EAT MORE BREAD.

Bread is the one food which perfectly combines in itself all the elements which give strength to the body. It is, and always has been, the chief food of the earth's hardest people.

None of the breakfast foods, health foods or other food foods can equal bread in nourishment. Nor can meat or other heavy foods.

Because of its lightness and tenderness, perfect digestibility and its sweet nutty flavor, Goetz's bread is the most nutritious and appetizing of all foods.

Eat more Goetz's bread. Makes the young strong and the strong healthier.

ST. JAMES PARISH

ANNUAL REPORT READ AT ALL MASSES LAST SUNDAY BY REV. W. J. MCGURK

Most Successful Year From Financial Standpoint in History of Parish. Many Permanent and Substantial Improvements Made, Including New and Modern House.

The annual report of St. James parish was read at all the masses at St. James church last Sunday by Rev. W. J. McGurk and showed that, from a financial standpoint, the year 1914 was the most successful in the history of the parish.

Extensive improvements were made on the church property, chief of which was the removal of the cottage at Main and Park streets; cutting down the trees, reducing the hill at that point to conform to the grade of the St. James church; re-surfacing and re-siding the entire front, building a substantial modern cottage on Park street near Main—an investment which is paying ten per cent. All the grading etc. was paid for.

There is considerable of an indebtedness on the church property but as no large improvements are contemplated for the present year it is planned to make a vigorous effort to reduce the indebtedness by the burden of debt now resting upon the parish.

The population of the parish, according to the census of 1913, was 2,366. The foreign nationalities represented in the parish are Italians, Germans, French, Canadians, Poles, Lithuanians, Slavs and Bohemians. There rank in numerical strength in the parish are:

The marriages for the year amounted to 60, of which number 40 were English speaking and 20 foreign.

There were 28 adult deaths in the parish during the year, and strange enough this has been the number in each of the past four years.

The fact that the finances of the parish were so large in 1914 would seem to indicate that the much advertised "hard times" were lightly upon the people of St. James parish.

Every promise that was made one year ago has been fulfilled.

Father McGurk has been pastor of St. James for the past 20 years and the parish bears many striking, permanent and substantial evidences of his excellent administrative and executive ability.

Members of the Equal Franchise League are invited to assemble at the home of Mr. Frank D. O'Keefe of the Popular Cause in High school at 5:30 o'clock. Members of the Educational club and other friends are invited to the dinner at 7:30 o'clock. Members of the Educational club and other friends are invited to the dinner at 7:30 o'clock.

Following is the personnel: Henry Eichheim and Julia Theodorowicz, violins; C. Wyrberg, viola; J. Keller, cello; H. Parsley, bass; A. Chervov, flute; Buchman Charles, piano. Henry Eichheim holds a conspicuous position among great American instrumentalists. Coming to the Boston Symphony Orchestra a young man he rendered distinguished service in that capacity and appeared as soloist with the orchestra of the Boston Symphony Orchestra. Mr. Eichheim's abilities as an orchestral director are remarkable and he has associated with him some of the finest players of distinguished merit, each of whom has been selected for his peculiar fitness in ensemble and as a soloist of unquestioned merit.

The selectmen have taken a stand in opposition to boxing exhibitions in this town and whether they will instruct the chief of police to stop this part of the program remains to be seen. Manager Lewis intends to stage the event until he is stopped by the police.

Home Again
William Rubinow and family have returned from New York City where Mrs. Rubinow, her son and daughter had been visiting for some weeks. Mrs. Rubinow and both children had colds while in the tropics and Mr. Rubinow is also slightly afflicted at the present time. Mrs. Rubinow and her son are well but their previous little dealer is still suffering. It is found that the children are far more vigorous while enjoying the wholesome atmosphere of East Center and Hill streets and vicinity. The breeze that sweep from the north over the golf grounds are full of life-giving ozone and very enjoyable and salubrious.

Card of Thanks.
We wish to hereby thank our many good friends and neighbors for their kind deeds and words of comfort during the illness and at the death of our beloved husband, on Saturday, January 3, 1915. We also desire to thank both the Orange Lodge, and the Bible class of the South M. E. Church, in which our husband and father was a member. We thank the men who sang at the church and at the grave. We especially thank all who contributed so many beautiful flowers.

A Bad Case of Nasal Catarrh Cured By Per-na.

That any case of nasal catarrh can be cured by an internal medicine is denied by some. Only a glance at our files would be necessary to convince any sane person that catarrh can be cured by the internal use of Per-na.

Mrs. Victoria Pickett, of Columbus, is a case of this sort. She had nasal catarrh very badly, and was cured by Per-na. We will let her tell her own story. Mrs. Victoria M. Pickett, 130 E. Mount Street, Columbus, Ohio, writes:

"I have been using Per-na for catarrh, having had a very aggravated case, so bad that it clogged the nasal organs. When I did get the nasal organs opened, the mucus would drop into my throat and make me very sick.

