Acother v. ry striking feature of the Kinemacolor pictures was the Readham Drill. This is an institution where or phan boys are cared for at public expense. These lads are brought up to a wonderful state of efficiency in the matter of drilling. The drill shown took place in the open on a level field of the wide spreading grounds of the institution. Apparently two handred boys of varying sizes but all matched in battalions executed some of the most marvelous drills ever witnessed. They formed hollow squares, circles large and small, plain and maltess crosses and the initials G. R. surmounted by the crown, the signature of King Main St. George. The boys were put through bese evolutions without a word of nmand. The signal for the change Geo. W. Smith

The Great Glenwood Range

THE 1912 GLENWOODS are now on exhibition at our store, and we especially invite your inspection. By inspection, we mean a thorough examination. Take them all to pieces, if you like; turn them inside out. Look at the triple oven back, ASBESTOS LINED. Note the DEPTH of the FLUES. Lift one of the covers; compare it with any you have ever tried; it will outweigh them all. Then examine the FINISH, finer than anything you have ever seen, and you will get an inkling of what we mean when we talk about GLENWOOD QUALITY.

Three points about the Glenwood ought to weigh heavily with each intended purchaser of a new range:

GLENWOOD REPUTATION-One of the oldest of the New England foundries, the Weir Stove Company, has maintained from the first a reputation for high grade work, which has never been questioned.

We absolutely guarantee satisfaction. If there is a Glenwood owner in this town who is not perfectly pleased, we do not know it. A Glenwood Range is a safe investment

GLENWOOD CONSTRUCTION-Only the very best materials go into Glenwood Ranges. Only well paid workmen are allowed to handle them at all.

Better than other manufacturers, the Glenwood people seem to have obtained the perfect balance between fire box and ovens, and ovens and flues. The result is the highest baking capacity with the least fuel.

GLENWOOD DURABILITY-The castings used in Glenwood Ranges are, by actual test, uniformly heavier than those used in other ranges. This fact, added to the high quality in material and construction, makes the Glenwood the most durable range on the market.

As to prices-there are Glenwoods at \$32.50, \$36.50, \$47.00, \$55.00, \$56.00, \$65.00, to \$95.00, suitable for every size of family and for any style of home. We have just the range to suit your needs. Whatever you pay, the Glenwood is the cheapest in the end.

We have begun a systematic agitation of the American people tending to teach the theories and practices of fire prevention, and the work of accident prevention is a complementary step in the same direction.

Coming as this step does from the manufacturers of the country, the employers, there is reason to believe that the work will be carried out in large detail and should be supported by the rank and file of citizens and the legislations of the problems and file pancy. And there is something work to her than her noise and file pancy. And there the whole problem is difficult and complicated, sind much thought and time and some agreementation will be neces.

MEETING VOTES TO AC

At the pecial meeting of the voters of the Ninth School District. Inc. held in the Assembly half last Wednesday evening the meeting vat d to co-operate with the firm of Cheney Brothers for the estat lishment of a Textile School of Manual Arts. The school is to be opened by the fifteenth of April act and will be in the questions of the old mill lately vecated by Cheney Brothers clerical force. The cost of the school is to be forme by Cheney Brothers and the Town of Manchester.

The meeting was called to order by Howell Cheney, and W. C. Cheney was chosen as chairman, Charles R. Hathaway acted as clerk.

The graduation exercises of the South Manchester High School Will occur at High School Hall next Wednesday evening, April 3, beginning at eight o'clock. There are even speakers only, the number entitled to this honor being determined by tests of scholarship. The High School Chorus will add to the amenities of the cocasion and enliven the moments with song. The diplomas will be presented by Howell Cheney, chairman of the school board.

There are thirty-four members of the graduation class, the largest number.
