Kept Up to first it.

Balton, Mans.—Freddent Taft is made the following statement on the Productial campaign:

Thave every reason to be satisfied with political conditions. I have been simply overwhelmed for days many increase in the cost of living.

Thave svery reason to be satisfied with political conditions. I have been simply overwhelmed for days past with letters and newspaper clippings showing the brend of the tide toward the Republican party, its platform, and its candidates. I have been aspecially gratified by the news from the Northwestern States. Chairman Rillies of the Republican National Committee, who has been visiting the Northwestern States. Chairman conditions all parts of these faires bring mont gratifying evidence of Republican confidence and activity with sarnest, desternmental to the control of Republican principles and candidates. The population of the Northwest for Republican principles and candidates. The population of the Northwest for Republican principles and candidates. The population of the Northwest for Republican principles and candidates. The population of the Northwest for Republican principles and candidates. The population of the Northwest for Republican principles and candidates. The population of the Northwest for Republican principles and candidates. The population of the Northwest for Republican principles and candidates. The population of the Northwest for Republican principles and candidates. The population of the Northwest for Republican principles and candidates. The population of the Northwest for Republican principles and candidates. The population of the Northwest for Republican principles and candidates. The population of the Northwest for Republican principles and candidates. The population of the Northwest for Republican principles and candidates. The population of the Northwest for Republican principles and candidates. The population of the Northwest for Republican principles and candidates. The populat

The population of the Northwest lacing us, could not select a worse time for proposing to the American particles and thrift and attachment to American Institutions. The farmers of that part of the Union were never no prosperious, and they do not mean to risk the loss of their prosperity abandoning the Rapublican party, by abandoning the Rapublican party, those policies have conditions that the loss of their prosperity. They are convinced that the trust that the trust third-term candidate is no longer in the loss of their prosperity. They are convinced that the trust the trust that the trust the trust that the trust the population of the Northwest lacing us, could not select a worse time for proposing to the American worker—as in effect they do propose, by urging a reduction of the tariff—to consent to lower wages, with a view to more, open competition with labor abroad. Wages must be kept up, and the way to keep them up is to keep the tariff protective, and not suppose that the loss of their prosperity abandoning the Rapublican party, those policies have convinced that the trust the trust that the trust the propose in dealing with the trust the trust that the trust is the bacen of the banks nomething like \$7,000.00 has been transferred through thim. On the contrary, he considers it as all.

How dear to my heart is the bacen of chilbood.

As ford recollection brings it to my mind!

The prokers that fed in the deep-tangled on accurate that he does and things of that sort they mind!

The propose in dealing with the trust in the banks nomething like \$7,000.00 has been transferred through them. On the contrary, he considers it as all.

"It is all in the work," he says.

The propose in dealing with the trust in the banks nomething like \$7,000.00 has been transferred through them. On the contrary, he considers it as all.

"It is all their business."

But Mr. Sturges employees are not been transferred through them. On the contrary, he considers it as all.

"It is all their banks nomething like \$7,000.00 has been transf They are convinced that the choice is between the Republican platform and the other hand the Democratic platform, with its , and of a tariff for revenue only, and its candidate, Governor Wilson, who said in an address at Williams Grove, Pa, that the farmer does not nee, protection. It is and powerful they may be."

To revenue only."

If propose in dealing with the trust question to keep the great combinations of capital within exactly the tome of capital within exactly the same control as the city or cross-roads grocery pays a Feedral license for selling the services of the small banker "off La Salle street," but still requiring the services of the exchange broker, will talk about wasnot too expensive to cook; The salt-noting bacon, the hick'ry-smoked bacon. The big fitch of bacon that hung on the man with a real thirst for work and contempt for even a brief vacation has done for Chicago business.

In dreams I recall, though 'tis ever so dimly, '

Lake the trouble to return it? How did he know the address. If he was stricken by remorse why had he not brought back the fountsi pen, the few odd shillings, and the pocket knife as well? As he stood looking from the watch to the restorer, who certainly had not the appearance of a thief, Mr. Markwick's thoughts momentarily flew back nearly a quarter of a century.

"Who is Jem Davidson?" asked Mr. Markwick's thoughts momentarily flew back nearly a quarter of a century.

"He was back at Chesterborough—a boy again. In his case the child had not been father to the man. What a young fool he was in those days. He would have given the world for Murie Castelet, at whose death the capacity for those more romanitic sensations had passed away. Although he had married a few years later and lived many drinks. We grew quite chummy.

