Inviting Entrance

There was considerable excitement around the house of Manly Lord in Gilead this morning between one and two o'clock. The occupants of the house were awakened when somebody started to hombard the house with stones and a few minutes later started to short at the house with a shot gdn. A telephone message was sent to Mr. Lord's grandson, Charles M. Pinney of Bulton and his father includes the started accordingly. With a sixty-foot highway, a macadam road, cubble gutters are being laid on the south side of West Center street beginning at the railroad bridge and extending westerly. Also on the south side of Olcott strest beginning at Mc-Kee street and extending westerly. This main thoroughfare to Hartford is coming in for much improvement this year and is being greatly benefited accordingly. With a sixty-foot highway, a macadam road, cubble gutters Lord's grandson, Charles M. Pinney of Bolton and he and his father-in-law, William H. Grant started across lots for the home of Mr. Lord. Just before they arrived the persons who were making the disturbance's saw Messrs. Grant and Blance and side walks this pretty evenue is for received the persons who were making the disturbance's saw west of Main street that they been that: Messrs. Grant and Pinney and opened west of Main street that they keep their fire with a shot gan. Mr. Grant bad his that gan with him and he returned the fire. No one was injured in the exchange of shots but the disturbers made a re rest into the woods. Chief present a pleasing and myiting appear.

repelling the visitors from the south. In early July next the same state will have bettered by soft July the battlefield of Gettysburg. Pawill again be the scene of a meeting of the Blue and the Gray, but this time they will meet in amity and affection. A half-century will have passed since last these men of two great American armies use on this northern field. Then they were face to face in deadly confliot, for the issue, it was well understood to both contending forces, was the success of the southern cause, or the beginning of its defeat, to be followed by the restoration of the Union as it had been before the first shot was fired at Fort Sumter.

The United States government and the government of nearly every state in the Union have combined to make the Gettysburg reunion of the soldiers of the north and south one of the great of Pennsylvania some time ago appointed a "Fiftieth Anniversury of the Battle of Gettysburg commission" to make preparations for the four days' reunion, at which Pennsylvania who would follow their march to the field of battle, and appropriated \$150,000 for the purpose of entertaining the veterans.

The veterans will not be directly encapsed in the Gettysburg commission" to make preparations for the four days' reunion, at which Pennsylvania who would follow their march to the field of battle, and appropriated \$150,000 for the purpose of entertaining the veterans.

camped in the Gettysburg park, which is dotted with monuments to the vari-It is expected that 40,000 veterans of the war, not all of them, however, survivors of the Gettysburg battle, will be found encamped upon the field when reveille sounds on the morning when reveille sounds on the morning of July 1. It will be a different reveille than that which the fife and drum corps of the two great armies sounded fifty years ago. The call to awakening will be a call to a peaceful celebration while the call to the awakening in July, 1863, was a call of armies to conflict and, to thousands of

armies to conflict and, to thousands of quarters to the visiting hosts. nen, a call to death. For years the veterans have been been Every possible care is to be taken. Visitors to Be Cared For. nany thousands of survivors of the ments which have been made are said hattle. The United States government under an act of congress has appropriated money for the preparation of medical officers of the service. All the

the camps and for the messing of the experience of the past has been drawn the camps and for the messing of the soldier visitors. The average age of the men engaged in the Civil war was only eighteen years, but fifty years have passed since these soldier boys tought at Gettysburg, and so if the computation of age was a true one the computation of the computation of the conserved while it certain that the health of the conserved while it certain that the health of the conserved while it certain that the health of the conserved while it certain that the health of the conserved while it certain that the health of the conserved while it certain that the health of the conserved while it certain the true of the conserved whi

feet, made so by the plane which had been carefully laid to see that perfect sanitation was maintained. The United States army was taught a lesson by the Spanish war, when lack of proper sanitary precautions and uppreparedness in other ways cost the government the lives of more men than were sacrificed to the bullets of Spanish. The estimates of the commissary and quarternmaster authorities are based upon an attendance of 40,000 veterament about \$550,000 to act in part as host to the survivors of the battle and other veterams who attend the commissary and other veterams who attend the contingence of the comment of the survivors of the battle and other veterams who attend the commissary a

erams. It probably will cost the government about \$380,000 to act in part as host to the survivors of the battle and other reterans who attend the Gettysburg reminon.

Elg Task to Feed Mes.

The survivors of the war from the north and south who will be present, being old mes, must be cared for in a way, which would not have been necessary fifty years and. Never in the history of our store have we turned as many goods into cash in the same length of time as we have during the past week. THERE'S A REASON. Never in the history of Manchester have the people had an opportunity to purchase reliable merchandise at such low prices. We have simply been snowed under with customers and telephone orders from the time we started this sale up to the present time.

