

THE BEST OF ALL

Breakfast foods, is bread, bread is higher in nutritive material than any of the so-called breakfast foods and it is much cheaper.

Besides bread may be served in just as many tempting ways. Nothing is better or easier to digest than milk and bread, or bread toasted to a golden brown and spread with butter or bread fried in egg batter.

In fact, there's nothing that can take the place of bread at any meal and there are many things that bread can take the place of.

Goetz's bread is the best, lightest and most wholesome of all foods.

GOETZ BREAD COMPANY.

NOTICE

Proposed order establishing a building line on West side of Main Street from Bigelow Street on the South to a proposed street on the North, South of land of Manchester Athletic Association, with time and place of public hearing on said proposed order.

The Selection of Manchester, Conn., at a meeting held June 29, 1914, acting under and pursuant to Section 9 (4) Special Laws Conn. 1913, approved April 9, 1913, having deemed it for the public good that a building line should be established on Main Street, a highway in the Town of Manchester, Conn., from Bigelow Street on the South to a proposed street on the North, South of land of Manchester Athletic Association, passed the following proposed order, viz:

Ordered: Subject to provisions of said Section 9 that the following line on the West side of Main Street, a highway in said Town of Manchester, be and it is hereby established, viz:

The building line on the West side of Main Street is to be thirty (30) feet west of and parallel to the West line of Main Street, from Bigelow Street on the South to a proposed street on the North, South of land of Manchester Athletic Association.

And it is hereby ordered: That said proposed order of the Selection of Manchester, Conn., be heard and determined at the Hall of Records in said Town of Manchester, on July 13th, 1914, at 8 o'clock in the afternoon, and that the Secretary of this Board cause a copy of the proposed order designating the building line upon said proposed order to be deposited in a Post Office in said Town of Manchester, at least five days before the day of hearing, and a copy of said order to be deposited in a Post Office in said Manchester, postage paid, directed to each person or persons interested at his or their last known address at least five days before the day of said hearing and returnable to this Board.

Dated at said Manchester, June 29th 1914.

Howard L. Taylor, Emil L. G. Hohenbal, Arthur E. Bowers, J. D. Cheney, W. B. Rogers, Selectmen of Manchester.

NOTICE

Proposed order establishing building lines on North and South sides of Russell Street from Main Street on the East to a point 982.10 ft. from Main Street on the West, with time and place of public hearing on said proposed order.

The Selection of Manchester, Conn., at a meeting held June 29, 1914, acting under and pursuant to Section 9 (4) Special Laws Conn. 1913, approved April 9, 1913, having deemed it for the public good that building lines should be established on Russell Street, a highway in the Town of Manchester, Conn., from Main Street on the East to a point 982.10 ft. from Main Street on the West, passed the following proposed order, viz:

Ordered: Subject to the provisions of said Section 9 that the following building lines on the North and South sides of Russell Street, a highway in the Town of Manchester, be and they are hereby established, viz:

The building line on the North side of Russell Street is to be twenty (20) feet east of and parallel to the East line of Russell Street, from Main Street on the East to a point 982.10 ft. from Main Street on the West.

The building line on the South side of Russell Street is to be twenty (20) feet west of and parallel to the West line of Russell Street, from Main Street on the East to a point 982.10 ft. from Main Street on the West.

On the Canal, White Star, North of Main Street, and other proposed building lines, as shown on the plan filed in the office of the Selection of Manchester, Conn., at the Hall of Records in said Town of Manchester, on July 13th, 1914, at 8 o'clock in the afternoon, and that the Secretary of this Board cause a copy of the proposed order designating the building lines upon said proposed order to be deposited in a Post Office in said Manchester, at least five days before the day of hearing, and a copy of said order to be deposited in a Post Office in said Manchester, postage paid, directed to each person or persons interested at his or their last known address at least five days before the day of said hearing and returnable to this Board.

Public Notice

To all whom it may concern: Upon the application of the Connecticut Company to the Selectmen of the Town of Manchester, dated July 1, 1914, for the acceptance and adoption of certain plans showing changes in the location of poles and wires as proposed to be made in certain highways in said Manchester, which plans are entitled "The Connecticut Company Hartford Lines Manchester Center to Depot Square-Proposed Relocation of Tracks, Manchester, Conn. Scale 1"=40" June 1914, Sheets 1, 2, 3, and 4."

ORDERED: That the foregoing application be heard at the Selectmen's office in the Hall of Records in said Town of Manchester, on 13th day of July 1914 at 8 o'clock in the afternoon.

Notice of said hearing shall be given to all persons interested therein to appear if they see cause at said time and place and be heard relative thereto, by publishing this order in a newspaper having a circulation in said Town of Manchester, at least five days before the day of said hearing.

Dated at said Manchester, July 3rd, 1914.

Howard L. Taylor, Emil L. G. Hohenbal, John Cairns, G. E. Willis, Arthur E. Bowers, Selectmen of the Town of Manchester.

League Games Tomorrow

There will be two mighty clashes in the mill league tomorrow and in order to accommodate the crowds that will present to witness these conflicts the magnates have arranged to use the pool grounds on Main street for that purpose.

Mrs. John A. Haling of Main street has gone to Savin Rock for the summer. She and her husband went to the school teacher in the Metropolitan and is spending a portion of his vacation with friends here and heresabouts.

Mrs. Moe Feinberg is the guest of her sister, Mrs. William Rubinow of East Center street. She is accompanied by her children, Miss Rosaline Epstein is a teacher in the school here and all are from New York City and are spending the week here.