I knew I should score if I got to the bettook himself to a lonely farmhouse, and there we compose a song that would live forever in the learned to compose a song that would live forever in the learned to compose a song that would live forever in the learned to compose a song that would live forever in the learned to course of the course of the results and pianolas of the people.

Peace, perfect peace, he found at the farmhouse. The old couple who asked no questions, and there were quiet people who asked no questions, and there were no mosquitoes. The scenery, as well, was perfect; soft, green meadows dotted with running streams. Yet somehow the great song would not come, and with running streams. Yet somehow the great song would not come, and some father to the man. What a young fool he was in those days. He would have given the world for Murie Castelet, at whose death the capacity for those more romanitic sensations had passed away. Although he had married a few years later and lived to play the amateur detective to the world for hough the amateur detective to the song that would not come, and the remark would not come, and the years of the proving the farmhouse. After the found in the found to

technical colleges have even gone so far as to publish in their college paper an outline of a very elaborate organization by which employment can be provided for new graduates through the son say "I have no time" so times, and the work was of such tracter that it could be done out the hanking bours as well as durban, that he resolved to see just much time his son did have. He made the request on a Saturday ling, when the bank closed at and, after lunch, the banker his eye on his son to learn how sent that afternoon. Along about sock the son came dewn stairs, and for a stroll, crossed the fields river bank, sat down beneath a lighted his pipe, read the sport-section of a newspaper, and after no went to sleep. His father send him at 6 o'clock, felling him the three hours that he had wast-

at his work; there is not one who cannot find time for extra work if he but undertake to do so. It is the busicest man of whom most is expected, and who finds time for what is expected of him. He has no time to allow in the daytime, indeed would feel that he were committing a crime to do so.

The young man who finds time for what is expected of him is always the one to win success. Therefore N. Yall.

FAIL C. ON THE HUMBAN CODE.

one to win success. Theodore N. Vall recently said, in the course of advice to men in the general office of the Bell Telephone company: "This business of ours is big enough to occupy Are Manifest. we can devote to it, and those among you who sealously devote both thought and time to it, are the ones duction of bituminous coal in Pennsylwho will succeed to its greatest revania last year, together with the sponsibilities and rewards." Mr. Vail's number of laborers engaged and the

Learnery and Workers Are the

will be hard. Two young men of the son, who held a clerkship class of 1912 in one of our leading technical colleges have even gone so

that the three hours that he had wasted in also work that he asked him to do. The banker told his son that he would have to better employ his time if he ever arpected to succeed him at the head of the bank.

How many other young men there are who amploy this same arruse—"I have no time." They employ it in the house when asked to attend cortain duties, in school when directed to undertake tracks, in the workshop, counting room and effice, when requested to de arter work. These young men havariably hold subordinate positions all their lives unless they hetter employ their time.

The fact of the matter is, there is no young man so busily engaged in anything that he utilizes all his time at his work; there is not one who cannet find time for extra work if he

sponsibilities and rewards." Mr. Vall's number of laborers engaged and the value of the product, will show that value of the product, will show that less than \$800 worth of coal was propushed as it ought to be. the mines. TASTEFUL CAKES FOR PAPER

Paper bag cooking seems to me fest for plum cake, which needs to be made well done throughout with-out hardening the outer part to a lava crust. Wherefore, the place of honor for White House plum cake, the veritable article provided for the last three incumbents of the White House, I am sure the inventor and compound-er of it, the excellent Mrs. W. H. Wil-son of Nashville, Tenn., will not merely forgive but applaud this infringement upon her copyright, since she is the soul of generosity, no less than the queen of cooks, and high priestess in the fine art of cake making.

well they are as low as possible for merchandise of good quality. Here is, verbatim, her receipt for: Men's Part Wool Union | | Women's Fine Hosiery President's Fruit Cake.-One pound utter, one pound sugar, twelve eggs, eaten separately, one pound flour, browned and sifted, four and a half spliced heel. It's good qualipounds seeded raising, one and a half pounds homemade citron, one glass grape jelly, two teaspoonfuls melted chocolate, one pound crystallized Women's Pure Silk Hose cherries, one pound crystallized pinepple, one pound blanched almonds cut fine, one pound shelled pecans, one tablespoon nutmeg, one-half tablespoonful alspice, one-half teafinished with double sole and spoonful cloves, one-half glass cordial mixed with spices, one glass grape Misses Fine Ribbed Hose juice or whiskey. Soak almonds over night in two teaspoons rosewater. Soak fruit over night in grape juice or whiskey. Cream butter and sugar light; add well beaten yolks, then cordial and spices, jelly and choco-

late. Next, add beaten whites and then fruit rolled in some of the flour. Add nuts last. Bake or steam four to six hours. Use either large or small molds. If steamed, dry off in slow oven one hour.

