WAYS OF DUSKY ROYALTY.

The Scene When Abyssinia's Emperor Feasts His Army.

The emperors of Abyssinia are in CONIGHT AND TWICE TOMORROW the habit of inviting the 40,000 soldiers the Ghebi garrison to a great dinner every Sunday. At the foot of the emperor's place is the imperial ox. Its tables are resplendent with European silver and glass, surrounded by unimpeachable waiters, who serve the high dignitaries and distinguished visitors with a repast of immense vadety with French sauces, Italian macaroni and so on. In the vast hall one can see nothing but a compact homo-Farm geneous crowd of black faces and woolly heads, among which the high officials are in no way distinguished. Above all is the red throne on which is of a shade to match the suede. The sat his majesty, the Negus Neghesti, mouth of the bag is drawn together

under a great canopy supported by four gilded columns, with two tall candelabra lighted in front and on tached to the bottom of the bag. either side a row of Ras, Deggiah, Ligg and Ato. thoritatively on the Inexcrable Mathematics of War What Can Be Done to Oppose an Invading Army With Our Actual Present Resources in Regulars, Trained Milltia, Untrained Cituzens, Coast Defenses, Field Artiliery, and All Other Weapons of Defense.

Copyright, 185, 27 J. W. McCo.

SYNOPSIS.

Owing to impending war against the United States by a coalition of powers Europe and Asia, the mobilization of our regular and volunteer forces is ordered. The national authorities find that the United States is wofully unprepared. A huge foreign fleet of invasion is reported, 100 miles in length. The United States navy loses ships in battle. The coalition fleet appears off the New Eng-land horizon, an merica becomes panic
