30th Anniversary Temperance Workers

Col Jenkins Coming

Colonal F. W. Jenkins, editor is

The Thirtieth Anniversary of the organization of South Manchester Division Sons of Temperance will be publicly observed in the Center Congregational church on Sunday evening, February 13th, at 1330 p. m. The South M. E. church will join in this meeting. The Division has secured Hon, Frank S. Regan of 41st General Assembly and noted "Chalk Talker," to deliver the address. The Division is one of the oldest fraternal oragnizations in town and numbers about 100 members. The social observance of the Anniversary will be held in Chency hall on Friday, February 18th, Supper will be served at 7 p. m., and will be followed by a program of music, recitations and speeches visiting officials and others.

load the ties anyway, left the office. forward met Storm, who had started back to where the sheriff was giving you dreaded and put off the "orden" by of money and Spike left the hut. "You don't need me over at the staonce outside, he again spurred De back, and showed him a message from his orders for the disposition of those and perhaps suffered needlessly with ply of money and Spike left the hut.

Calling to Capelle, Seagrue resumed tion," said Wood to Rhinelander. "I'll laney to haste.

Storm followed Seagrue from the "Will send sheriff to Signal." sheriff very forcibly just what Spike Spike, without delay, hastened to the unloading. I'll stay here with office and once outside and away from While the men were still fighting had done. Helen he protested vigorously. Rhine- in front of the station, Spike man- "Well," demanded the official jocu-Helen and took the local passenger train for Oceanside. He had the day and the night before him to figure out and the night before him to figure out.

Helen he protested vigorously. Rame in front of the station, Spike man in front of the station in front of the station, Spike man in front of the station in front of the station in and the night before him to figure out satisfaction. The moment of the schemes to prevent the delivery of the ties to Rhinelander, and by morning he had more than one ready.

The easiest one he tried first, and he might have been seen in the morn
The might before him to figure out satisfaction. The moment of the moment to great the moment out of this thing," he bellowed at Storm, "and keep out? Do you get the must be stopped. Running to his horse he mounted and spurred after the local freight pulled in.

We won't nuit you and we will this meant and realized the move this pointed to Seagrue, now also under attention given to children and nervous the receding train. But his intervention had turned the fighting in favor.

We won't nuit you and we will this meant and realized the move that? You're talking too much."

We won't nuit you and we will this meant and realized the move that? You're talking too much."

We won't nuit you and we will this meant and realized the move that? You're talking too much."

We won't nuit you and we will this meant and realized the move that the stopped. Running to his the volume to unload four cars of ties the instant the local freight pulled in.

We won't nuit you and we will this meant and realized the move that the stopped. Running to his pointed to Seagrue, now also under attention given to children and nervous that? You're talking too much."

With the words, he pushed Storm that the words in the move that the stopped. Running to his storm that the word at this meant and realized the move that the stopped. Running to his storm that the stopped at the move that the stopped at the stopped at the move that the stopped at the move that the stopped at the stopped at the move that the stopped at the move ng, early, in the out-freight yards at camp leaders, Rhinelander and Storm, hands on the stalwart young engine of Seagrue's men, and they were fast affair. If they had their deserts, they
