Besides bread may be served in just as many tempting ways.

Nothing is better or easier to digest than milk and bread, or bread toasted to a olden brown and spread with butter-or bread fried in egg batter.

In fact, there's nothing that can take the place of bread at any meal and there are many things that bread can take the place of.

Goetz's bread is the best, lightest and most wholesome of all foods.

NEW DENTAL OFICE Offering New Opportunities

THE YALE DENTISTS

vite all dissatisfied patients and the public in general to call and investigate the safe system of painless dentistry. The Yale Dentists in tigate the safe system of painless dentistry as practised at their office. If your teeth are loose, do not have them extracted. We will cure them for you and tighten them as we have done for many others. If your false set of teeth is dropping and you cannot use them don't throw them away—call at our office and we will insert for you our YALE PATENT SUCTION and your teeth will stay up as if they were anchored to the roof of your mouth.

THE YALE DENTISTS Use the latest and most improved system for the painless extraction of teeth. This is the NITROUS OXIDE AND OXYGEN apparatus. By this method teeth can be extracted, filled or crowned positively without pain, no matter how old or nervous the person may be. NOTICE THE YALE DENTISTS, to demonstrate their skill in dentistry make the following offer for this month only Full Sets of teeth with Yale Natural Gum and Yale \$5.00 Gold Crowns, 22 karat. \$5.00 Gold Fillings. \$1.00 up Enamel Fillings. \$1.00 up Silver and Cement Fillings 500 up Painless Extraction Free When Sets Are Ordered.

Inasmuch as the true remedy for all diseases must be found in the field of their cause, it is obvious that the cure for these disorders lies in food. When I say cure I mean that scientific feeding their cause, it is obvious that the cure of these disorders lies in food. When I say cure I mean that scientific feeding their cause, it is obvious that the cure of these disorders lies in food. When I say cure I mean that scientific feeding the first of the said in a will remove the primary causes and nature will do the curing.

Micotine a Poison.

Nicotine a Poison.

Nicotine the notive principle in to bacco, is one of the most deadly not sone known. There is enough of this witticism. Coming upon his brother author he said:

"My boy, I hear that in a house where other people were kind enough to consider me witty, you declarate in a pound of tobseco. If there into the blood, to till stay men.

There is enough alcoholic potent in a make the witty men. There is enough alcoholic potent in a gallon of whish; if taken into the blood, to kill stay men.

There is enough alcoholic potent in a make in my life where anytody considers you witty."

No Use.

The Millers went on a tour by moor car and arrived late one evening at a village, which was crowded for the annual fair. There was only one flowers of music, the single, the man and not a bed in it to be had. The couple were tired out and felt unable to go any further, so Miller said to the innidiaty: "Can't you give me a bundle of hay?" "I'm sorry sir," she abid, the intended of the was a bound of truth in it, that in a house where other and arrived late one evening at a village, which was crowded to the man and not a bed in it to be had. The couple were tired out and felt unable to go any further, so Miller said to the innidiaty: "Can't you give me a bundle of hay?" "I'm sorry sir," she abid, the man and not a bed in it to be had.
