It Is A Pleasure To Run It

This is what people say about the NEW, HOME.

The beauty of the New Home and its distinct post of superiority over all others is its extreme simplicity.

Few people are good mechanics. Few could make THE MOST simple repairs. For that reason it is wisdom to select a sewing machine that will require NO RE-PAIRS.

You can take a New Home out of the crate and go to work at it immediately. NO ADJUSTING, NO FUSS, NO BOTHER at all from the day it comes into your house. And the attachmentsare simplicity itself.

If you will drop in at our store this week or next we will show you all kinds of fancy sewing that anyone can do with a New Home.

There are other distinct points of superiority possessed by the New Home which should weigh heavily with intended purchasers.

They can only be hinted at here: The adjustable flat needle bar, Double feed,

Gear drive, Pa ent shuttle release, Bearing Adjustments. Lathe construction throughout,

Unlimited guarantee. This week we are offering the best New Home at the spot cash price of \$37 50 and allowing you to pay for it at the rate of \$1 down and \$1 per week. New Ideal drop head sewing machines \$25 00 Ruby drop head sewing machines \$22 50