Warren Keeney, the smooth young tomorial art list at George B. Miner's parties will leave tomorrow for his maiden trip to New York City, gliding down the bay on the New York boat. He intends to see the sebra and other wonders of the city and the night before the second attempt can be made time will be necessary for recuperation and healing processes to advance.

Beginning yesterday most of the stores in the business section closed at the hour of the day and are now open for the remainder of the day and night. This they intend to do during July and August. Housewives will do well to remember this and make purchases accordingly.

C. E. HOUSE & SON INC. BIG STORE WITH LITTLE PRICES

NEW PRINTING MACHINES. Fashion Demands Broads Silks and These Must Be Supplied At Any Cost. Cheney Brothers are making arrangements to install three new broad silk printing machines that will print a piece of cloth 44 inches wide. The present vogue of ladies dresses is for skirts having but one seam in front and one at the back. These are known as two-piece skirts.

Cheney Brothers have a battery of 13 silk printing machines but they can print cloth but 20 inches wide. Cheney Brothers are now using broad looms for weaving this wide silk and they find that they must have new printing machines in order to meet this change in the styles of ladies skirts. The high drying towers that now overtop the printing department will also have to be enlarged in order to allow these wide widths of fabric to move up and down after passing through the printing machines.

The old machines have to go to the scrap heap and new machinery of the Empire Fashion, she brooks no opposition. Any mechanical or other contrivances which impede her progress tend to check her mightily way must be removed, let the coat be what it may.

The present style of plain tint and plain color gowns for ladies causes quite a depression in the silk printing trade. Flarelines and other light figured silks are not much in demand now and therefore the silk printing industry languishes like farm products during a protracted drought.

Band Concerts. The Military Band of Manchester will give the first of four open air band concerts at Center Park next Wednesday evening. Manager Arvid Weiman will have 25 men under the sway of his baton. Hereafter he has had 20 in former years five concerts were given. The next to be borne by the family of the late Frank Cheney, as usual. Following is the program for Wednesday evening's concert: March Col. Logan Sargent Overture Post and Peasant Supper Cornet Solo Lyric Polka (new) W. Man Medley Overture Remick's His No. 14

Patten-Engle. Matthew Patten of Spruce street and Miss Lena Engle of West Center street were married at the home of the bride last Wednesday afternoon by Rev. M. B. Bennett officiating. John McCann was best man and Miss Christina Engle, sister of the bride was bridesmaid. Old relatives and intimate friends were present. The happy pair received some choice wedding gifts. They are in their honeymoon and when that ends they will reside with Mrs. Engle.

Wilson-Sheekey. Samuel J. Wilson and Miss Margaret Sheekey, both of Oak Grove street, were married in Rockville last week by Rev. P. E. Thomas of the Union Congregational church. The bridal couple have apartments furnished on Oak Grove street and have taken up housekeeping.

Digging Foundations. The Aberthaw Construction Company set a large gang of men and boys to work on the foundation for the school buildings on Main street. A deep cavity has to be made by the hand shovel and it is to be done by the steam shovel. It so happens that the steam shovel must be placed beneath the surface in order to operate successfully, as it is a very fine process describing a driver and vertical operation from the level upon which the machine rests. Work will now be pushed there with celerity.

Engagement Announced. Timothy and Mrs. Keating of West Center street announced the engagement of their daughter, Miss Helen Catherine, to Mr. Edgar A. Martin of New York City. Mr. Martin is a practicing lawyer of the firm of McLaughlin & Martin of Broadway, New York. Miss Keating is a trained nurse and has been stationed in the Metropolitan for several years past. She is a native of South Manchester. The wedding is to take place in the fall.

BUSY SELECTMEN

LATE SESSION HEARING PROPERTY OWNERS DISCUSS BUILDING LINES

Location of Poles on Main Street Agreeable Beglow Brook Property Owners Have Faintly Bowed Telephone Wires Underground Traffic Officer

The board of selectmen held another special session at the Hall of Records last Monday evening at which time they had four hearings on the establishment of building lines; a hearing on the relocation of poles on Main street north of Center; and also passed on many other matters. The full board was present and it was 12:45 Tuesday morning before adjournment was taken.

Location of Poles

The relocation of poles of the Connecticut Company on Main street was taken up first and after reading the position and the board's order for the same General Manager W. F. Bristol of Hartford was called. Mr. Bristol said he was unfamiliar with the proposed location of poles but that Engineer Bowen had made certain changes and the map as it stood was agreeable to the company. He explained that a joint use of the poles had been agreed upon between the Connecticut Company, the Southern New England Telephone Company and the South Manchester Light, Power and Traction Company. The feet west of the Connecticut Company and all the lighting company would be carried on the poles on the east side of the street. No other persons were heard on the pole relocation and in executive session later in the evening the board ordered the poles located as shown on the map. The matter now goes to the utilities commission for approval.

property owner appearing who represented property owners on the east side of the street. Mr. Morrison favored the establishment of a twenty-foot building line. For the west side of the street J. W. Flood, G. W. West, J. H. Keith, G. E. Willis and Angelo Vance favored a twenty-foot building line. E. J. Holl acting as agent for the property on the corner of Hill and Pearl streets, was favorable to the establishment of a building line but contended that on corner property the line should be so established as to permit the building of business blocks if necessary warranted same and suggested that a line of less than twenty feet be established. Later in the executive session the board voted to establish a twenty-foot line for the entire distance both sides of the street and fixed damages at ten cents per lineal foot and benefits of ten cents per lineal foot.

