nd the school will continue to stand on its merits. As in the past it has more than it advertises and does more than it promises . It has ten real teachers the whole year.

That the public believes in Huntsingers is shown by our arge attendance and the wonderful demand for our graduates. .The thorough courses and the finest of teachers have ade the school's prominent standing. Of course you know that the chairs and desks cannot do the teaching. Hunstingers has excellent equipment but all you take away from any school anywhere is the education.

Mr. Huntsinger is daily enrolling new pupils and 'he will each the coming year as he has for more than twenty-five years.
