"Providence Change!'

Many of you remember that call of the conductor.

Providence was only one of many "all change" points.

That was because each little railroad had run its short course.

Today the weary or book-bound traveler is carried in peace to his destination.

Unified management means convenience and comfort to the traveler.

Socialist Rally

to each of them the story has been a week. There will be performances ginning at 7:83, to which the public is

she sair softly, "Time for little boys she sair softly she sair she sair softly she sair sh every Christmas present I'm going to get that you made it yourself."

"I did." Mrs. Crawford laughed a little. And the question of Santa's identity suffered a momentary eclipse, for she plunged immediately into a minute account of the divers paths that same recipe and traveled before that same recipe and traveled before that same recipe and traveled before the same recipe as a shoe clerk. That was four years ago. He is now buyer for one of the city's big and the business did not prove a success.

Special cakes made for weddings is now buyer for one of the city's big and the business did not prove as under the best. That was four years

"It's just the fathers and mothers lieve. He wasn't so big after all, but who wants to succeed must forget They buy the presents." Bobby almost what he could still believe. (For the what he is hired to do and do everychoked in his haste as chance made time being he quite forgot Tom Bel: thing there is to be done, and do it his mother pause. "We heard it all low's aunt with her ultra modern better than any one else ever did it.—

Mother! Daddy! Listen!—Tom and ideas). He would believe. He didn't Chicago Tribune. were hiding in the next room. It care what anybody said, he wouldwas Tom's aunt—the one that goes to college. Santa Claus isn't any more real than a fairy story. And and must also make his father see that he

fairy stories either. So we don't be-lieve any more! And we're going to footsteps of his parents as they passtell all the other boys tomorrow." It was curious, but in spite of the interest his face had portrayed, Bobby suddenly noted that his father did not lend himself to the conversation. In end, but determined, he stole down so be buckled right in, with the trace of the saw them he can be saw them he had not he had been and the saw them he had not he be one who wouldn't say so till he'd tried. So be buckled right in, with the trace of the saw them he can be saw them he had not had not be some who wouldn't say so till he'd tried. So be buckled right in, with the trace of the saw them had not had not had not he had not had not he had not had not he had not he

The hand came out with an envelope, which was wordlessly handed to Bobby. And to Bobby's complete consternation he saw it was the very letter he had written to Santa a week or so ago. Bobby looked hard at his terms the letter into his father.

That couldn't be done, and he did it.

Somebody scoffed: "Oh, you'll never do that:

At least no one ever has done it."

But he took off his coat, and he took off bis his hat,

And the first thing he knew ho'd begun it:

That couldn't be done, and he did it.

Somebody scoffed: "Oh, you'll never do that:

At least no one ever has done it."

But he took off his coat, and he took off Blacksmithing

thing That "cannot be done," and you'll do it.

The words had fairly tumbled out of the boy's mouth.

"I say, son!" he suddenly exclaimed as if the remembrance had just leaped into his mind. "Look in my right hand overcoat pocket. I've got something for you. A man-came into my office today selling the dandlest book for boys: The Advantures of the Giant Gagoo." And the pletures are great. I said to him: Here I've got a little chap just wild about that kind of a fairy story—give it to me. Such a bright little shayer he can read them himself now."

By the Barkin war, have aloused a military passion in the bosom of Mirza no has patented a perforated metal tube into which its stem may be inserted.

From Switzerland comes a recently invented head covering for women to the dead covering for women to the head covering for women which can be worn as a simple hood or twisted into nearly a dozen forms of hats.

A small fan, revolved by a motor or tockwork, features a new respiratory helmet to draw air expelled by a regiment of Cossack to go and put down the anarchy there. I hope you will allow us to march as soon as possible."

Inviting Entrance

There was considerable excitement around the house of Manly Lord in Gilead this morning between one and two o'clock. The occupants of the house were awakened when somebody started to hombard the house with stones and a few minutes later started to short at the house with a shot gdn. A telephone message was sent to Mr. Lord's grandson, Charles M. Pinney of Bulton and his father includes the started accordingly. With a sixty-foot highway, a macadam road, cubble gutters are being laid on the south side of West Center street beginning at the railroad bridge and extending westerly. Also on the south side of Olcott strest beginning at Mc-Kee street and extending westerly. This main thoroughfare to Hartford is coming in for much improvement this year and is being greatly benefited accordingly. With a sixty-foot highway, a macadam road, cubble gutters Messrs. Grant and Pinney and opened west of Main street that they keep their fire with a shot gan. Mr. Grant bad his that gan with him and he returned the fire. No one was injured in the exchange of shots but the disturbers made a re rest into the woods. Chief present a pleasing and myiting appear. Samuel G.
