

a spit-ball pitcher? was suggested. "I think him so "I'll agree with you that he isn't as ever saw."

"Some of those I have seen look

pretty fair, to say the least. There is "Would you call him better than Mathewson?"

"No. I would not say that Johnson is a better pitcher than Mathewson.
You have to give Matty a lot of credit.
He is a wonderful pitcher. He has
speed, curves, a good slow ball and a great mind. Johnson has more speed than Matty, but lacks several of the other things.
"I do not believe that Johnson will

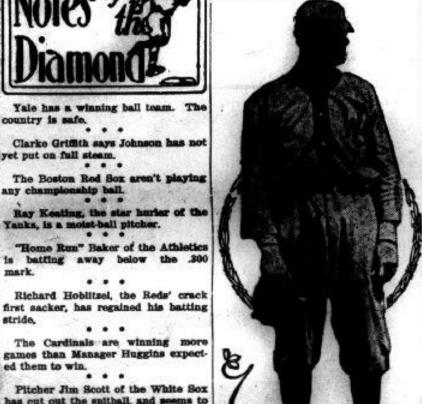

last as long as Mathewson. A man cannot use as much speed as he does for many seasons. He is developing a curve ball that will be of great advantage to him. He showed a good curve when he pitched against us. He has no slow ball to speak of, but with | yet put on full steam.

wright sent a reporter to interview is in what a paper should be, he was putting aside—just for the time, his heart told him—the one woman who could make him supremely happy.

Morrison went to the map of Bellowhat the public thought of it and any definite facts that could be brought to light. The city editor himself took an hour off to go to the office of Rosenbaum. A Rosenbaum, who it was learned had given Grunewaid the bill to present for them.

"I suspected as much," replied thing aside—just for the time, his heart told him—the one woman who could make him supremely happy.

The deferring of hope was heavy upon Wright's heart as with Morrison he walked in silence to Gilbert's house. To himself he kept repeating own tracks," he explained. "You see, there's a provision in the charter of the Belmont Traction Company where he and the proposed line."

In the twilight we parted. to present for them.

by any interurban line can use its
tracks into the heart of the city upon

did not seem productive of results cal-culated to bring anything to light. Al-Townsend Park Line coming down

culated to bring anything to light. Alderman Grunewald had introduced it at the request of his good friends Rosenbaum & Rosenbaum and knew nothing about it.

Rosenbaum & Rosenbaum said that the proposed franchise spoke for itself, and that the road would prove of intestimable benefit to Belmont, since in the near future it would be extended to Corona, and all the people of that little town and the villages along the line would do their shopping in Belmont. The incorporators were Chica
Townsend Park Line coming down Bluf dreams come again.

There could be no doubt of it. The stock-yards company was making some interturban's own tracks will start."

"Then how does it run?"

"South on Maple Avenue and Maple read to Corona, and all the people of that little town and the villages along the line would do their shopping in Belmont. The incorporators were Chica
Townsend Park Line coming down Bluf dreams come again.

There could be no doubt of it. The stock-yards company was making some move which it did not dare make openly.

"It looks like it," assented Morrison.

"Have you any idea what they want?"

"Not the alightest. They're not aghting the traction company, I here to know that neighborhood," he said. "Why did they pick Maple Avenue?"

This, thought Wright, explained Gilbert's many visits to Chicago recently. The stock-yards attorney had apparently no connection with the new commont. The incorporators were Chicago men with plenty of capital back of that part of town. It's the natural artery for that new district out there, when it was explained to him, were

tors were. At his suggestion the city editor tried to get Kerr at Esmeralda

Springs by telephone, but was unsuccessful.

Wright still puzzled over the map.

"What are those red lines crossing Maple Avenue about two blocks south of Bluff Street?" was his next quessency to find out who the incorpora- of it."

Maple Avenue about two blocks south of litself was suspicious, and it was not one which could be used that afternoon. The courthouse reporter had dropped into the county surveyor's office, and talked about surveying in general and the work in Belmont country in particular. Was anything going on just then? This eligited the reply that the spring was not far enough advanced for the usual work, but that the stock-yards company had had men out. What were they doing? They was seeing how they could save their tracks along the river and rearranging the quarranthe tracks for Texas to the main yards. This was a story about the stock of the main yards. This was the courthouse man brought book to do but it was duly presented the fire of the last of the main to the courthouse man brought book to do but it was duly presented the fire of the publisher of the News were canvassing the situation, a telegram from the Chicago News Agency was delivered to Wright. It read:

Hammersley is the private secretary of Adolphus Roerner, Roerner & Co., packers. Others are clerks in law office of Kandali, Strang & Kandali.

New Fraternity Launched Forth In Town

A branch of the Ancient Order of Hibernians, Board of Erin, bas been established here and adds one more to the many fraternities which flourish in which we read in the annals of the gings and conquerors. The new branch meets the first Monday of each menth at Ferris Hall and it has at present

aome 40 members.

The newly chosen officers are as follows: President, John McConville: vice president, James Reardon; recording secretary, Martin Corcoran; finnacial secretary, Thomas H. McCartan; tress-secretary, Thomas H. McCartan; tress-secretary Thomas H. McCartan; tress-secre Patrick McCluskey; inside guard, Pa- The regular monthly meeting of the trick McDonald; board of trusteer, Manchester Business Men's Associa-Frank Tappin, Bernard Devlin, Thomas took place last evening at Orford