Walnut Street Building Line

The establishing of a twenty-four foot building line on Walnut street from Elm terrace to Cooper street was next in order. William Randi, Mrs. Augusta Erdin, William Martin, Mrs. Amelia Aspinall, Cheney Brothers, J. F. Roach, Gustave Randi, John Bentley, Emil Krause, J. M. Carney, Robert Doeller etc. had no objections to the establishment of the proposed line. H. C. Forbes objected to the establishment of any line as he might want to use his property for business purposes later and wanted restrictions on the reason. Edward Kearney, who owns a vacant building lot, opposed the establishment of a twenty-four foot line as it would deprive him of that much land and his lot was not deep enough to spare it. H. O. Rogers represented Antonio Lameno and opposed the establishment of a twenty-four foot line. He asked that the building line be established as the building line from Pine street east as it was purely a business proposition in that locality and Mr. Lameno was ready to put up a substantial business block at the present time. Frank Bowe, who owns the property next east of Mr. Lameno, objected to a twenty-four foot line. He is contemplating a business block which is four feet from the property line and he thought other business blocks there should line up with his own. In the executive session the board voted to establish a twenty-four foot line from Pine street east to Cooper street and the other for same

The benefits and damages were fixed at ten cents per lineal foot in each instance. The Russell street building line next engaged the board's attention. The order proposed a twenty-foot building line on both sides of the street as far west as the street had been accepted which would carry it 182.10 feet from Main street on the south side and 533.35 feet on the north side from Main street. E. J. Holl and A. D. Hale were the main speakers and they objected to establishing a twenty-foot line on their corner property. Mr. Holl would be satisfied with a ten-foot line for a distance of 125 feet and then for the balance of the distance he would be agreeable to a twenty-foot line. Mr. Hale argued along the same lines as did Mr. Holl but wanted the ten-foot line to run the distance of his lot, which is 153 feet. In executive session the board ordered that a ten-foot line be established on both sides of Russell street for a distance of 125 feet from Main street and for the balance of the distance ordered that the building line be twenty feet. Benefits and damages at ten cents per lineal foot were fixed.

Main Street Hearing Pauses

The selectmen, on petition of property owners between Eginet street and the grounds of the Manchester Athletic Association, save what was supposed to be a hearing on establishing a building line in that section of Main street between the points noted above. During the hearing of the property owners it became evident that a fair sized neighborhood now had grown out of the petition to establish a line and many personal remarks were passed between the property owners and details seen thick and fast at times. Even some of the selectmen were brought into the controversy and the whole hearing appeared to be like the large gallery of spectators who heard the many disagreeing statements of the property owners. In executive session the board tabled the proposed order for the establishment of a building line in that section and it was then moved that building lines be established on both sides of Main street from the Center street to the railroad tracks. The selectmen Cheney and Colver and Selectman Bowe were appointed a committee to recommend to the board the line that should be established.

Hartford Theatre

Based upon one of the old time legends of Japan, The Wrath of the Gods, or The Destruction of Sadafusa, a five-act photo-drama, will be seen at the Hartford theatre the last half of the week, opening yesterday afternoon. The scenes, all of which are laid in Japan, are spectacular and the theatricality which expresses the wrath of the gods. The Wrath of the Gods concerns Toyu San, a powerful business firm and the daughter of a noble and powerful family of Japan. The story is a tale of love and hate, of a woman who is sacrificed to the gods.

of a family by an eruption of the volcano Sakura-Jima. Not in twenty years had this volcano erupted. A Japanese girl was loved by a young man of her own class, perhaps richer than she. With all pomp, he is rejected by Lord Yamaki but when his mission is made known, the father refuses, explaining that the marriage would so displease the gods that the result would be horrible. The daughter would not be backed more than was necessary. Selectman Cheney said that he had agreed to plant three maple trees for John Crockett on Main street because of the new curbing and walks in front of Mr. Crockett's property it was necessary to spoil three trees that were near the walk. The agreement of Mr. Cheney was confirmed by the board.

The agreement between the town and the Southern New England Telephone Company regarding the wires along Main street

The agreement between the town and the Southern New England Telephone Company regarding the wires along Main street was the next item on the agenda. As stated before the company intends to place the wires in conduits from Miner street to Middle turnpike to connect with conduits of the company from that point south. Selectman Bowers said that the police committee had taken up the advisability of appointing a traffic officer for regular duty at the Center and that the chief recommends the appointment of an additional regular officer. The chief wants a traffic man at thirty-three and tomorrow at nine o'clock in the evening. In order to carry out this plan it will be necessary to get an additional appropriation for the police appropriation is nearly used. An extra appropriation will be asked for at the special town meeting next Monday evening.

Miss Frances Marie Gardner of Hackensack street

Miss Frances Marie Gardner of Hackensack street went to the St. Francis Hospital Monday afternoon and Wednesday morning was operated upon for appendicitis. She was kept under the anesthetic for one hour and twenty minutes. It was found that the inflammation was very severe and the operation was very successful. She is getting on well and will be discharged in a few days.

being the benefits and damages had been signed the board discussed some other town problems. It appears that the William Grady corporation is delivering railroad ties to the Connecticut Company which are being distributed along Main street because of the ties are being rejected. It was voted to order the rejected ties removed from Main street so that traffic would not be blocked more than was necessary.

