this place and Jimmie Farr of Rock-

and Kid Herman.

Combination Coal and Gas

You need a coal range in Winter for kitchen warmth and for continuous hot water supply, but in Summer when you want a cool kitchen and less hot water a Gas range is the thing. You get both in the Crawford Combination Range and you get the best of each.

The Crawford Gas Ovens are safe; explosions are impossible. In the End Ovens there is an extra set of burners at the top for broiling.

West Side Being Well Taken

Case of

At a special meeting of the board of selectmen last Monday evening the property line leaving a four-foot grass plot between the walk and curb. From High to Ridge streets on the heard passed several sidewalk orders for the west side of Heasant street between Pine and Cooper a six-foot walk and curb was ordered as its foot walk and curb was ordered as its foot walk and curb was ordered as twelve feet the west side of the corn. On the curb was ordered was its foot walk and curb was ordered as its foot walk and curb was ordered in the was tide of the new dyellow of the north side of Pleasant street from the property line. On the side of th

ALL STAR BOXING Manager Lowis Arranges Manager Walter F. Lewis has arranged three fast boxing exhibitions to be staged at the Armory next Thursday evening, April 29, under the auspices of the Armory A. C. The star bout of the evening will bring Bob Reimer of this place and Max Hauser of Wallingford together in an eight-round go at 135 pounds. This should be one of the fastest boxing bouts seen in this place. Hauser is a boxer with a rep. and local followers of the game say Reimer will have his hands full all the time Reimer, on
