Captain Who is Head of United United States Will Operate

VIOLATION OF NEUTRALITY

German Wireless Plant

Said to Have Been Practiced Despite Censors, Who Have Been Unable to Prevent Code Messages-Naval Forces Will Operate Station Under Command of Captain Bullard

Washington, July 9. - The government has taken over the Savville. L 1. wireless station, the only privately operated, direct means of communication between the United States and Germany

Secretary Daniels issued a statement in which he said he had directed Captain Bullard, as the exence will be that naval operators instead of commercial employes will

been from the start a restriction pro- volver from beneath his pillow and pedoes fired by a submarine. hibiting the sending of cipher mes- fired three shots at Willand. sages unless code books were deposited with the naval censors. The same TWELVE KILLED

It is said that messages which violated the neutrality of the United States have been sent, despite the censors. So flagrant have been the complaints, that recently the force of Car Plunges into Gully While were saved.

The Amain was a vessel of 9958 censers was increased. The censors, however, are unable to prevent code

mysterious arrival of Captain Zenneck, said to be one of the two greatest wireless experts among German scientists. The presence of Zenneck has been a continual thorn in the side of the administration since the side of the administration since the latter part of May though the latter part of May, though his ronto, a special car of the interthe latter part of May, though his ronto, a special car of the interpresence was not discovered until presence was not discovered until passengers, left the rails on a sharp pounders and two 12-pounders. The bomb planted by Frank Holt (Erich NEW ENGLAND'S SHARE some time later. An inquiry was curve and plunged into a gully fifteen ship was equipped with three torpedo Muenter). The captain's message made by agents of the department of feet below.

this investigation are refused, it is the dead were residents of Toronto. believed disclosures made in it have had something to do with the decision to take over the Sayville station. that why such an expert on wireless as Zenneck should be needed at enough operators to keep the plant going to capacity, has been a mystery—a mystery increased by the fact that Professor Braun of the United Professor Braun that Professor Braun of the University of Strassburg, another expert on wireless, was also sent to the station. The only apparent explanation was that the men were adepts at devising code Messages which would declive the censors.

It has been on this theory that many of these who apparent of the censors.

It has been on this theory that many of these who apparent of the censors.

It has been on this theory that many of these who apparent explanation of the University of Strassburg, another expert on wireless, was also sent to the station. The only apparent explanation of the University of Strassburg, another expert on wireless, was also sent to the station. The only apparent explanation of the Mili run serious risks in moving about the waters of the Adriatic, which are munitions of war, but has no passengers. The crew comprises about the station of the Mili run serious risks in moving about the waters of the Adriatic, which are munitions of war, but has no passengers. hundred? The selectmen appear to be

as much up a tree as anyone else and

A few weeks ago O. F. Toop had a lectmen one member of the board of committee and there were songs and made at seven o'clock in, the morning window display of Welch Grape Fruit assessors said that the selectmen were boxing by the members and refreshfrom in front of the Park building.
Round trip tickets are \$3.00 each. The

> there was no revaluation made. There will be some extra clerical work for the assessors on this year's paying the bill at this thint, but trent by so doing they may be saved some mings been differ-ually paying it after the town books annoyance and disappointment. "A speed the story might have been differ-were closed, thus making the figures word to the wise" etc. appear on the books of the incoming board of selectmen instead of upon those of the present board. Verily the

Lawn Fete Last Night

way of the town officials is not smooth.

A delightful lawn festival took place

last evening at the home and grounds of Albert and Mrs. Chapin on Oak street. The grounds were brilliantly and attractively illuminated with Japanese and Chinese lanterns. Music, song, dancing on the green, games and a substantial collation, added to the enjoyments of the festive occasion. There were about 30 happy young people in the party and they left nothing undone to make the most of their privileges for having a delightful time. Mrs. Chapin provided everything for their comfort and enjoyment. It was one of the pleasantest gatherings the young people ever attended and they voted their host and hostess