The picture will be presented at the Hartford Theatre today and tomorrow

The picture will be presented at the Hartford Theatre today and tomorrow as the headline of an exceedingly big program of photoplays. There are other subjects, among them being the latest comedy and dramatic releases. The Battle of Sexes, the current feature film in six parts, is being enthusiastically received by large audiences. This novel treatment of the sex standard question being thoroughly appreciated by all who have seen it.—Adv.

COLOSSAL EXHIBIT PALACES FOR PANAMA PACIFIC EXPOSITION

Marvelous Works of Art to be Shown at San Francisco

Thirty-six of the World's Navies Will Participate Officially Upon a Stupendous Scale—World's Most Noted Architects Create City of Palaces the Like of Which Man Has Never Beheld—England to Exhibit.

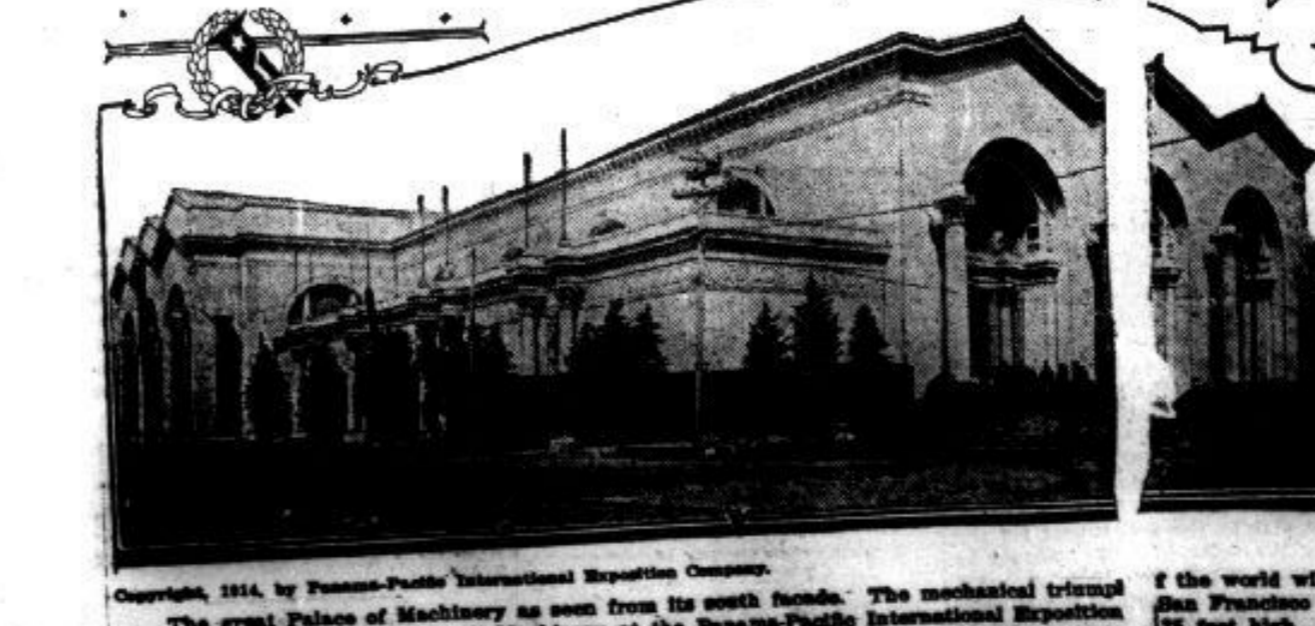

The photographs upon this page reveal just a few of the thousands of marvels that will be seen by the millions who visit the Panama-Pacific International Exposition in San Francisco next year. The opening of the Panama canal is regarded by the nations as one of the most stupendous events in the history of the world, and in recognition of the great work at Panama there will be exhibited in San Francisco a display of the world's progress as has never been seen before. The news that England will exhibit at the Panama-Pacific International Exposition is evidence of the amazing interest that is everywhere taken in America's Panama canal celebration. Thirty-six of the world's great nations will officially participate in the exposition. Here is the list: Argentina, Australia, Austria, Bolivia, Brazil, Bulgaria, Canada, Chile, Costa Rica, Cuba, Denmark, Dominican Republic, Ecuador, France, Guatemala, Haiti, Holland, Honduras, Italy, Japan, Liberia, New Zealand, Nicaragua, Panama, Peru, Ecuador, Portugal, Salvador, Spain, Sweden, Turkey, Uruguay, Venezuela and Great Britain. The nations have appropriated enormous sums. The Argentina, for example, has appropriated \$1,000,000 gold for its display; Canada has appropriated \$600,000 and construction is far advanced on the great Canadian pavilion. The natives of every civilized country on earth will be enabled at San Francisco to behold a surpassing view of the progress of their native land. Throughout the United States and in foreign lands millions of people are planning to visit the exposition next year. At a recent meeting of the Transcontinental Passenger Association it was decided to make great reductions in railroad fares. The exposition opens on February 20. VIEW OF A HALF-DOME IN THE WONDERFUL PALACE OF EDUCATION.

This photograph shows a half-dome in the colossal Palace of Education at the Panama-Pacific International Exposition in San Francisco in 1914. The world's most noted artists, mural decorators and sculptors were engaged to decorate the exposition palaces, and as a result, the huge structures are indelibly beautiful. The interior of the dome is embellished with a superb mosaic of brilliant colors, designed under the supervision of Mr. Jules Guerin, the noted artist. The height to the top of the half-dome is 110 feet.

HUGE PALACE OF MACHINERY AT WORLD'S GREATEST EXPO ON.

