no matter from what race they may have sprung.

At Gettysburg there was nothing to choose between the valor of the North and the South. The South lost the fight, but it lost it honorably and with the prestige of its soldiery undimmed. The charges made on that field have gone down into history as assaults made under conditions which every man felt might mean death at the end. The defenses made at Gettysburg were of the kind which it takes fron in the blood to make perfect. At ettysburg Northerners and Southspect for their antagonists. The bat-South largely was on the defensive, but its defense was maintained with fortitude and in the face of privations which could not chill the blood of men fighting for what they thought

was the right. The Northern armies were persistent in their attacks through the campaigns which after a few months were All Points in Europe

Richmond. Brave men here and brave men here and deter the end came it was the qualities which keep company with bravery which made the pany with bravery which made the confederate commander with the main confederate commander with the confederate co

General Stuart in command of Lee's cavalry, had got around Stuart's command in a way to prevent the Southern general from forming a junction with the forces of his chief commander. Lee gave over the proposed movement on Harrisburg when he beard of Hooker's approach and brought the different parts of his army together. Four days before the Gettysburg light began General Hooker resigned as commander of the Union army. looker and General Hallock disagreed upon a matter concerning which strategists today say that General Hooker was right. Three days before the battle began, that is, June

Armies Meet at Grttysburg.

General Robert E. Lee late in the checking the Union army's advance by Big Round Top and to attack the

SOUTH MANCHESTER NEWS FRIDAY JUNE 27 1913

was in effect and in truth a victory for the Southern arms. On the night of July 1 General Hancock arrived and succeeded in rallying the Union forces and putting new heart into the men. General Meade on that night ordered the entire army to Gettys-Victory Not Followed Up.

For some reason or other perhaps unknown to this day, what was virtually a Confederate victory on the first of July was not followed up by General Lee early on the next morning. General Meade therefore succeeded in strengthening his lines and in preparing for the greater conflict. One end of the Union line was some distance east of Cemetery Hill on Rock Creek, another end was at Round Top something more than two miles be youd Cemetery Hill to the south. The Confederate line confronting it was somewhat longer. It is impossible in a brief sketch of

this battle to give the names of the brigade and the regimental commanwas ordered to make its way into the which were engaged on both sides in their destination had a short hand-toders and the names of the regiments

The great battle of Chancellorsville on June 26. From there he went to was fought not long before the opposition to the town of York and from thence to the town of York and from the control of the town of York and from the control of the town of York and from the control of the town of York and from the control of the town of York and from the control of the town of York and from the control of the control of the town of York and from the control of the control of the town of York and from the control of the control of the town of York and from the control of the con ing Union and Confederate forces met on the field of Gettysburg. Chancel ordered by General Lee to retrace his ordered by General Lee to retrace h cording to its reasoning, if an import burg he found the entire Southern gan with Longstreet's advance. The federate side Generals Semmes, Pen-

dale were killed, and Generals Kemper, Kimbal, Hood, Heth, Johnson and Trimble were wounded. The entire Confederate loss is estimated to have been nearly 30,000 men. 6 9 it was a hard won fight and the con-flict reflects luster today upon the north and the south. Lee led his front Grant in the campaigns which finally ended at Appomattox. Forces Engaged and Losses. The forces engaged at the Battle of

on the 31st of May, numbered 74,468. Every Sunday Night Jankins' brigade, Pickett's division, New and Up To Date 2,300; Corse's brigade, Pickett's division, 1,700; detachments from Second corps and cavalry, 1,300, in all 5,300leaves an aggregate of 75,568. Union-According to the reports of the 30th of June, and making allowance terim in time to take part in the bat-tle, the grand aggregate was 100,000

It seems that General Lee on hear. Southern general did not succeed in ing that Stuart had not succeeded in the plan which he had formed to get

"No." protested the girl, her eyes was occasioning Wright in other than the moraing.

"No.

No Set Rule For Sleep.,

The amount of sleep required varies so much with each individual that no rule can be given. Some persons find six hours' sleep enough to keep them in excellent condition physically and mentally, and others need ten hours to get the necessary rest One person can do the best work of the day during the early morning hours, and the next per son can accomplish twice a much by working from 6 to 12 o'clock at night. It is well to accustom oneself to being in control of the brain action as far as possible and to avoid conforming to set rules, but personal idiosyncrasies are not always easy to overcome, and each one must be a law unto himself in such matters. If you feel bright er and more fit in the evening and can accomplish better work you had better arrange your affairs so you can give your indi-

Was too young, too pretty, too timid, too feminine—perhaps too unassuming — to make a first-class reporter, but that was what the editors of the Morning Planet considered her.

Every one who read the Morning Planet knew her—and the Planet's circulation was reckoned in six figures. They knew her name and they knew her her breezy, clever style of writing; and they also knew what she looked like from the little photograph that allocation was reckened in the planet's circulation was reckened in six figures. They knew her name and they knew her here and they knew her here and they knew her here the proving the state of progress toward completion has been irregular, and the depends entirely on the condition of the building funds. When completed the cathedral will seat more than 6,000 persons.

The details of construction of the huge hundred foot temporary dome are interesting. The dome is built of over-82 Oak St.
