Sale Commences Wednesday, October 16.

Our Fifteenth Birthday Celebration is the most important one this firm has ever held. Since April 1 we have been building the magnificent nine-story edifice now nearing completion, and on anniversary of our fifteenth birthday we shall open five complete floors. Not only the but Hartford is to congratulated on the opening of our new building, on the growth of her commercial prestige and on the

We point with pleasure to our record. Fifteen years ago in a limited way we opened at our present location and though history proves that many years, usually a lifetime, is necessary to build up a great retail business, our store from the first won the good will and vast patronage of the people of Connecticut. It is evident such a store as ours was needed. Every year has seen a steady continuous growth. It was this store which set the pace which blazed the way and by its constant and never-ceasing efforts for the improvement of service, betterment of values and giving reliable merchandise at lowest possible prices made Hartford the center of retail trade in all Connecticut and southern Massachusetts.

We are proud, happy and thankful and this, our fifteenth anniversary, shall be marked by a sale of such magnitude and value-giving as has never before been equalled. Come though it be a hundred miles, the anniversary bargains will pay you well and be sure and get a free souvenir if you buy a dollar's worth or over. Every department extends a hearty birthday welcome, whether you come to buy or visit.

UR FIFTMENTE ANNIVERSARY we celebrate by opening five floors of our magnificent new nine story building, the imposing edifice which dominates the retail center of Hartford.

Its exterior of dignified beauty, its interior most thoroughly equipped to the smallest detail and pronounced by experts to be the most perfectly appointed department store building in any city the size of Hartford in the United States. We may well be pardoned our pride on this our Fifteenth Birthday, for mightily has the little accord of 1897 grown to the wide spreading oak of 1912.