The great Palace of Machinery as seen from its south facade. The monumental triumph displayed in the great Palace of Machinery at the Panama-Pacific International Exposition in San Francisco next year. This colossal structure is almost a thousand feet long, four hundred feet wide and the height to the top of the main structure has already begun. Three massive steel girders, the world's largest, would easily be placed in this vast structure and with ease to erect.

FIRST NEWS PICTURE OF THE WONDERFUL PALACE OF HORTICULTURE

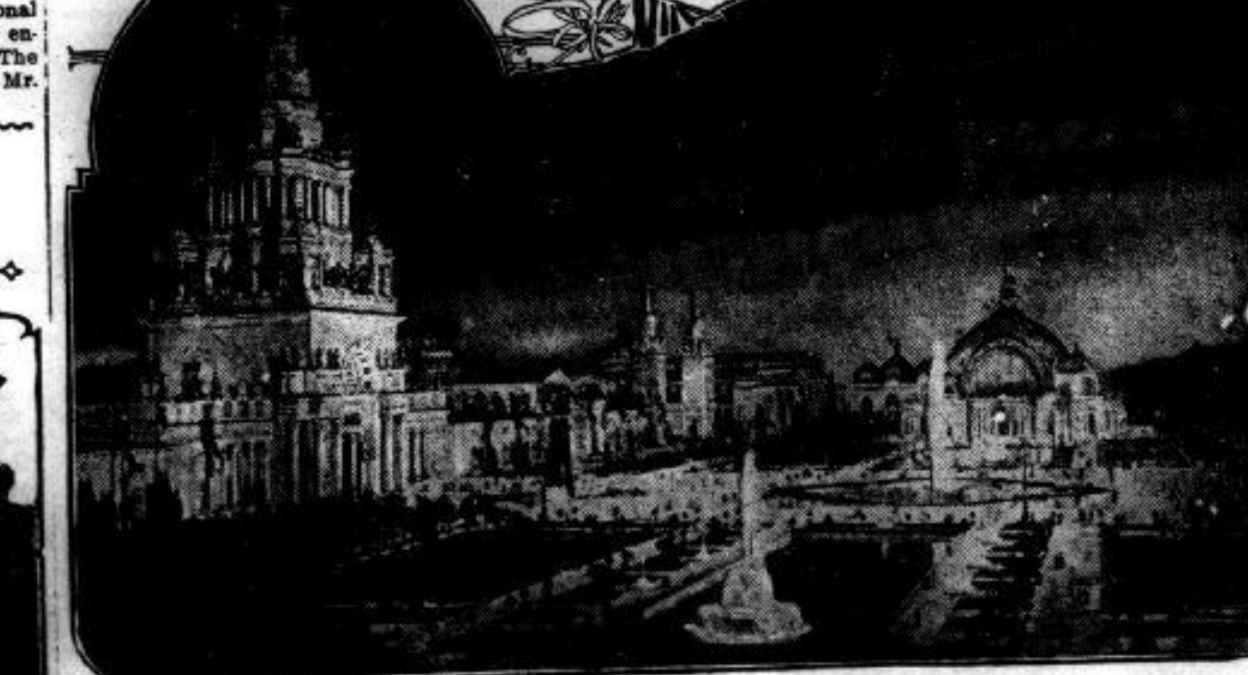

The huge Palace of Horticulture is set in the South Gardens of the Panama-Pacific International Exposition and will be one of the most striking features as the visitor enters the main exposition gates at Scott street. The dome will be covered with glass, and at night colored searchlights within the palace will cause the great globe to gleam with all the colors of the rainbow. The lighting effect will be visible from the harbor. Crowding the dome may be seen the "flower basket." This is 36 feet in height and weighs more than one hundred tons. This photograph shows the framework of the building as it appeared nearly in May. The exposition will open in San Francisco February 20, 1915.

FAMOUS SCULPTOR'S CONCEPTION OF "WATER," FOR COURT OF THE UNIVERSE.

Seen in one of the sculptural warehouses on the exposition grounds. The figure above is that of a remarkable sculptural composition by Robert I. Altun, one of the most brilliant of American sculptors. The figure represents the sculptor's conception of "Water," a companion piece to three other symbolic sculptures—"Fire," "Earth" and "Air." The four figures, typifying the elements, will flank the descender into a vast garden in the superb court of honor, the Court of the Universe. On the left may be seen the original model from which the figure was enlarged.

VAST SOUTH GARDENS OF THE MARVEL EXPOSITION CITY AT NIGHT.

Night view of South Gardens and main entrance to the Panama-Pacific International Exposition at San Francisco in 1914. Dominating the scene at the left of the picture is the Tower of Jewels, rising some 435 feet into the air, its architectural lines marked with thousands of glittering hand-polished crystals of many colors and sizes. The architectural lines marked with thousands of glittering hand-polished crystals of many colors and sizes. The architectural lines marked with thousands of glittering hand-polished crystals of many colors and sizes. The architectural lines marked with thousands of glittering hand-polished crystals of many colors and sizes.

IF HAIR'S YOUR PRIDE, USE HERPICIDE

A feeling of uncertainty, a dread of premature thinning, a fear of the "off brand" hair preparation. That is the trouble with you, just as much as the label on the bottle. You don't get this with a bottle of Newber's Herpicide. It is not an experiment. You number among your acquaintances and friends hundreds who have used Herpicide with satisfaction, and you know that you can do the same. The results are always positive. For the removal of dandruff and to check falling hair, Newber's Herpicide is the best. It is sold by all dealers who guarantee to do all that is claimed. If you are not satisfied your money will be refunded. J. H. QUINN & CO., Special Agents.

