

THE BEST OF ALL

Breakfast foods, is bread. Bread is higher in nutritive material than any of the so-called breakfast foods and it is much cheaper.

Besides bread may be served in just as many tempting ways.

Nothing is better or easier to digest than milk and bread, or bread toasted to a golden brown and spread with butter-bread fried in egg batter.

In fact, there's nothing that can take the place of bread at any meal and there are many things that bread can take the place of.

Goetz's bread is the best, lightest and most wholesome of all foods.

"Try Try Again"

Robert J. Donnelly, the Cooper Street grocer has again seen the town of Manchester for a bill for groceries furnished the family of William Herwit of Summer street who were afflicted with small pox last year and were quarantined. It will be recalled that recently the court of common pleas at Hartford allowed a claim of Mr. Donnelly's for \$72 against the town for supplies furnished the Herwit family during the period of quarantine. It developed during the trial that groceries had been furnished the family for sometime after the quarantine had been removed. Mr. Donnelly claims that these supplies were delivered because a selectman sanctioned same. It was agreed that the family was in frightened circumstances, that the members were out of work and that they were in need of the means of sustenance. The new suit is brought to recover for groceries furnished the Herwit family after the quarantine had been removed. Papers were served against the town of Manchester last Wednesday by Constable David Crook-

et in a claim for \$150. The case for Mr. Donnelly is being looked after by Attorney John F. Foley of Summer street. Attorney Foley also had charge of the proceedings in the first contest. Judge Olin R. Wood represents the town of Manchester in the suit. "If you don't succeed," is Attorney Foley's motto in this case.

Chicken Pie Supper

While playing football yesterday morning Richard Houghton, 13 years old, received a slight concussion of the brain during a violent forward rush. The ladies of the Wapping Methodist church are to give their annual chicken pie supper in Grange Hall beginning at six o'clock, next Friday evening, October 20th. An automobile truck will leave the south terminus at seven o'clock, stopping at the Center and at Depot square to take all those who desire to go. There will be no charge for this service. First come first served will be the rule. If there are any of the News readers who desire reservations on the bus or at the hall for the supper, a telephone message to Lorenus Foster will make their accommodation to one or both secure. You ring the bell and Mr. Foster will do the running.

Samuel Zorn Deserts Lunch Wagon and Leaves Bills Unpaid

Last Monday morning Thomas R. Hayes the real estate man took charge of the lunch wagon which Samuel Zorn operated on Main street on the Ferris lot and has been in charge of the business since. Mr. Zorn removed his family and household effects to New York City. He left a number of unpaid bills and turned the property over to Mr. Hayes in order that the latter might make a settlement of the bills payable by disposition of the lunch cart as seemed to him best.

Harry M. Burke is representing a large number of the creditors of Mr. Zorn and intends to take care of their interests. He thinks that sufficient money can be realized from a sale of the cart to pay all of the bills. An arrangement was entered into yesterday by Mr. Burke and Mr. Hayes whereby James Copeland of Manchester has rented the cart with its equipment for one week and will endeavor to see if he can make it a profitable venture. Meanwhile Messrs. Burke and Hayes will try to unravel the tangle and get a clear title or bill of sale of the property.

It is believed, if the cart is kept clean, sanitary, orderly, and not have it fit subject for the investigations of the board of health, that a man can make a good living out of it.

Howard and Mrs. Wallace of Hartford visited relatives here this week. Mrs. L. M. Finney of Gloucester visited relatives in town this week. The Forty Hours Devotion will open in the St. James church at the ten o'clock mass next Sunday.

Richard Houghton, 13 years old, received a slight concussion of the brain during a violent forward rush. Mrs. William F. Bostwick has been suffering with an attack of pleurisy at seven o'clock, stopping at the Center and at Depot square to take all those who desire to go.

Did You Ever Drink Perry? Did you ever drink Perry? It is to be seen who is to supply, and all though it is little known in town, it is widely used in England and special varieties of pears, which are grown for this purpose.

TENTH ANNIVERSARY AT CHENEY HALL WITH RECORD ATTENDANCE

Over Seven Hundred Present—Music, Song, Magic, Short Addresses, Banquet and Dancing Furnished—Fine Success—Happy Gathering

The tenth anniversary celebration of the local Fraternal Benefit League took place at Cheney Hall Wednesday evening and attracted a gathering of unusual proportions, fully 700 men, women and children partaking of the enjoyment presented. Charming weather prevailed. A stage entertainment, short addresses, music, song, refreshments and dancing comprised the features of the occasion.

Peter Zagers, the Prospect Hill florist made a lavish display of palms, ferns, chrysanthemums, asters, etc. on the stage and potted plants were distributed about the walls and decorated the long lines of tables in the banquet hall.

Beginning at eight o'clock the Ladies' social was held. The guests were assembling. Clarence J. Taylor made a short address of welcome and expressed the disappointment of the board of health, that a man can make a good living out of it.