"A friend advised me to take Per-na, and after using four bottles I was cured. I have no trouble now, and am happy to say that I am enjoying the best of health and attending to my lodge duties, being a member of the Rebecca Lodge of Odd Fellows.

"I would recommend Per-na to those suffering with the same obnoxious trouble."

Upsets Old Belief
People generally heretofore are prone to believe that heavy and long continued rains are absolutely necessary in the fall in order to furnish us with sufficient water to carry us through the winter. Such has not been the case here this time. Last fall we had long dry periods and a very light rainfall, all taken as a whole. The reservoirs and streams were correspondingly low when winter set in. Twice this January we have had copious rains already and the streams and reservoirs are replenished accordingly, and that in mid-winter.

T. A. DALY, AGAIN

Paid Second Visit to South Manchester Last Night

Thomas A. Daly, editor of the Catholic Standard and Times of Philadelphia, and a poet, lecturer and humorist of international repute, delivered his humorous lecture entitled "You'll I Have Laughed At—And With" last evening at High School Assembly Hall. He came here under the auspices of the local council Knights of Columbus, of which order he is a distinguished member. He was introduced to the audience by Rev. W. J. McGurk and spoke for one hour and fifteen minutes, pleasing his audience to a high degree. He repeated by request several of the choicest selections he gave last year and added many new ones.

At the close of the lecture he was given a reception at the K. of C. parlors here, and repeated two of his famous numbers of last year for the benefit of the members assembled.

Time does not permit us to go further into detail about this charming lecture. Mr. Daly will be back in Manchester for the first time. We then gave an extended review of his lectures which doubtless will be pleasantly recalled by many who read it.

Boxing Tonight.
The fight fans are all on edge for the boxing and wrestling match at the Agony this evening. Manager W. F. Lewis has gone ahead with the arrangements for this event and is making no favors from the spectators or chief of police as to permits and unless the chief orders the boxing end of the program stopped Mr. Lewis will stage the event as advertised. He has been refused permits for such exhibitions in the past and after advertising a like show some months ago Chief Gordon told him that the event could not be put on and the crowd was much disappointed. It is understood that Mr. Lewis is acting on legal advice this time and if the boys are ordered stopped and he has to refund the money to those attending, a suit against the town will result. The program will open with a wrestling match between two local mat artists and this will be followed by two eight-round boxing exhibitions in which Joe Dillworth of this place and Kid Deegan of Bristol will come together, and Joe Ryan of New Britain and Jack Reagan of Middletown will show their skill.

Hyde Honored
As was generally expected William S. Hyde of this place has been appointed the new chairman of the House committee by the speaker of the House, Frank E. Healey. This appointment carries with it the responsibility of leadership of the House of Representatives. Mr. Hyde is being heartily congratulated upon this badge of distinction and it is believed that he will wear it with flashing honors with suitable dignity and satisfactory evidence of his ability to become a leader.

Charter Revision.
The Charter Revision Committee met last evening and agreed upon a number of proposed changes in the town charter. These are to be submitted to the voters of the town and will be subject to public discussion. Such changes as the voters assent to are to be incorporated in a proposed charter amendment to be submitted to the present legislature. Most of the proposed changes have been published in these columns. It is proposed to place the proposed changes before the man of the board of selectmen and also that of the secretary, from \$10 to \$20, and to withdraw the non-attendance fines proposed in various written notices relative to hearings are to be discontinued and the newspapers will serve for this purpose instead.

Special Meeting.
A special meeting of the voters of the Ninth School District incorporated is summoned to assemble at High School Hall next Tuesday evening at seven o'clock for the purpose of receiving and voting upon the proposed charter amendment. Payment of a salary to the treasurer of the district, to make an appropriation for repairs and improvements to the Lincoln school and to take action on needed legislation. Read the official announcement in the advertising columns of today's News.

Rome, Jan. 15.—The Italian nation is stricken by the awful catastrophe of the disaster caused by Wednesday's earthquake. In Rome alone 20,000 dead and 30,000 injured have been made in some quarters, but these figures are only estimates, at the best, for no accurate records are yet possible, and it is hoped that when correct figures are available the loss of life will be far less than that.

King Alas His Stricken Subjects All the resources of the government are being utilized to cope with the disaster. King Victor Emmanuel is at the center of the disaster, and he is being treated with the utmost care.

Queen Helena has expressed the utmost regret at being unable to go personally to aid the victims, but she has not yet sufficiently recovered from her recent illness, when her little daughter, Princess Maria, died.

Relief trains bearing surgeons, nurses and ambulance men have been sent to the stricken zone, and are doing all possible medical aid to the injured.