Wear like iron-linen her Instead of steaming, cook either in in molds, lined with paper, obtained by cutting up a paper cooking bag, and sealed inside other bags, or else Men's Winsted Wool in cases made from the bags, or in Garments \$1.00 small bags very well buttered.

> I wonder was it the heady appetite of youth which made spice cake my special delight? Cream a big cup of butter, beating into it, one after another, seven yolks of eggs. When very light, add two full cups of light brown sugar, a'cup of black molasses. the best obtainable, a small tumbler of blackberry cordial, a tablespoon ful of powdered alspice, half as much powdered ginger, a teaspoonful pow-dered cloves, three grated nutmegs, a nd black pepper, and the dusting of cayenne. When all these are beaten in smooth, add four cups f flour lightly browned and sifted twice with half a teaspoonful of baking sods. Putting the flour in warm made the cake lighter. If the batter seemed too stiff—it ought to stir freely, but not run very readily—a little cream was added, mixed with a heaping tablespoonful of grated chocolate. The cake was allowed to rise fifteen minutes, then baked in quick heat. In a paper bag, the same end would be gained by setting it on the grid shelf inside a sealed bag. just as the gas was lighted, turning it

on only half at first, then increasing the heat when the cake had had time to rise. Spice cake meant .. iso silver cakenotwithstanding eggs were so plenty, we were never permitted to waste whites. For the silver cake, cream a large cup of butter very light, adding large cup of butter very light, acting to it three generous cups of warm sifted sugar and half a cup of thick cream. Beat hard five minutes, then add the strained julce of a large lemon and four rather scant cups of lemon and four rather scant cups of world for up! teaspoonful of soda. Mix smooth, then fold in the whites of seven eggs, beaten very stiff with a pinch of salt and half a teaspoonful of lemon juice. Flavor with almond and rosewater-a spoonful of each. Three parts fill paper bag molds or tin ones lined with greased paper secured by cutting up a paper bag, seal inside another bag, lightly greased, and cook as directed for spice cake.

Gold cake baked in layers, and used alternately with silver cake, looks very delicious and tastes even better. Especially if the layers are put to-gether with boiled frosting enriched with raisins, nuts, and tiny bits of crystallized fruit. To make gold cake, 55 heat and sift twice a pound of sugar, work it into half a pound of butter. creamed very light, add the strained juice and grated yellow peel of a large sweet orange, half a cup of sweet cream and the yolks of twelve eggs, beaten very light. Sift two teasurements of haking powder with a spoonfuls of baking powder with a pound of flour. Sift the flour a second time, and put in by light handfuls, stirring in each before adding another. Flavor with a wineglass of brandy er. Flavor with a wineglass of brandy and a teaspoonful of lemon. Bake in paper bag molds, or tin ones, lined with greased paper, inside paper bags. When cool and firm, cut the cake in inch layers, using a very sharp knife. Spread the cut surface with the prepared frosting, put on a layer of silver cake, more frosting. layer of silver cake, more frosting, then more cake, until the pile is as thick as you care to have it. Trim a little round the edges and frost all over with orange frosting or caramel frosting about the color of cream. (Copyright, 1911, by the Associated Literary Press.)

a senator in that he had negotiated for the payment of the sum of \$5,000 by the Commercial Acet, he Company of New York as a consider ation for the withdrawal by the said senator of senate bills 79 and 110 therefore introduced by him."

But All Should Remember That Viginiance is the Price of Prosperity.

It's contentment; not apathy. The masses of the people are satisfied. The dissatisfied are a number, large in the duced by him."

On March 12, the day before the vote convicting Fitzherbert, Governor Wilson said that he was "looking into the testimony," and on March 13 he had a conference with the Democratic senators and said that he would issue a tents are mostly of the nonproductive variety. They include a lot of course with the senators and said that he would issue a lot of course with the senators and said that he would issue a lot of course with the senators.

Fitzherbert's conviction, Mr. Oscar F. Ostby in behalf of the Commercial Acetylene company appealed to Governor Wilson to take some action that would put an end to the public scandal and the menace to legitimate business involved in the presence of a man with Fitzherbert's proved record in the senate of New Jersey. Governor Wilson replied under date of March 20: "I quite agree with what you say as to the extreme seriousness of the Fitzherbert incident. I shall certainly try by every means within my power to see that no matter of this kind is cevered or condoned."

hunting trouble which doesn't trouble them.

