Carters Warm Knit Underwear

FOR WE CONSIDER IT THE VERY BEST MADE

IT IS BECAUSE we want our patrons to have garments they are sure to be satisfied with that we say when you want underwear ask for "Carters". IT IS BECAUSE the manufacturer of "Carters" has spent his whole life bringing his goods to perfection.

IT IS BECAUSE the yarns are bleached by a process all their own which does not rot the garments and gives them a swan whiteness that is unrivaled. IT IS BECAUSE "Carters" is made by the natives of a little New England town which excels for cleanliness. All trimmings are put on by hand and the garments have a much superior appearance for that reason,

Victor-Victrola

Enjoying the opera at home With a Victor-Victrola and an easy chair you are in a better position to enjoy the gems of opera than the hosts of music-lovers who crowd to the big opera houses. They can hear only the opera and the singers the management selects, but you can hear any or all of the world's greatest artists sing the principal arias from their

most famous roles whenever and as often as you wish, And besides the "big ones" of the operatic world, you also command the services of the foremost instrumentalists, the most celebrated bands and orchestras, and the leading comedians and fun-makers.

There's a Victor-Victrola for YOU. \$15 to \$200. Victors \$10 to \$100. Come in and hear them and let us explain how you can get one of these instruments right now and enjoy it while you are paying for it.

Have You Considered The Victor As A Christman Gift?

There is nothing like it. Hearing is believing. ur Free Concert Saturday Evening.
