Fad foods may come and go, but bread still remains the greatest of all health foods. Bread-raised children thrive best. They grow up with good digestion. They never grow sick from eating bread. Keep your stomach young by eating more bread instead of meats and other heavy

Goetz's bread is good bread. It is made from good strong spring wheat flour, be-cause strong spring wheat flour makes good bread. It contains all the elements which give strength to the body. Because of its lightness and tenderness, perfect digestibility and its sweet nutty flavor, Goetz's bread is the most nutritious and appetizing of all foods, makes the young strong and the strong healthier.

"The Million Dollar Mystery" brings to light the mysterious ceremonies of the Black Hundred—a band of Russian Millionaires bound by secret oaths to carry out their hendish designs. It reveals the innermost secrets of this internationally known society. Into this thrilling story Harold MacGrath has brought more feverish action-more unique adventure—more exciting romance—than have ever before appeared in his novels. His beautiful heroine, Florence Gray, will command your admiration by her daring deeds. His extraordinary climaxes are bound to grip you.
