the east with time and place of public hearing on said proposed order.

The Selectmen of Manchester, Conn., at a meeting held March 6th, 1916, acting under and pursuant to Section 9 (44) Special Laws Conn., 1913, approved April 9, 1913, having deemed it for the public good that building lines should be established on Delmont street, a highway in the Town of Manchester, Conn., from Main street on the west to Summit street on the cast, presed the following proposed order, viz.:

Ordered: Subject to the provisions of said Section 9 that the following lines on the north side and the south side of Flower street, a highway in the following lines should be established on Delmont street, a highway in the Town of Manchester. Conn., from Main street on the east, passed the following proposed order, viz:

Ordered: Subject to the provisions of said Section 9 that the following lines on the north side and the south side of Flower street, a line and place of public hearing on said proposed order.

The Selectmen of Manchester, Conn., at a meeting held March 6th, 1916, acting under and pursuant to Section 9 have the side of Flower street, a light with a history of its own extending so far back as to be lost in antiquity; with saints and kings and "masters" and bards so characteristic lone, as are the great of other lands, but are as familiar to all her children of all ages. Ireland, perhaps more than any other country, has preserved to the present day the evidence of her

Returned to His Work. Mr. Julien Goudeau. Frwinville, La., guffered with catarrh of the stomach. He did not know what his trouble was tanything. After taking Feruna a short time he is now in perfect health. He says: "I am now doing all my work. I am confident that say one puffering as I was could be cured by Peruna."

Every Change of Weather.

Mrs. R. W. Copeian, Box 22, Greensboro, Ga., suffered several years with catarrh of the stomach. She was in such poor health abe could but attend to her bousehold duties at all. Peruna was induced to begin the use of Peruna. She says: "After taking five botters of Peruna I am entirely guard. My indigestion is entirely gone." Every Change of Weather.

Mr. E. Arnold, Westerly, R. I., contracted a sweet cold. The cold actied in his side and produced a condition that was thought to be pleurisy. Every change of weather would bring a return of his affirments have vanished. Pain in the Stomach. Mr. Henty Kneck, Box 850, No. 1118 S. Vista Ava., Janesville, Wis., writes: "I wrote you about four weeks ago that I had a pain in my stomach. I followed your advice, and used three bottles of your Peruma, and I am all right how. I am very thankful for your advice and your medicine,"

Once a Chronic Invalid. hirs. E. Riber, 500 Grant Ave., East Cedar Falls, Iowa, was once a chronia invalid. Four different doctors had been consulted without avail. See had taken five different medicines that had been recommended, without improvement. Feruna was tried and the good result was prompt and lasting. Expresses Her Gratitude.

Mrs. Samuel Ruth, 185 Union Ave., Lebason, Pa., is able to say positively that she has been cured by Feruna. She can searcely find words to express her gratitude for her recovery. For many years she had been a semi-dynalid from chronic catarrh. Three substantial men, heads of families, made efficient once more by Peruna. Three housewives restored to their families. These are only samples of what Peruna is doing every day, everywhere. Surely, this is a splendid work. Anything that conserves family life and makes the home more desirable and comfortable, nourishes the heart root of civilization. Peruna is a great civilizer.
