Good Health

**Depends on Good Digestion** 

Without good digestion, you get no ben-

efit from the food you eat. Under-baked bread is heavy. Poor weak flours, poor

yeast and careless handling of the dough,

will cause heavy bread. Goetz's bread

will bring good digestion. The best strong

wheat flour and good yeast are used. Then

the dough is handled carefully and is

thoroughly baked. Because of its lightness and tenderness, perfect digestibility

and its sweet nutty flavor, Goetz's bread

is the most nutritious and appetizing of

Ha! Hah! In criticising my knowledge of English he overlooks his own faults, for example: "tangled up" and "where am I at", but the worst feature of his writing is not the grammatical errors but his invidious style. "The name Fred" he says, "is a derivative of Frederick; and Fredie is derived from Fred. The name in English is never applied to the feminine, but to the masculine." Oh, my! Here I have been living on earth for overland I my fust finding out that I have a and I'm just finding out that I have a mot in newspapers whose owners are even hanged, drawn and quartered for treason less beinous.

"xxx Unfeeling, and disloyal by nature, inordinately selfish, avaricious, egotistical, without any sense of the cent regard for the fineness of things, this commonplace person, by force stage and has contrived to retain his place there against delinquencies the like of which have submerged many a better man." Now isn't that nice!

Ha! Hah! In criticising my knowledge (not in newspapers whose owners are even hanged, drawn and quartered for treason less beinous.

"xxx Unfeeling, and disloyal by nature, inordinately selfish, avaricious, egotistical, without any sense of the city of Churches that Mr. Ferris, Chester and Mrs. Manning of Hillstown. Business was so dull in the City of Churches that Mr. Ferris where it for his best interest to return to the Land of Steady Habits. There is work and good pay for all so be cent regard for the fineness of things, this commonplace person, by force the village street, in the farmhouse partly of assertion and partly of circumstances, gained the front of the south workers of good old Connecticut.

The annual picnic of the South Methodist church is to be held Saturday. The namual picnic of the South Methodist church is to be held Saturday. The namual picnic of the South Methodist church is to be held Saturday. July, 10. The following comand I'm just finding out that I have a voice of the workers has to say in this a better man." Now isn't that nice! day, July, 10. The following com-

and I'm just finding out that I have a man's tame. Dear me! What will I do? "The name in English is never applied to the feminine" says the great authority Fred Jose, and I, a feminine suffragette never knew it. Goodness! Gracous!

Now "Freddie my child (second childhood) come here." You tell me childhood to sessailing a people which history could only say that are around that measive brain of yours and retain your equilibrium."

My brain isn't massive but I have just enough of it to realize the fact.

The same of the workers has to say fit this make the cannot that is now in the plane people desire their servants in high places to thrust this nation into war which may vidow and orphan so many thousands upon thousands and of what is right. Being a staunch advocate of peace, had Mr. Bryan signed the Wilson note to Germany, believing as he did, that the outcome of the controversy meant war, or even the pentibility of war, he then would have written across his character in letters of everlasting shame and contempt the word hypocrits. This he just enough of it to realize the fact.

My brain isn't massive but I have just enough of it to realize the fact.
