It is rather a radical departure in shape from the ordinary umbrellas such as we have been carrying for years.

THIS NEW INDIA UMBRELLA is the little umbrella with the big spread. Made with flat top it has a sudden drop at the edge that keeps it from dropping water on the shoulders, and that is a big advantage.

Made for Man or Woman in all grades, in black or colored silks, the frames are guaranteed for one year. Ask to see them at our Umbrella Department. Priced for black ones, \$1 to \$4.95 each. Colored ones give good choice from \$2.98 to \$4.95 each. Take a look at them.