Satisfied as the great majority doubtless are with the administration of President Taft, its splendid record of restored confidence, of flourishing industries, of unprecedented growth of commerce at home and with foreign nations, it is not to be forgotten that vigilance is the price of prosperity as well as of liberty, and that the only way to keep the jealous drones from breaking up the busy hive is to pile up an emphatic vote for the Republican candidates and the policies they represent and thereby assure not only

ble—that the public at large may take
a different view of executive obligations and may conclude that a govno appeal to prejudice or passion. The

The Three Offers.

And that, more than six months ago, was the last of it, so far as Wilson is concerned. The promised statement by Wilson has never been made. Fitzherbert has not resigned or offered to resign, nor has any suggestion been made that Governor Wilson has asked him to do so.

The conclusion is obvious that Wood.

half a dozen things the world wanted. Soon after that came the downfall.

It was discovered that the lawyer who was managing the rich widow's business for her had embezzled a large sum of money—so large that she was no longer even moderately well off. There must be a great coming down to make ends meet on the small sum left. An estate all tangled up and not to be settled up for years was placed in the bands of a law firm, and Fred Bingham went forth to make his way almost bare—

that would arise. In a fortnight the elder Whitney was saying of him:

"I declars, James, we've got a real genius in Bingham."

"Oh. I don't know," was the reply.

"That's because you don't go through the shops. All the men are coming down to make ends meet on the small sum left. An estate all tangled up and not to be settled up for years was placed in the bands of a law firm, and Fred Bingham went forth to make his way almost bare—

The son replied with a grunt of disbellef, and there the matter in the the matter in the day of the game at once, and it was bad for the game at once at the g

YOUR ATTENTION IS EAR. The town of Manchester is unusually goods are not advaning, but are de-FORMATION GIVEN It Deeply Concerns Well Being industry prospers or languishes, the What is the history of the differe

of This Community of Which whole business and well-being of the political paries in respect to the

who will cast their first ballot in a community of interest. This industry and who has followed the mater presidential election next Tacaday and is dependent absolutely for its exiscile ely for many years, I say that the presidential election next. These and is dependent absolutely for its existence upon a protective tariff. If about by Democratic rule in the United States nineteen years ago is not as well known as it sould be. To that end we are presenting berewith some etate. The sole view of obtaining the means of facts concerning the industry has been built up and exists today through the support maximum amount of duty from the given to it by that party. That the trial c nditions prevailing during the imports, it would follow as a natural Democratic party whenever it has years 1893.7, when the Democrafs had a pre-ident end also had absolute control of both branches of Congress. A countries and that the collection of the basis of the basis and that the collection of the basis of th

while single men, were dropped from the payrolls. Landlord reduced their rentals by one-half the prevailing rates prior to the introduction of the Wilson tariff law. Business places were sore—the fact that the wages paid in Eng. tariff legislation and did not expect it.

ing constructed, no reservoirs being made, no sewers being laid, no concrete sidewalks being put down, to streets being macadamized, no stone curbing being laid, nor were any cobble gutters being set in position. Everything in the industrial line was reduced down to the lowest possible terms of absolutely nearly \$200,000,000 and their matter in a nutshell when he said, "I do not know very much about the business employing over 120,000 people, employed the money. If we hay goods at home, we get the goods and the money."

HORACE B. CHENEY.

new business blocks being constructed here. People were not placing their carnings in the savings banks nor invas ing them in building lots. There Che ey "grograin" made here in the was no scarcity of tenements then in sixties, which then so'd at \$2.25 per was no scaledy of tenements then in this town. There were no anction sales of building lots. We then had no trollers, no banks, no high school building, no electric lights or electric power; nor were any measures being taken to population. But the present time the greatest item of production in these mills have

role and the withering influence of the Wilson tariff the republicans were restored to power and have been in control steadily since. They substituted the Dingley protective tariff for the Wilson non-protective tariff What has taken place here during these later years in this commutty since the enactment of the protective tariff and what are the conditions prevailing here at the present time under the operations of the Payne-Aldrich protective tariff

asked and should be truthfully an-swered. Let us see Six large brick mills for making silks, velvets and ribbons have been constructed, as have also a large concrete dye house, a large brick machine shop and a large brick freight house by Chancy Brothers. One of these mills is the largest silk mill they ever built and one which we are told has as great floor space as any factory building in the State of Connecticut. They have bought the Bigelow Brook silk mill and are operating it to its utmost produc-
