DR. COOKE TRUSS CO.

Gertrude C. Johnson M.D.

On the June day before his twentysixth birthday Pacton put things up
to himself straight from the shoulder.
At his age a man who can't more than
support himself should begin to think.
He said "All right. What you going mething was wrong and he knew it. to do!" Pacton said be didn't know

te heard her say in her gentle, weary how he couldn't get rid of the thought voice to the flippant-looking girl who of her. He saw her going out, trim "Of course we are not happy! Why He overtook her on the street, and said we be? We are in the wrong she bowed pleasantly but inquiringly, place. A store at six a week is no and stopped short. Evidently she had place for a girl. We ought to be at no intention of letting him walk on

ome learning how to sew and cook. with her, and resentment surged up Do you suppose I don't know that? At within him. He stammered: least I never lie to myself. I have no . "I-wanted to say good-by. I am home, so I have to do this and while leaving the store-I thought-" but I do it I unfit myself for ever having a somehow he felt that it was nothing home of my own. The kind of man I to her, and grew crimson to the roots want would be crazy to think of mar of his thick, fair hair. His good ying me. I'm tired and ignorant, and brown eyes grew shy, and her sura few years of this will ruin my prized gaze rested on him. She made health," Pacton had purposely lin- a little motion to leave him. gered to listen. Maisie, the other girl, "Good-by-l-am sorry you are leavgave a laugh.

"Don't croak so. We have some fun, nyhow, while it lasts."

ing." Then she flushed—for she realized that she was not telling the truth. He knew it, too. It made him a little anyhow, while it lasts." "It—isn't fun," said Ruth Filmore, rough. home to the things we call amuse I thought-I fired myself. I didn't

scoffed. "Not for mine! My sister going to ask you to wait for me until married, and she worries more about September. I won't come near you unmoney than when she clerked. And til then—then—" Looking down he she has a man and three babies to saw her lip tremble, and her face worry for. He works hard, but he flash.

"I understand, sir, that you are the possessor of a swoffen fortune." "Well," gruffly answered the bean- ton to thinking. Ruth said in her slow time and found the ribbon counter. tiful girl's father, "what is that to way: "I merely thought that I would give starving. Your sister married a clerk. fore. Fred Pacton went up and spoke

See the sad old millionaire
Passing in his motor car;
Ah, how heavy is his care
And how drawn his features are!
What a pity he has not
Anything to make him glad;
Sorrowful, indeed, his lot—
Thinking of it makes me sad.

Muffled in his warm fur coat,

You may think him richly ble
But a lump is in his throat,
And a pain is in his breast;
He is not compelled to work,
He may ride around at will,
But a thousand sorrows lurk
Underseath his walstcoast still.

All his days are diamal days, Joys may come to you and me, But no smile of his betrays Any hint of hidden glee:

Things which he cannot posses Still confront him everywhere Hence his lack of happiness. Poer old, sad old millionaire.

in my family with good results. I suffered for you due notice of my intention to help A clerk isn't a man. Why doesn't he to her. referred kidneys causing dull take the swelling out of it. Myrtle as a man get a real man's job? Any- "I want to walk home with y His Poor Memory.

"There," said Mr. Newrich with tatoes, No real man," she finished Was she ill? She looked agile and parecommend it to other kidney sufferers. Our great pride, "is the sword of one of my spely of Doan's Kidney Pills was procured at great pride, "is the sword of one of my the sort of work that keeps him barely the sort of work that keeps him barely and work and work

Balch & Brown's Drug Store, and we do not heaftate to recommend them to other kidney "Ah," replied his inquisitive guest, able to pay his board and have a few the street together. He led her to a with the blanks of the street together. **More Co., Buffalo, New York, sole agents for the United States.

**An," replied his inquisitive guest, taking down the weapon and examination and the control of the cont "Well, now, I forget whether the man I bought it from said Gettysburg or Bunker Hill."

Improving.

"Do you find, Mr. Duffer, that golf is of any real benefit to won?"

"Well, now, I forget whether the man!" Having finished her speech she turned to wait on her first customer. It was early in the morning it money and I made some payments on a little place—in the country. I've learned to use a shovel—and post and began handling the serges an engine too. A fallow I see the serges and engine too. A fallow I see the man in the morning it is of any real benefit to won?"

Registrars Notice

"Do you find, Mr. Duffer, that golf is of any real benefit to you?"

"Sure thing. I'm getting excellent control of my temper. Many of the strokes that I make with the utmost calmness now would have caused me be in session at the Town Records building in Manchester

The Registrars of Electors Will be in session at the Town Records building in Manchester

The Nanchester

Pacton betook himself to his own post and began handling the serges. But all day he thought of the shovel. But all day he thought of th

getting a chance to whip a stream will him, he thought.

He began to put things straight to need me. I have to have something to the straight each of said days for the purpose of enrolling voters for the caucuses when he might do it with little or no trouble right at home.

on having a regular political house On that June day before he was away with him. twenty-six he rushed out of the store (Copyright, 1911, by the McClure Newsat closing time, ate something at the first place he passed, and started out Big Lobster Fights Man. "Oh," she said as he led her to a for a long walk. He walked to the With a lobster three feet long and

What set him with a jar on his men-tal feet was nothing but the chance re-mark of a slip of a girl. She stood back of the ribbon counter in the next department and one day this is what and tired, and made a dash after her.

