SALE NOW IN FULL PROGRESS

A SALE FAMOUS THROUGHOUT CONNECTICUT and Southern Massachusetts. No other store event in all New England like it. A sale that half a million people look forward to, because of its myriads of splendid money-saving possibilities. It is not a sale only. It's a true birthday celebration. It's the 19th Anniversary of the opening of this store, a practical way of celebrating and gratefully acknowledging the fact that from a small commencement, this store has reached its important retail position as a dominant factor in the retailing of New England, combined with the business of selling merchandise, this sale has a festal note. The store is decorated to celebrate its birthday. The firm and employees enter into the spirit of the occasion with enthusiasm, greeting old friends happily and endeavoring to make as many new ones as possible through the medium of superlative value giving. Besides, throughout the continuance of this sale, we will follow the custom of the past 19 years by giving free souvenirs. Every customer receives coupons for all purchases made. All holders of \$1.00 worth or upwards of coupons are given a free souvenir according to the amount of coupons they hold. The souvenirs are valuable, and the saving of coupons is as much an evidence of thrift as putting money in the savings bank.

THE NEW YORK. NEW HAVEN AND HARTFORD RAILROAD COMPANY

TO THE STOCKHOLDERS-

NOTICE is hereby given that the Annual Meeting of the Stockholders of The New York, New Haven and Hartford Railroad Company will be held in Harmonie Hall, No. 9 Elm Street, in the City of New Haven, Connecticut, on Wednesday, the 25th day of October, 1916, at 12.00 o'clock noon, for the following purposes:

1. To consider and take appropriate action upon the Annual Statement and all acts described therein or reported at said meeting 2. To authorize an issue of not to exceed \$700,000 face value seven-year five per cent. gold debentures containing an agree ment that if any mortgage is hereafter placed upon the property of this corporation these debentures will be equally secured thereby with any other indebtedness of the corporation, and also an agreement to call, by lot, and pay \$100,000 of these debentures each year until all are paid, the proceeds from the sale of said debentures to be used for the construction of a new terminal passenger station and appurtenances in the City of New Haven, Connecticut. 3. To elect a board of directors for the ensuing year.

4. To transact any other business which may properly come before said meeting.

For the purpose of this meeting the transfer books of the Company will be closed from October 11th, 1916, to October 25th 1916, both days inclusive.

By order of the Board of Directors.

This fact was made known to the board of 2,500 selectmen last Monday evening, by Dr D. C. Y. Moore, president of the board of health. Dr Moore said that 12,000 there were outhouses, barns. etc., on the watershed which drained into the 8,500 toe pond. This was partially the fault of the town as surface water 2,000 from the highway runs into the yards of property owners and through the bern yards, etc. until it finally flows 00 into the pond. Dr. Moore said large part of the danger from this 00 condition could be remedied by the I highway department building a dam

50 so that the water would not flow through the barnyards of the resi-100 dents. The selectmen will have this matter attended to at once. 125 This is but another instance of the activity of the board of health to do 300 its work in a thorough manner and they will no doubt receive the hearty \$31,175 cooperation of the other town officials as well as of the parties directly at

No Itch—When the Wool Doesn't Touch the Skin!

You are always warm enough outdoors in your Duofold, but also perfectly comfortable indoors, even in over-heated rooms—because the wool in Duofold is all on the outside of the garment.

Only fine, soft, soothing cotton touches the skin. And the outside layer of wool absorbs bodily moisture from the inside layer of cotton and keeps the whole is all on the outside of the garment.

SOUTH MANCHESTER CONN., FRIDAY, OCTOBER 27, 1916

HAS RUNNING WATER ON HEMLOCK STREET

TO BE ERECTED AT ONCE BY CHARLES H. BLOOM OF MAIN STREET

DAVENPORTS Maple Street Purchase.

BUSINESS BLOCK

-that living room of yours is waiting for one of these suits - the convertible properties of the davenport give you the extra bed you've long wanted to have available. Single davenports too if you need only one piece. Many styles, simple to elaborate—a big value in every instance

practicable to place buildings upon may derive some revenue from same.

tore fronts out to the sidewalk, thus decision of the selectmen.

KEENEY PLACE NOW

AND DWELLINGS WILL BE PIPED FOR SERVICE

Location Directly East of Thrift and Frugal Domestic \$1,800 Was Bill -Twenty Five Wm. Rubinows Main and Management. Singularly Free Families Live There But Have

street adjoining the bank has had plans drawn for a business block which he is to erect on Maple street directly east of the property recently purchased by William Rubinow at Main and Maple streets. Mr. Bloom owns a lot having a frontage on Maple street of 90 feet and extending northments owned by the Purnell Estate in Keeney place. This is an improvement that has been longed for for many years and greatly needed.

The people who occupy these tenements owned by the formany years and greatly needed.

The people who occupy these tenements of the lines and grades, which so the lines and grades, which so the lines and grades, which so the street of 90 feet and extending northments of the town. James the lines are considerably and the line erly for a distance of 42 feet. This remote from the places of dwelling. The people of Hemlock street were skirts the west boundary of the dry It is a difficult and isborious task and very desirous of having this improvebrook at that point. Mr. Bloom had is carried on by the women of the ment made and as they saw no opporan engineer give him his building household. The men who live there lines this week and he intends to begin work upon the excavations for the new structure soon after Mr. Rublinow removes the building at Main lines and grades for them. The and Maple streets across the dry brook sweethearts. These women are now proposition of the property owners to the site on the south side of Maple seeing the dawn of the new day when was so generous that the board of street which he recently purchased this particular form of drudgery will selectmen eagerly accepted it and J. from the Eldridge estate. Mr. Bloom have passed out of sheir lives, in so gave Mr. Rabinow permission to re- far as their stay in the senements of represents the board of selectmen in

The new structure is to be of wood, two stories, with basement, general dimensions 20x42. It will contain two stores 15x42 feet each. The partition between the stores will be so arranged that if need be it can be readily removed and the entire space utilized as a single store. The upper foor will contain a five-roomed first containing all modern conveniences, that their dwellings are models of braining will be placed practically at the west margin of the dry brook for its north an south line.

Less a development of the future which another generation may be permitted to the permitted to enjoy.

In speaking of the smiltary conditions out forthwith, which has been done.

In addition to putting in the side-walks the property owners have also caused concrete paths to be laid from the sidewalk to and around their dwellings.

The building will be placed practically at the west margin of the dry brook for its north an south line.

brook for its north an south line. working, industrious people and with not include laying gutters, as that Mr. Bloom does not intend to lose al quite frugal.