In the absence of Mr. Gibbs, Mrs. Buckley made a short address and among other things pointed out to the members of her family have been stationed there all summer and fall up to date. They all intend to return within a short time.

Clarence T. Hubbard gave a demonstration of magic. Several officers and other distinguished guests were seated. A huge tenth anniversary birthday cake ornamented the center table and the supper officers and other distinguished guests were seated. This had ten lighted tapers on it. Young women members of the local council dressed in white and wearing white caps busied themselves waiting upon their guests. The service was prompt, courteous and satisfactory. Every guest was made to cater to the comfort and well being of all assembled at the festive board. The good housewives of the order did themselves proud in the very substantial dinner provided. The committee in charge covered itself all over with glory in the admirable manner in which they conducted the affair.

A surprise was presented when the diners reached the table and began to feast on a musical comedy. The place consisted of a silk American flag, four by six inches, caught up in the center with white bunting, which passed through a hole punched in a red triangle bearing the in silver words "F. B. L. and the words 'Tenth Anniversary'."

A dance program of ten numbers followed the feast.

REPUBLICAN RALLY

AT TINKER HALL WEDNESDAY EVENING FIRST AND LAST OF CAMPAIGN

Addresses Made By Local and Out-of-Town Politicians. Voters Urged to Support Republican Candidates at Polls Next Tuesday

A republican rally took place at Tinker hall Wednesday evening and short addresses were made by a number of candidates for office. Arthur E. Bowers, republican candidate for representative in the state legislature and also chairman of the republican town committee called the meeting to order and made a short address. He then introduced State Senator William C. Cheney as presiding officer of the meeting. Mr. Cheney urged all present to vote the straight republican ticket next Tuesday.

Mayor Wilson of Bridgeport, republican candidate for lieutenant governor charged the democratic national administration with extravagance. Sheriff Edward E. Dewey asked for the support of the voters of this community declaring that the only charge against his candidacy was that his opponent wanted the office. He did not believe the voters of Hartford county would accept that as a good and sufficient reason for a change in the administration of the county jail.

Edward E. King of East Hartford republican candidate for senator from the fourth district made an appeal to the voters of Manchester to come to his support with their votes next Tuesday. He said he would do all in his power, if elected, to fittingly represent the people of the entire district irrespective of party lines.

Ex-Mayor Louis R. Cheney of Hartford brought the apologies of Charles E. Goodwin and Everett J. Lake of Hartford for not being present. They were unavoidably detained in Hartford. Mr. Cheney spoke pleasantly in a reminiscent vein of the good old town of Manchester where he was born and of the people in it for whom he bore kindly remembrances.

Attorney Henry H. Hunt of South Manchester urged the voters of Manchester to aid in the election of all the republican candidates at the election next Tuesday.

Dr. Harry Oakley of Hartford, republican candidate for member of congress from the First Connecticut District gave a good talk outlining the course he would pursue if elected to that office next Tuesday. He asked the support of the voters of this town and on his part gave every assurance of capable filling the position in the interest of the entire constituency.

W. S. Hyde, local candidate for representative on the republican list closed the discussions by predicting a substantial majority for all the republican candidates.

Messrs. Hubben & Bailey, the men who are preparing the sermons of the town of Manchester are here this week having their work framed. The framing is being done by A. Hausmann. They found it difficult to get a sufficient supply of glass in Hartford for this big job. They expect to deliver the large view a next week. The small views are not yet ready.

CONGRESSMAN TAKES EXCEPTION TO REPORTED STATEMENT MADE HERE

No Appropriations for Federal Buildings Made By Present Congress This Session—Ninety Thousand Dollar Appropriation Assured for Manchester

At his headquarters in Hartford today Congressman Augustine Longeran gave a public statement on the appropriation bill for a federal building for Manchester which a citizen made a statement at the republican rally in Tinker Hall, Wednesday evening, to the effect that the congressman could have secured favorable action at the present congress on the appropriation bill for a federal building for Manchester if the senator had been present.

"My attention has been called to newspaper reports to the effect that a statement was made Wednesday evening at a public meeting in Manchester that an appropriation for a federal building for Manchester might have been secured had \$60,000 instead of \$90,000 been sought. Congressman Longeran authorized the following statement: "I have no objection to newspaper reports to the effect that a statement was made Wednesday evening at a public meeting in Manchester that an appropriation for a federal building for Manchester might have been secured had \$60,000 instead of \$90,000 been sought. Surely the gentleman, if correctly reported, is unintentionally in error, for everybody knows that so far during the present session of congress there hasn't been a public building appropriation granted to any city or town in the United States or any of its possessions. So the Manchester building bill could not have been passed, whether the sum requested was \$60,000 or any other amount."

