vast assortments marked down in price, that is to say, everything except a small number of articles on which the restrictions of the manufacturers prevent us from cutting prices. Aside from these few restricted articles you will find everything in the Big Store at cut prices during our SEMI-ANNUAL INVENTORY SALE. This sale is something vastly more consequential than a Clearance Sale. It is a Legitimate Stock Reducing Movement in which our entire splendidly complete stocks of

seasonable merchandise are involved. Every Department is fairly teeming with extraordinary bargain offers. And we make the positive statement that at no other

Hartford store will you find so many hundreds of worth while money savings as at OUR SEMI-ANNUAL INVENTORY SALE.