Edwards' Greatest Short Stories No. 1. THE MAN WITHOUT A COUNTRY

By Ethel Everett Hale. Twenty-four famous authors were asked recently to name the best short story in the English language.

The choice of Mary Roberts Rinehart and Owen Johnson was "The Man Without a Country," by Edward Everett Hale.

EDWARD EVERETT HALE. MARY ROBERTS RINEHART. OWEN JOHNSON.

PART I. I suppose you are as fine as the "Legion of the West," as the western division of our army was then called.

And the whole room was hushed deep as night for a minute. Even Nolan had his eyes fixed on the speaker.

Then they all saw something was to pay, but he expected to get through. I suppose, turned a little pale, but blushed and made his eyes meet those of the prisoner.

When Nolan was second officer of the Atlantic coast with the prisoner on board the ship, he was always thought of as a man without a country.

What Burr meant to do I know no more than you do, reader. It is none other than to make you a man without a country.

I suppose he did not know how the words struck old Colonel Morgan, who was holding the court.

He had grown up in the west those days in the midst of "Spanish plot," "Orleans plot" and all the rest.

He had been perfect in all commercial expeditions to Vera Cruz and I think he told me his father once lived an Englishman to be a privateer.

And that is the only thing I ever knew of that voyage. Phillips told me a story of something which happened at the Cape of Good Hope on Nolan's first voyage, and it is the only thing I ever knew of that voyage.

GIFTS TO FED STARS

Automobile for Each Player on Winning Team.

Scheme Proposed by John Montgomery Ward, Old Giant Shortstop, to Interest General Public in Games Being Played.

Federal baseball league officials, not to be outdone by organized baseball, which has its world's series spoils to display before the eyes of players, will go their rivals one better in the way of a prize by giving a \$4,000 automobile to every member of the team which wins this year's Federal pennant.

Although no official announcement to this effect has yet been made by the independent, it can be stated that President Gilmore is working on the plan and will give the public the details as soon as he completes them. As there are scarcely more than a hundred percentage points between the first and last teams in the Federal league, there is almost an equal chance for every one of them to get the prize.

The pennant winners, however, will not be the only ones to share in the Federal star players and these will be matched against the league champions. Games will be played after the close of the season, the winner of the world's series, but the contests will take place in several cities in order to give most of the fans a chance to see the game.

For instance, if Chicago was the pennant game surely would be played in Baltimore, where Mike Doolan, the great shortstop, holds forth; Brooklyn would get a game because Tom Seaver would be picked by the team for the All Stars; Indianapolis would also see a contest because Cy Falkenberg, and so on along the circuit.

The Federal promoters believe that the great states would prove a powerful impetus to the players. The idea is to get the public interested so that when a fan goes to see a game he will know that the teams he is watching are out for blood.

Manager Wilbert Robinson of Brooklyn is said to be much elated over the work of Olie O'Mara at short.

Johnny Murphy, shortstop of the Toronto, is the Canadian league, is out for the season with a badly broken leg.

The Cincinnati club has made a deal by which it will get the pick of the Gilmore by John Montgomery Ward, the old Giant shortstop, business manager of the Brooklyn team. The deal provides that the proposition is to be made to the Gilmore by Ward, who is now manager of the Cincinnati team.

It is understood a standard automobile concern has been communicated with and that the company has agreed to furnish the cars at a figure considerably below the catalogue price because of the excellent service which the plan would bring.

Frances Golden Rule.

It seems that the world is getting better. On the baseball world, it is at least. According to Eddie Collins, the old Giant shortstop, business manager of the Brooklyn team. The deal provides that the proposition is to be made to the Gilmore by Ward, who is now manager of the Cincinnati team.

POPULAR WITH BALL FANS IN NEW YORK

Larry McLean of New York Giants.

Long Larry McLean has made a great bid for honors since joining the Giants and is playing the best ball of his career. In addition to behaving himself on and off the field, while with the New York Giants he has developed the reputation of being a "bad actor," but his New York sojourn has been singularly successful.

He added considerable strength to the Giants, stepping into the breach whenever Chief Myers is out of the lineup. Larry is a first-class backstop and is a good hitter. When in condition there are few more valuable men behind the bat in the big leagues. He has got along in good style with the club and has given his best efforts to the Giants. Larry acted as catcher for the Cincinnati Reds for several seasons and later was with the St. Louis Cardinals.

NOTES OF THE DIAMOND

First Baseman Jack Klueber of the Brooklyn Dodgers has signed a five-year contract.

Two Kansas state towns are blessed with "Sunday ball" this year for the first time—Emporia and Salina.

PLANS CAREER EARLY

CHARLIE HERZOG IS YOUNGEST MANAGER IN BASEBALL.

Decided When Youngster to Become Baseball Player, and Everything He Did Was Pointed to That End.

Charlie ("Duck") Herzog of Cincinnati is a decision in baseball's big league manager at the age of twenty-eight, because when a kid, he decided upon a plan and went through with it.

He decided early in life to be a ball player, and everything he did was pointed toward that end. As a result he is the youngest manager in the majors, is rated as a star infielder, and one of the best base runners, owns a 170-acre farm, and is so fixed, even at twenty-eight, that he could retire from the diamond and live comfortably.

Herzog had a motto when a kid, it was this: "Play every day." He followed his motto in that he would play with boys of his own age he hunted up younger chaps.

