## The Daughter of David Kerr

By HARRY KING TOOTLE

keeps his daughter away at school in ignorance of his doubtful civic status. She comes home unexpectedly when a packing company wants a dishonest franchise, and when an independent newspaper editor threatens the boss's supremacy. How the boss is beaten, and the independent editor wins the daughter form as graphic a story of modern politics and society as has been written. We have secured this fascinating story for our

next serial. If you do not read it you will miss One of the Most Forceful Pieces of Fiction Written in Many a Day

Watch for the Issue With the First Instalment

WEST CHEN

ular recipe often called for. Cover chicken with water and stew until done. Drain off the liquor, and when cool remove the fat. Cut up the meat and chop fine; season with paprika. and garlic to taste. Make a thick nush of cornmeal and boiling water. Form the seasoned meat into rolls and incase each in the mush, making it into a long roll. Cover these rolls with the inner husks of the corn after they have been well washed. When the tamales are all wrapped in the husks, tie them up and return them to the liquor in which the chicken was cooked; add a few red peppers and cook fifteen minutes, drain and send to the table. The real Mexican tamales are highly seasoned with red.

llar button, it's all over-his e has gone a-glimmering. Me-and Chance are game men, alhave been, always will betheir men will follow them ugh to flags. Understand, when y 'a fighter' I don't mean a who nags and barks at umof the other team; who isn't gainst him-and who isn't aid of his own men, either.

"A game pitcher is the man who can see the big slugger coming up the bases jammed, and say: this guy is a hitter, but he hasn't hit it yet—and he isn't going to hit this one. A game batter is the boy who sees the fast one comthrough and grins as he steps ward, instead of pulling back And a game manager is one who doesn't curl up and play dead when they are killing his pitcher, or when the infield is throwing crazy, or his men can't seem to bat a half-size That's the McGraw and Chance pattern, and that pattern is

the one that wins." And-Joe might have added-the ssful leader is the man who s not only game, but whose players to follow him clear because they are with him heart and hand. Hank O'Day was a game man. He had shown that n all the years of his umpiring. Henry was a brave man and a man whom not a soul could bluff-but fenry couldn't win his players.

It's all in the fiber and the bone. Just a little line to show—just a little flash to tell a thing or two-something that will flash the bright light for half a moment on the nake-ups of two men: Said they to Hank O'Day one morn: "There's a big statesman coming into town.

Mr. O'Day, will you go and help receive him?" And from the sphinx-

coming to town. "Will you go to the station, Mr. Tinker? Will you best opportunities come in 1915 and 1916. Chance of New York meets with adverse criticism this summer." coming to town. "Will you go to in June, August and October. His

Hank O'Day-but the iron mask of the umpire had clamped its hands too many seasons on his square, hard-chiseled face and held back the speech of human courtesy. Too many seasons Hank O'Day had stood out there in the open, casting the grim scowl upon the players, turning them back with sullen giare and sharp, short, stinging words. He couldn't soften—he couldn't win is players if he strove for years. And now comes Joe Tinker with the ready tact and cheery smile— with the courtery that moderates the keenest sting, with the diplo-matic speech that cheers them on and leads them up and upward. He knows baseball from the practiced years of keen experience. So, per-chance, did Hank O'Day—but Tink-er knows how to say a thing and O'Day could never say it without a grating on the ear and a rasping on the soul!

Wants Rube Evans. Manager Birmingham is trying to of Rube Evans of New Orleans, who is the big pitching noise of the south.
Rube made the Tiger batters look footish when he twirled against them,
and also pitched some great ball
against the Naps, allowing them but

PLANETS CONTROL BASEBALL DESTINIES

Can we read the answer ahead of The best ball players are very tall time in the stars above? Pauline and of heroic build. Bender, Cobb. Rita, who declares that she never Chance, Chase, Gregg, Johnson, Lasaw a professional game of baseball, Joie, Marquard, Mathewson, Stovall

asserts that baseball destinies are and Young are all over six feet in controlled by the planets. Pauline is an astrologer who casts pose and poise of these players (take horoscopes with the aid of the stars, and she unfolds the results of her partially completed forecasts in the Adept, national magazine of astrology, published at Crystal Bay, Minn.