Many are also being perfected for relief measures to prevent any outbreak of pestilence in the stricken zone. It is expected, too, that large quantities of foodstuffs will have to be provided for the survivors in the stricken zone.

Gergan-Austrian Benefit
A lecture will be given at High School Assembly Hall by Rev. Norman Bruckner of Hoboken, N. J. Wednesday evening, January 27, at eight o'clock. An orchestra of 12 pieces will furnish music. The financial proceeds of the event are to be used for the relief of German Austrian and Hungarian widows and orphans, victims of the prevailing war now spreading death, destruction, desolation, suffering and sorrow among those peoples. A free will offering will be received, but there will be no admission fee charged. The meeting will be open to the general public.

A stereoscopic lecture on "The Life of Christ" was given last evening at St. Mary's parish house under the auspices of the Mens Bible Class.

The following have qualified as just: John Rowland, E. M. Reid, T. F. Chester for the current year; R. E. Fockenham and F. A. Sweet.

Don't Buy a Rug Just For Today

The same amount of money if you know how to invest will buy one that will last generations. Never buy a poor rug—it will grow shabby and you will want another.

Buy one that is beautiful of course, but at the same time one that is made of the best of materials and by the best workmanship, and dyed with dyes that will not fade, the best dyes that can be bought with enough body to keep its shape and to lie flat.

IF YOU GET ALL THIS IN ONE RUG IT'S A

WHITTALL

See if it isn't. Turn it over and look on the back—there's the name woven right in the fabric itself—it's always there in a rug as good as that.

Whittall's THE MARK OF QUALITY

We have a complete line of 1915 Whittall Rugs in stock. We are enthusiastic over them. Just give us a chance to show them to you—you will be enthusiastic yourself.

WATKINS BROS. INC.

Sons of Temperance
South Manchester Division No. 45 Sons of Temperance will assemble in regular meeting at St. Mary's Parish House this evening. At the conclusion of the regular business meeting refreshments will be served and music and sociality will round out the remainder of the evening. Owing to the banquet of the Chamber of Commerce in Cheney Hall last evening the hotel room there could not be prepared for the use of the Sons of Temperance.

Holy Name Society
The annual election of officers of the St. James Branch Holy Name Society which was to have taken place last Sunday evening was deferred until next Sunday evening. It will take place at a special meeting, called to assemble at the chapel at the usual hour. Because of the rain storm last Sunday the attendance was greatly diminished.

The operatives in the engraving department of Cheney Brothers silk mills are now working on a schedule of four days each week.

SPECIAL SCHOOL MEETING

Ninth District Votes Appropriations Salary for Treasurer

A special meeting of the Ninth School District took place last Tuesday evening. Frank Cheney Jr. was named as chairman and Charles R. Hathaway acted as clerk.

Upon Howell Cheney's motion it was voted to authorize the committee to renew, from time to time as they came due, notes of the district in a sum not to exceed \$100.00.

It was voted to fix the salary of the district treasurer at \$200 and the master of having the Trust Company act in that capacity will be taken up later by the school committee and recommendations made to the district at the annual meeting.

On Howell Cheney's motion it was voted to authorize and instruct the school committee to take the necessary steps to procure from the legislature validating acts to make the meetings of the district held November 6, 12 and 18, legal and binding. The committee was also instructed to have the district charter relating to the calling of meetings of the district come under the general statutes.

It was voted to appropriate \$1,000 for additional equipment and necessary repairs for the Lincoln school, this sum to also cover deficits already brought to light.

The meeting then adjourned after being in session less than one hour.

Suffragist Campaign

Two of the organizers of the Connecticut Woman Suffrage Association, Miss S. Isabella Sanders of Illinois and Miss Alyse Gregory of Newark are expected to carry on a w. a. c. campaign in this town. Daily factory meetings are to be held. Miss Sanders besides being an actual voter is a graduate of Vassar College. Miss Gregory will speak at the factories addressing the different groups in their own language. Miss Gregory is well competent to do this having spent her early years in Europe. A mass meeting will be held on the evening of Thursday, January 28th at Odd Fellows Hall. The chief speaker will be Mrs. Carlos F. Schlichter of New Haven.

Postponed
The proposed concert and lecture at the high school assembly hall for the benefit of German and Austrian widows and orphans is to take place Wednesday evening, February 3. It was advertised for next Wednesday but has been postponed to one week later.

Red Cross Benefit

Miss Harriet Treat of this place is planning to present "Prince Chap" at a Red Cross Benefit entertainment to be given in the latter part of February, the date to be announced. Refreshments with local talent will soon be started by Miss Treat.

Harry Kwarter, the tailor in the Princess Theater building, has removed his family from Hartford to one of the new tenements on the east end of Oak street near Norman.