"I have in my possession a letter from the Hon. Frank Clark, chairman of the house committee on public buildings and grounds. This committee has the Manchester bill. Hartford's \$225,000 post office site item, and all other public buildings bills for the United States before it. I am a member of this committee, and am ranking member of the sub-committee which has charge of all public buildings bills for Connecticut. Chairman Clark wrote me under date of October 6, 1914:

"As you know, it has been the custom of congress for years past to have an omnibus public buildings bill covering the entire country once each two years, and as we had one of these general bills on March 4, 1915, we could not introduce a bill calling for an appropriation of \$60,000, Congressman Longeran authorized the following statement: "I have no objection to newspaper reports to the effect that a statement was made Wednesday evening at a public meeting in Manchester that an appropriation for a federal building for Manchester might have been secured had \$60,000 instead of \$90,000 been sought. Surely the gentleman, if correctly reported, is unintentionally in error, for everybody knows that so far during the present session of congress there hasn't been a public building appropriation granted to any city or town in the United States or any of its possessions. So the Manchester building bill could not have been passed, no matter what sum was asked for. I have Chairman Clark's assurance in writing that the Manchester appropriation of \$60,000 and the Hartford appropriation of \$225,000 will be included in the omnibus bill to be drawn at the December session."

FRANK G. BALKNER AS DEMOCRATIC CANDIDATE ASKS VOTES OF CITIZENS

Rose From Ranks of Mill Operatives—Distinctive Working Men's Candidate—Executive Ability Advanced Him to Responsible Mercantile Position

The democrats of the town of Manchester have placed in nomination for the office of representative in the state legislature Frank G. Balkner.

Such names as "the flirtation," "the wave" and "the twinkle" are fairly common wherever dancing is popular. However, an accepted method of executing these steps will aid greatly in learning them.

The man crosses his right foot, then forward on the left foot, then forward on the right foot, then back on the left and bring the left back beside it.

As the right foot comes back move the left foot forward again quickly. The step can be continued, starting on alternate feet.

The wave is a very pretty step, but is hardly suited to use on a crowded floor. It is danced from the straight position and requires greater freedom and more space between the partners than do other steps.

Mr. Balkner is a young man who is rising out of the ranks of the workers. He has lived here practically all his life, was educated at our local schools and on leaving school entered the employ of Cheney Brothers, where he has earned several years in the mill.

Mr. Balkner has a wide circle of friends as he has been dealing with the public for a goodly number of years. He has won a position of responsibility and trust among the business men of this place.

Mr. Balkner solicits the support of the voters of this community irrespective of party. If elected he pledges to devote his best efforts and energies to the important task of serving the interests of the whole people of the town.

HOW TO DANCE THE HESITATION

By ODGERS T. GURNEE Illustrated With Specially Posed Photographs

WHEN the hesitation waits was first introduced into this country it was taken up by every one with a great deal of enthusiasm; but, unfortunately, the steps were changed about so in different localities that few people were able to dance it together without first practicing.

Now, however, the steps have been simplified a great deal and are fairly well standardized. Such names as "the flirtation," "the wave" and "the twinkle" are fairly common wherever dancing is popular.

BIGGEST DEMOCRATIC RALLY EVER SEEN IN TOWN OF MANCHESTER

Congressman Was in House of Friends. Able Address and Much Enthusiasm. Strong Evidence of Big Vote for Popular Young Representative

A democratic rally of unusually large proportions for the town of Manchester took place at the Army Monday evening and certainly "marked" the town. The young man comprising the democratic town committee are putting considerable ginger into the campaign and are quite likely to show a greatly increased democratic vote in this town next Tuesday.

The chairman of the gathering was Congressman Augustus Longergan of the First Connecticut district.

Mr. Longergan did not reach the hall until ten o'clock as he had delivered an address in East Hartford earlier in the evening. He entered with the main street, which was lined with people, and the speaker, who could not talk until the clamor subsided.

Yes, Williams, I'll Tell You Why I Won't Invest in Your Enterprise

YOU'RE located in the wrong town. Closed seventeen saloons last Spring, the first institutions to come across with their licenses. You sold your stock out of those good funds, and what has it got you? Practically a dead town.

Housecleaning Time

Do you need a bed room carpet \$12? Feet? Have a new one to sell? See Williams, dealer in new and second-hand furniture. He has everything to completely furnish the home.

WHAT WHEN AND HOW TO EAT

How Foods Cure Disease. By EUGENE CHRISTIAN, F. S. D.

Decomposition of food, into substances and what are called auto-intoxication and anæmia.

Of all the agents that contribute to health, food will do more than any other.

Obesity is now regarded as a disease as much as hyperacidity or diabetes.

Diabetes is a food disease. It is caused by the overconsumption of the carbohydrate element in our foods.

Hyperacidity (Stomach). Stomach acidity is a true disease from which a great many diseases come.

Hyperacidity is the direct cause of indigestion, and it produces impure blood, dry skin, dandruff, itching hair and excoriation.