He did play with any kid who would toss a ball. One day he played with older boys who had an organized team and uniforms, and the next day he might be playing for an alley or hitting fields on a corner lot.

He didn't care with whom or where he played, so long as he had a baseball in his hand every day.

At the age of sixteen Herzog was captain of the fastest semi-pro team in Baltimore, his home town. At eighteen he was manager of the Ridgely (Md.) team in a little league. At twenty-one he was tried in the majors and made good.

Herzog is a success because he has hustled. He goes into everything with heart and soul. He always has a plan and goes through with it.

The Surprise Store Closed Friday Afternoon July 11 to Sept. 10, Inclusive. Open Saturday Evenings.

FACTORY STORE CLEARANCE SALE. We candidly believe that every man who visits The Surprise Store during the current sale will agree that this town has never before seen seasonal, stylish and desirable merchandise of similar qualities offered at prices so noticeably and unusually low.

A Few Examples of The Values

Particular Attention Is Directed To A New Lot of those Guaranteed All-Wool \$15 and \$18 Suits at \$7.50

GUARANTEED ALL-WOOL \$15.00 and \$18.00 SUITS. The town went wild over a few weeks ago. Many men thought it was impossible. Even merchants doubted our ability to give at

But it's quite a different story now. We proved that it's a mistake for a customer to let his doubts keep him from investigating. Scores of men came in after the previous lot was disposed of and wanted suits of different kinds—all grades made to go into \$15 and \$18 suits. They were made into suits and distributed among the FIVE SURPRISE STORES. The first lot was sold a few weeks ago. The latest lot has just been received and here it is.

LOOK AT THIS ONE MEN'S \$1.50 Straw Hats Are Now 79c

GREENLAWN TERRACE

South Manchester, Conn. Greenlawn Terrace is located on Summer Street extending through to McKee Street. Patrons coming by trolley, leave car at McKee Street, the Terrace is Only a short walk.

SATURDAY, JULY 18, MONDAY, JULY 20th at 2 p.m.

Greenlawn Terrace. This beautiful property is located on Summer street at the corner of McKee street and was formerly known as Barry land. For years the cry of land buyers at auction sales of lots has been that they are too small, that particular feature at Greenlawn Terrace has been outdone in a great many ways.

opportunity to secure some of the FINEST LOTS IN THE TOWN OF MANCHESTER AT YOUR OWN PRICE. WE ESPECIALLY INVITE THE LADIES TO ATTEND THIS SALE, for they are vitally interested in the home and realize the importance of the right location.

BUY NOW—BE AN INVESTOR. BY YOU can watch your own investment grow. Don't buy imaginary Mining or Oil Stocks, where the beautiful engraved certificates are given for hard earned cash. In a majority of cases the certificate represents the principal and interest, and all you will ever get.

GREENLAWN TERRACE. The property is developed on streets already accepted and cared for by the town. We only have fourteen of these choice lots to dispose of. The soil is soft loamy loam, where the property is perfectly level. It is on an agreeable elevation, pleasant surroundings, and a fast growing section of Manchester. The owners of Greenlawn Terrace have placed these lots in my hands to sell at public auction. Twelve of these lots front on Summer street, which has sewer, water and electric lights, and one on the property, you don't have to wait for improvements; they are here, all neighbors are enjoying them. Buy your lots on

the opening day, when the largest and choicest lots will be offered for sale. HOMESEEKERS AND INVESTORS. The property is developed on streets already accepted and cared for by the town. DAIRY

Practical Dairy Barn Plan. General Instructions Given for Constructing Building to Accommodate Five to Fifteen Cows.

The Rural New Yorker in response to a query for a plan for a barn to accommodate 15 cows makes the following reply:

The accompanying floor plan of a barn 32x50 feet, and 18 feet high from sill to plate, with gambrel roof, would suit the writer if he wanted one of this size. It has a full width of 32 feet, and a full depth of 50 feet. The main part of the barn is 28 feet wide and 48 feet deep. The main part of the barn is 28 feet wide and 48 feet deep. The main part of the barn is 28 feet wide and 48 feet deep.

DAIRY NOTES. Ticks the cow's palate and it causes her to cough and spit up. The good dairy farmer is the man who appreciates a good cow.

Every dairyman ought to have a good milking kit and know how to use it. There is something wrong with the dairy cow offered for sale cheap these days.

The best dairy cows will give the best returns if handled quietly and treated gently. The scales will tell both with milk and better whether a cow is kept at a profit or not.

CHILDREN'S APPAREL. White Lawn Dresses, nicely trimmed, \$1.50 value at 79c. \$2.50 and \$3.00 Embroidery and Lace dresses at \$1.49.

FARM STOCK

FRESH WHEY FOR YOUNG PIGS. Should Be Fed in Combination With Grain, Corn and Barley Meal. Being Preferable.

Prof. G. C. Humphrey, Wisconsin (Agr. Chemist). For pig feeding, fresh whey is fresh from the factory or at least only slightly fermented in comparison to the whey that is sold in the market. It is worth about one-half as much as skim milk. It should be fed in combination with grain, corn and barley meal.

FATTEN SHEEP FOR MARKET. All kinds of sheep should be fattened in the autumn. It is better to fatten them in the autumn than in the spring. The sheep should be fattened in the autumn. It is better to fatten them in the autumn than in the spring.

