Without good digestion, you get no benefit from the food you eat. Under-baked bread is heavy. Poor weak flours, poor yeast and careless handling of the dough, will cause heavy bread. Goetz's bread will bring good digestion. The best strong wheat flour and good yeast are used. Then the dough is handled carefully and is thoroughly baked. Because of its lightness and tenderness, perfect digestibility and its sweet nutty flavor. Goetz's bread is the most nutritious and appetizing of

You tell me to let the words Christianity and Church alone and that I cannot

comprehend them. Last year the Publicity Committee of the Associated Churches of Philadelphia paid much good money for a advertisement in the Philadelphia Inquirer, urging all patriots to go to church. When your country faces war, it is God who is invoked to defend the sailors and soldiers who are sent to prays to the same God and each begs Him to destroy its enemy. Is this Christianity or is it paganism? Where is Christianity John Dempster? You! failed to tell me. Your writings prove nothing. Will you show me the "Way of Life" on a public platform? If you are honest in your statements you will meet me before the public. Why not? Are you ashamed to deliver that "Mes-

sage from the Lord?" See the army of unemployed men and women who are willing to work but not allowed because the capitalists see no profit in their labor. See the capitalists raising prices of all necessaries of life. See them cut wages.

How Are You Going to Vote?

I'M going to vote against prohibition—all the homes and families here and want to stay. The County Prohibition Bill, if it goes over, will make it pretty hard for us and thousands of others to earn ed with Mrs. H. H. Martin of Rock a living here.

You see, the boys have gone into the prohibition question and have found out that it doesn't prohibit but leads to the secret use of pretty vile stuff at hun-dreds of unlawful places which the authorities wink at and don't try to close, and which do not sell our favorite drink, BEER.

They drink a little beer once in awhile for they know it's health-ful. They're not going to vote themselves out of that privilege. We're all moderate drinkers, for tice true temperance. We'd

Without good digestion, you get no benefit from the food you eat. Under-baked bread is heavy. Poor weak flours, poor yeast and careless handling of the dough, will cause heavy bread. Goetz's bread will bring good digestion. The best strong wheat flour and good yeast are used. Then the dough is handled carefully and is thoroughly baked. Because of its lightness and tenderness, perfect digestibility and its sweet nutty flavor, Goetz's bread is the most nutritious and appetizing of all foods.