## The Daughter of David Kerr By HARRY KING TOOTLE

THE boss of a provincial town keeps his daughter away at school in ignorance of his doubtful civic status. She comes home unexpectedly when a packing company wants a dishonest franchise, and when an independent newspaper editor threatens the boss's supremacy. How the boss is beaten, and the independent editor wins the daughter form as graphic a story of modern politics and society as has been written. We have secured this fascinating story for our

next serial. If you do not read it you will miss One of the Most Forceful Pieces of Fiction Written in Many a Day

Watch for the Issue With the First Instalment

duty as it ought to be done, and it implies, also, that neither Mr. Wilson nor Mr. Burieson is sincere in this latest civil service exploit. There has been very little complaint in the past of the work of the civil service commission, and it is hardly likely that the commission or its agencies will stoop to trickery for the sake of helping some thousands of men to get picayane jobs.

Where Democrats probably will profit is a party sense by these competitive Tests Will Be Applied in Every State—Civil Service Commission rule, the jobs have been given to men for political service only.

Was in ought to be done, and it in Washington today there is a delegation consisting of the speaker of the Porto Rican house of delegates, the Porto Rican house of delegates, the president of the executive council and several prominent planters had business men. This delegation is official, having been appointed by an act of the legislature of Porto Rica for the purpose of "representing and defending the island in connection with the pending tariff bill."

George W. Guthrie of Pittsburgh, Pa., who has just been confirmed as Uncle Sam's ambassador to Japan, was an "original Wilson man," and it

Getting There.

Getting There.

The fellow who gets there doesn't depend so much on inspiration as on the process.

Tea in Universal Use.

Today tea is used the world around. It is the natural drink of Russia, extending all over the Russian empire and into Siberia. It is the favorite beverage of all Asia, including Tibet, India, China and Japan. In England, Canada and the United States tea drinking is practiced by practically every household. Millions and millions of pounds of tea leaves are consumed every year.

P. S. Eccema Sufferers! We guarantee to return your money if it does not help you.

suicide in prison, two were sentenced to imprisonment for life and one for fifteen years, and three were pardoned What is the average salary paid to rarians and library assistants? This question is too general to be anwered adequately here. What would

be true in one locality would not be in nriother. In the larger cities the chief librarien of the principal library frequently receives a very handsome salary, often as high as \$5,000 or \$6,000 a year. His assistants receive from a few hundred annually up to \$1,800 or \$2,500, according to their branch of work and length of serv. e. A good average for assistant librarians in cities would probably be from \$800 to

ly known upon whose shoulders the mantle of postmastership of the South
Manchester office is to fall may be determined tomorrow. It is firmly beleved here that Congressman Augustine Lovergan will then make official announcement of his choice. He has be n in Hartford for the post week and is there now. He is in possession of all the facts in the case from the standpoint of every candidate. He has gone & Kimonas. over the situation carefully and thoroughly. He was anxious to have the local d mocrats agree among themselves as to some one candidate. Under local conditions now existing this was imposible. It put the proposition directl, up to Congressman Lonergan and he alone is left to decide and to name

Rumbrs have been prevalent that C. S. McHale had decided one-enter the contest. Mr. McHale assured a regresentative of The News last evening that this is not true. He admitted that much pressure had been brought to bear upon him to accept, but that he had positively declined. Our present advices point strongly to the selection of a strictly South Manchester dem crat. That is as tar as we can now go.

### Special Town Meeting

There will be a special town meeting at the town half next Thursday, June 12 The polls will be open a nine o'clock in the morning and w close at eight o'clock at night." meeting has been called to act upon the "sidewalk amendment" recently passed n the legis'ature permitting the buildviding for a division of the cost with the abutting property owners and the town. The amendment has printed and is being distributed voters of the town so that all ma get a clear understanding of what robable that a big vote will be gotten out that day as the measure has a large numb r of adherent; and also a large number of voters who are opposed to its adoption by the town. The vote and "no". Those favoring the amendment placing their "ye" ba lot in au envelope and voting the usual way and those opposed using the "no" pallot and casting their ballot in the usual manner. The official not ce appears in our advertising commune.

### South M. E. Church Notes

Sunday will be observed as Childrens Day at the South M. E. church. At 10:45 there will be baptism of infants, songs and recitations by the members of the Sunday School. A large choins choir assisted by the regular church choir will render the music. The annual offering for education will be received, At 7.00 o'clock in the evening the pastor will speak upon the "Advantages of an education. The music will be by the Girls Chorus.

At 3:30 there will be a special service for the baptism of infants for those up. able to be present at the morning ser-