CAUSE OF COLT DISTEMPER. Distemper affects horses only, rarely attacking mules and donkeys. It is a contagious disease that nearly all horses contract the disease when not and usually remains immune to future exposure. The cause is a very small organism or germ which enters the system when a healthy colt comes in contact with a diseased one or when fed and watered in infected vessels. The seat of the trouble is largely restricted to the respiratory organs, occasionally extending into the brain.

DAIRY NOTES. Ticks the cow's palate and it causes her to cough and spit up. The good dairy farmer is the man who appreciates a good cow.

Every dairyman ought to have a good milking kit and know how to use it. There is something wrong with the dairy cow offered for sale cheap these days.

The best dairy cows will give the best returns if handled quietly and treated gently. The scales will tell both with milk and better whether a cow is kept at a profit or not.

Colonel Relates More of His Adventures With Jungle Denizens.

From Colonel Roosevelt's fourth article describing his journey in the Brazilian wilderness...

THE most important part of our trip turns out to be that down the Unknown river. In view of the discussion that has taken place about this river it is perhaps best to make this short statement in reference thereto.

Colonel K. Tapir. Telling of an exciting tapir hunt, Colonel Roosevelt says: The night was coming downcast at a great rate, only its grey head above water...

An Exciting Chase. Three or four of the hunters were by this time estimating the river, leaving a Wilson steam roller.

President's Daughter Says "It's A-Fal" but She Has Her Way. How Miss Margaret Woodrow Wilson used the steam roller to get through a resolution...

Kentucky's New Senator. Johnson McCreary, Democrat, named by Governor McCreary of Kentucky as senator to succeed the late William O. Bradley...

Queer Things That Turn Up in the News. Dared by another boy, seven-year-old Bernard King of Passaic, N. J., ate a green apple. It killed him.

Christie Hill of Paterson, N. J., who escaped injury for twenty years as a railroad brakeman, had ankle fractured by bicycle rider.

Louis C. Brommer, aged sixty-three, of West Haverstraw, N. Y., died at Haverstraw, Conn. as the result of pulling a tooth with a pair of pliers.

Inmate of insane asylum in Cincinnati are to see a league baseball game on July 4. They are expected to give a lesson in behavior to the regular fans.

A son born to Mr. and Mrs. Jacob Libenstein of Bloomfield, N. J., has living two grandfathers and two grandmothers, two great-grandmothers and a great-great-grandmother.

Dangerous Peccaries. The small peccaries go slinky or in small parties and when chased take refuge in holes or hollow logs...

When Hearts are Tender. A Psychological Study of the Human Emotions in Time of Pearl at Sea. I have often wondered how people would act, how I myself would feel...

Wicker Furniture Pleases Them All. It suits mother's sense of beauty. It's dad's idea of comfort. He sinks down in the big arm chair and puts his feet on the chair nearest him without another saying "Don't."

Watkins Brothers Inc. Selectmen Will Meet Monday. A special session of the board of selectmen will be held at the Hall of Records next Monday evening when the board will hear the report of the police committee on charges preferred

ROBERT ARNOTT AND ROGERS?

POLITICIANS GUNNING FOR SCALPS OF TWO OFFICE HOLDERS AND DETERMINED TO GET THEM.

Edict Says Arnott and Rogers Must Go—Battle Cry Is Proclaimed and Political Camps Are Shaping Themselves For Warm and Aggressive Campaign.

The special town meeting held last Monday evening has been the principal topic of discussion among the taxpayers this week and it appears that it was really the opening skirmish in the local political campaign.

Along with this declaration is one that the head of selectman Willard B. Rogers made in the town meeting last Monday evening.

WILLIAM H. COATES Candidate for Representative On Republican Ticket

In conversation with a representative of The News this forenoon William H. Coates made known the fact that he is to be a candidate at the direct primary for representative in the Connecticut Legislature.

Mr. Coates will be a prominent name here, has an honorable reputation, is thoroughly honest and straightforward, is a man of acknowledged and proven ability, and feels that he may with confidence come before his friends and ask for their votes.

He has never held any of the political offices in town, neither has he presented himself as a candidate heretofore. He is a persistent and enthusiastic republican, and if nominated and elected stands ready to put forth his best efforts for the nation, the state, the county and the town of Manchester. The direct primary is to take place Tuesday, September 8th.

Doing Well. Word has been received at the office of The News from Stuart W. Finlay at Rochester, Minnesota, setting forth the fact that his father, George W. Finlay is doing well.

Mr. Nicholas Haak of Hartford and his little daughter are visiting with relatives here.

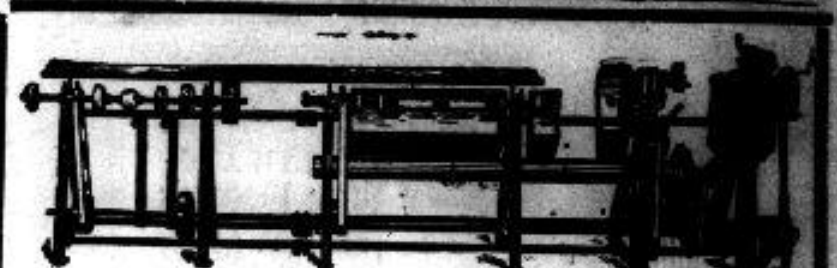

William H. Coates and Mrs. Coates will leave town tomorrow for Watch Hill where they will spend a few days. They will then journey to Boston, to Provincetown, to Gloucester, going by many stages and making such stops as distances apart and indicate that the party thoroughly is well lighted.

Mrs. T. G. Sloane of Main street and children have returned from a two-weeks outing at the shore.