the first girl. "You know it isn't. It's "Don't try to be polite," he said. ke a fever-sort of wild overwork "You don't-care at all! I am only and then the wrong kind of cheap telling you because I heard what you amovement. Everything we have is said about a real man finding a man's counterfeit, from the rooms we call job. It set me to thinking. And after ment. Only the work is real, and it's know what ailed me-until right now. the wrong work-and too much of it. You better let me walk with you a block or two-we mustn't stand here. Finding himself unnoticed Pacton She fell into step beside him. "I won't turned where he could better watch bother you long. Well, what alls me is this girl. He had not thought much that I am ashamed. I'm going to get about her before. She was small, to doing something-real. But somestraight, with grave, deep blue eyes thing else bigger than that is the matand smooth dark hair. She looked ter. I'm-in love with you. I found it good. Again Maisic laughed.
"You're due to get married," she me. But—I love you anyhow. I am

barely makes a very poor living. And "You had-better go away-this minshe's thin and cross. I hate to look ute," she said. "I-can't make-promat her. She can't even rest Sundays, ises-please go!" thing's better than this. A man can -can't refuse me," he said. handle a shovel or drive an engine, or Her lips moved and she smiled

had, some months before. He recalled like a duck to water. I was built for Man's Peculiar Ways.

It is a curious fact that a man who travels hundreds of miles and submits to many discomforts for the sake of the many discomforts for the many discomforts for the sake of the many discomforts for the ma self, and laying almost hothing by.

Art.

"Have you any of the old masters in your gallery, Mrs. Frumpleigh?"

"Not yet, but Josiah has just placed an ofder with a New York dealer for 1520,000 worth, which he has agreed to ship F. O. B. by the middle of next mouth.

They Couldn't Resist.

"Do you think if women got the ballot they would make politics any cleaner?"

"Undoubtedly. They would insist selfish.

self, and laying almost hothing by. In five got out his bank book. He had \$225.75 to his credit. This shamed him deeply.

A man can conquer a cituation, be conquered by it—or he can smash conthing like anger in her voice.

You—are—crasy to think you want me. I'm—not fit for you! I'm—tired and weak, and I don't know anything about a home—but I—knew I cared—that night when I made you leave me that night when I made you have that nigh

"Oh," she said as he led her to a selt, "I could die waltzing."

"Well," he replied, "to tell you the truth, I was afraid, owing to the way you breathed, that you were going to."

That Lamb.

for a long walk. He walked to the state of the small midwestern city; he walked out farther, past the little rows of cottages, all alike with a patch out of ground about each, and on out into the real country. It was a long time since he had been in the real est crustaceans ever brought to Bos-

That Lamb.

Mary had a little lamb
Because the price was high;
She wanted more, but one small chop
Was all that she could buy.

Serious Mistake.

A good many people mistake habit
for religion.

SOUTH MANCHESTER CONN. FRIDAY AUGUST 8 1913

The owner given by he South Manchester Fire Department in Chene all last April was one of the most successful of its kind ever held in town and the full report of same is given herewith. This report is complete in all details. shows just how much money was taken in each evening, from what sources and how the most s were disbursed. This report was read at each of the com pany m etiogs this mouth and is reprieted for the information of all fireme in the department and others interested. The total receipts from all sources was \$4,013 04. Besides paying all obligations such company treasurer was paid \$550, leaving a balance of \$159 20 in the hands of the committee treasurer. To his is to be added a detation of \$3 received since the report was made out bringing the balance in the tressurer's names up to \$162,20. Part of this balance will be used to entertain the p reons who helped make the lazar a success and he belance will then be surned over to the treasurers of the four com-

ble work on this report and covers every detail in the fullest manner. ull report follows: To the members of Hose & Ladder Company No. 1, Hose Company No. Orford Hose Company No. 2 and Hose & Ladder Company No. 4:-

Next time try | remain there? General Weyler landed at Havana as governor general of Cuba Feb. 10, 1896, succeeding General Campos in that capacity. Weyler was succeeded by General Blanco in November, 1897. Why is the king of Greece sometimes styled king of the Hellenes?

Hellas was the ancient name of Greece, and the Greeks were called Helienes, pronounced Hel-leens, accent on the first syllable. The official title of the king of Greece is king of the

VERYTHING is superficial as What is good is effective, generative;

A sound apple produces seed a hybrid -Emerson. DAINTIES WORTH REMEMBERING.

Don't forget when there is a sick one in the neighborhood to take in a little dish of some delicacy, which will mean a moment's thought to you but will bring hours of pleasant thoughts to you for your kindness. It is hard realize how tired one becomes of everything and all kinds of food unleas he has been on a bed of sickness. A dish of soup or broth, in a dainty bowl with a pretty dolly on a platewill brighten up the invalid for an hour. A rose or a violet, a postal card

even, which means scarcely nothing to you, will be a source of delight to the Here is a sweetmeat that most invalids will enjoy and be able to eat: Mix together a cup each of puffed rice raisine, figs and dates, with a bit of orange and lemon peel dried; put all rough the meat grinder, and make into small balls or squares. Wrap in waxed paper and allow the patient to nibble one occasionally. By the addition of nut meats and dipping the

squares in chocolate one has a very elegant sweetmeat. Drop whole figs in grape juice an let stand over night, stuff with nuts or a marshmallow, roll in sugar and So. Manchester | serve as dessert with coffee and crack-

MRS. O. D. MINER

"Travel"

The wanderlust you feel is a natural desire to see new places, think new thoughts, meet new people.

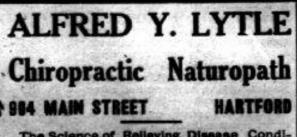

It's not an abnormal craving for change. for excitement, it's a normal desire to broaden one's self.

Travel has well been called the great educator.

DON'T PUT OFF THAT TRIP!

It's easy and inexpensive.
