COMMENCING WEDNESDAY, OCTOBER 11TH AND CONTINUING UNTIL FURTHER NOTICE

A SALE FAMOUS THROUGHOUT CONNECTICUT and Southern Massachusetts. No other store event in all New England like it. A sale that half a million people look forward to, because of its myriads of splendid money-saving possibilities. It is not a sale only. It's a true birthday celebration. It's the 19th Anniversary of the opening of this store, a practical way of celebrating and gratefully acknowledging the fact that from a small commencement, this store has reached its important retail position as a dominant factor in the retailing of New England, combined with the business of selling merchandise, this sale has a festal note. The store is decorated to celebrate its birthday. The firm and employees enter into the spirit of the occasion with enthusiasm, greeting old friends happily and endeavoring to make as many new ones as possible through the medium of superlative value giving. Besides, throughout the continuance of this sale, we will follow the custom of the past 19 years by giving free souvenirs. Every customer receives coupons for all purchases made. All holders of \$1.00 worth or upwards of coupons are given a free souvenir according to the amount of coupons they hold. The souvenirs are valuable, and the saving of coupons is as much an evidence of thrift as putting money in the savings bank.