THIS SALE LASTS UNTIL JULY 1st AND STORE IS OPEN EVERY EVENING If you have not attended yet don't you miss it. We have sold a lot of goods but we still have

ust as good bargains left. If you doubt the genuineness of this sale, ask your neighbor. You won't have to go far to find some one who has proven it.

Letters by over the United States to senators and representatives asking that the added to the United States army man once show and representatives asking that the added to the United States army Afraid of its bark, and 'twill fly

and representatives asking that the appropriation for the office of good roads be increased in order that the work of the specialists could be extended. Congress did vote more money for the roads bureau and finally, under the spur of the letters from the people, members who had doubted the constitutionality of general roads building by the government colonel's thoughts went back about a colonel's thoughts went back eral roads building by the government quarter of a century to the day fish from the market. Look for one when he, like his son, graduated and with eyes of bright color, flesh firm ingly a good many of them have become converted.

The chances are that young Newcomer will enter the engineer corps.

When he, like his son, graduated and with eyes of bright color, nean firm and the gills of bright color. The sooner a fish is scaled after coming to the chances are that young Newcomer will enter the engineer corps. The railroads recently have been He can if he wants to, because the Take a small, sharp knife and scale taking an interest in the good roads boy who graduates at the head of his from the tall to the head. Many find proposition. It might naturally be ex-pected that the railroads would feel vacancy which exists in the lowest fish helps the scaling process, but it

railroad station for shipment which otherwise he could not get there or would not like to try to deliver because of the bad road difficulties in the way.

Command, and almost invariantly not command.

Salt fish should be sourced in water and softened by slow cooking. If holled rapidly the fiber will be toughtered in the service. It does not always follows that a boy graduates as high or as low as his father did. Colonel When a fish is to be boiled, lay it in a thin piece of cheese cloth or must

Members say it must not be taken for granted that large appropriations immediately will be forthcoming for good roads projects. The senate is still largely to be won over to the cause, and moreover an immense amount of study will be necessary before a definite plan for beginning the work can be developed. It is probable that when the first great project is under way there will be public hearings, and an attempt will be made to get the views on the subject from the country dwellers particularly.

Canal, however, has a son in the service will a son in the service who graduated pretty nearly as high as his father. The boy is now on the isthmus doing the work of a licutemant, while his father looks down on him paternally from the height of a colonel's place.

Fathers and Sons.

Ulysses S. Grant, the third, is a first licutemant of the engineer corps. This Grant graduated way up at the top of his class, and went into the engineering branch. His father, Frederick D. Grant, graduated way down at the foot of his class, taking five cayenne pepper. Put a layer of the

patronage and Lebbying.

The charges, if they can be called direct charges, which Senator the min the cavalry. Ulysses S. Grant, more fish and sauce, then sprinkle the Townsend of Michigan made against the first, graduated squarely in the top with well buttered bread crumbs. President Wilson to the effect that middle of his class, and so with the Bake until brown. For many, a sprinkthe chief executive was "the big-son and the grandson graduating at gest lobbyist of them all," has brought the top and at the bottom, the aver-flavor of the dish.

and under the stress of partisan feel- foot of his class during all the time Senator Townsend said before the tell what a man is going to do in the

House & Hale Bldg. So. Manchester House & Hale Bldg. So. Manchester Service to interstate commerce. Some years ago a southern senator introduced a bill appropriating \$500,000 for might be certain to get the support of mous Sisting chapel, the belief of San

pected that the railroads would feel no particular interest in good roads, because if they were to be used for interstate commerce purposes, it would seem that they would take away business from the rail carriers.

The railroad men, however, seem to have come to the conclusion that if president of the United States army. They are many today there are many today there are many to a president of the United States has ten move the entrails and wash quickly, not allowing it to lie in the water.

By the figh helps the scaling process, but to must be done quickly, not allowing the must be done quickly. Hold the knife in a stanting position and the work will be easier.

In the army today there are many move the entrails and wash quickly, not allowing the must be done quickly, not allowing the must be done quickly, not allowing the must be done quickly. Hold the knife in a stanting position and the work will be easier.

In the army today there are many must be done quickly, not allowing the must be done quickly. Hold the knife in a stanting position and the work will be easier. good roads are built the agriculturist cadet appointments a year at his this will cause it to lose its flavor.
will get a lot of his products to the command, and almost invariably he Rait fish should be soaked in water
