 10 per cent on money invested without considering the natural rise in value of the property through its particular location.

Small Farms

I have a farm of 23 acres located that a person can reach it easy and still have other employment in town. The house is in good condition, the land all level and all together. A liberal mortgage can remain and the price asked is \$2000.

A 10 Room House

Located near the Center, with all modern improvements, including electric lights, cement cellar, hot and cold water, two toilets, bath, hard wood floor and large verandas. There is a barn connected which will provide for two horses besides a wagon shed. The house is in the best of condition and can be bought for \$4,000.

Building Lots I Have Building Lots In All Parts Of The Town At Prices To Suit All.

Insurance

If you wish to buy accident, life or health insurance I have it to offer in all its branches. Fire insurance on your house, your business or your home contents, written in strong companies. Plate glass, burglary and theft insurance is another line that I handle, or if you are thinking of taking a trip sor a day or two days you can be insured against accidents by purchasing a Travelers' Accident ticket. Liability insnrance on your automobile, or your employees, public fiability or insurance on your boilers or steam heaters in fact everything in the line of insurance can be written and is being written brough this agency.

WILL BUILD NEW CHURCH

Swedish Lutheran Congregation

To Have New Edifice

A meeting of the members of the

Swedish Lutheran church was held in

the church last Wednesday evening at

which it was definitely decided to

build a new church. The new structure

will be erected just north of the pres-

ent church on land siready owned by

the church and will front on Church

and when the building, is erected can

make the surroundings very attractive.

It is probable that the o'd church will

be torn down when the new one is com-

pleted and there is talk now of building

a new parsonage also, so it will be seen

that the church people intend to enter

into the project with the view of com-

pleting the job in first class shape.

There will be nothing done towards

the new building for at least two years.

In the meantime a committee will be

appointed to have plans drawn for the

where they can be examined and

studied by tie members of the church

so that any changes or altera-

tions can be made and when the build-

It was determined at Wednesday

night's meeting to have a brick struc-

ture and no work will be taken up until

A committee consisting of Rev. P. J.

Leander, Theodore Anderson, Algort

Johnson and Alexander Berggren was

appointed to bring in a plan for raising

funds and report at the next meeting

The present church has for a long

time been inadequate for the demands

that have been made upon it and the

done to start the project until the

action last Wednesday evening. The

At that time he received a cut on the

FOR THE AFTERNOON

THEY CAN NOW GET RELIEF.

Try This Remedy at Our Risk. It is bad enough to have the disfig-uring eruption of eczema and similar skin troubles, but the terrible itching and burning make it ten times worse. At last we have a remedy for skin diseases that we can recommend. We even give back your money if this new remedy of ours, Saxon Salve, does not satisfy you perfectly.

Saxon Salve is doubly valuable to all who have eczema or any skin disease because it both allays the itching and burning in a few moments, and exerts a powerful curative effect

at the same time. It combines soothing and healing properties in a form that is absorbed by the skin, making its curative ef-

STYLES MUCH MORE SIMPLE Michness of Attire That Has Marked

Past Seasons Has Been Considerably Modified. This year the girl who is trying to adjust the balance between a selfrespecting smartness of attire and a minute income has everything on her side. Compared with last year's richness and eccentricity, which made the task more than puzzling to the home dressmaker, there is a notable revival of the severely simple.

Hats with hardly any trimming at all, braid and buttons in lieu of embroideries, simply cut dresses of one color only, and the plainest of coats and skirts, are a few of the sweeping changes in store for us. There is very little doubt that the majority of women will welcome the new order of Foremost among the revivals of the

winter is the return to favor of our old friend, the blouse, which suffered a period of almost total eclipse during the summer, when the all conquering "little frock" swept everything before it. It comes back absolutely in its earliest and most elementary form. The shirtwaist was the shape in which the blouse was first made known to us, if one excludes the old Garibaldi. and this year it will reign again in all its trim simplicity With the shirt blouse comes another old friend that has been long neglect-

ed. The smartest and most fashionable belt for the coming season will be made of plain patent leather, fastened by the simplest and most unassuming of buckles.

An Aid to Beauty. Camphor water applied to the nose with a soft cloth at intervals will reduce the pores of the skin. Persons not susceptible to colds should try walking briskly in the rain without an umbrella as a tonic for the Equal portions of pure rice powder
