MOVING PICTURES.

Why They Appear to the Eye as One Centinuous Photograph.

Motion pictures depend for their successful operation upon the physiological phenomenon known as "persistence of vision." If, for instance, a bright light is moved rapidly in front of the eye in a dark room it appears not as a spark, but as a line of tight A so called shooting star produces the same effect.

This result is purely physiological and is due to the fact that the retina of the eye may be considered even for the eye in a dark to the fact that the retina of the eye may be considered even for the eye in a dark to the fact that the retina of the eye may be considered even for the eye in a dark to the fact that the retina of the eye may be considered even for the eye in a dark for the eye in a dark room it appears the even for the eye in a dark room it appears the eye in a dark room it appears the eye of the best methods for preventing to be feared unless it is strong to be feared unless it is strong to the eye in a dark room it appears the even for the eye in a few for the eye in a first for the eye in a first for the eye in a first for coats all marked down in price. A Happy and Prosperous NEW YEAR

is the wish of

The New England Brewing Co. To All of its Thousands of Patrons All Over the State

The past year of the company could not have been such a successful one if this army of satisfied patrons had not appreciated the fact that this brewery is always at the forefront in producing the best beer that can be brewed; the kind that makes beer a necessity instead of a luxury.

Possessing not only the largest but the best brewery in th state, but also producing the finest, the most wholesome and pure beer and ale that can be produced, this company assures its friends and customers they can always depend upon The New England Brewing Company to satisfy their wants every day in

> New England Beer and Ale are **Household Words in Connecticut**

This fact hasn't been brought about by accident. Medern methods and modern business brings results in breweries as well as everywhere else. You are safe in using New England Beer and Ale. There isn't any better made. We are sure of that. Continue drinking it the coming year and you'll not regret it.

The New England Brewing Co.

P. A. puts new joy into the sport of smoking! VOU may live to be 110 and never

feel old enough to

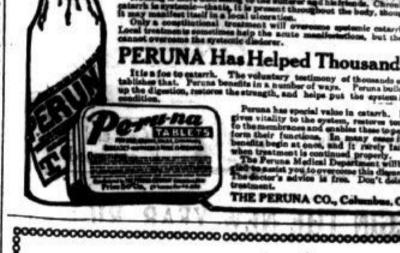

vote, but it's certain-sure you'll not know the joy and contentment of a friendly old jimmy pipe or a hand rolled

cigarette unless you get on talking-terms with Prince Albert tobacco!

P.A. comes to you with a real reason for all the goodness and satisfaction it offers. It is made by a patented process that removes bite and parch! You can smoke it long and hard without a comeback! Prince Albert has always been sold without coupons or premiums. We prefer to give quality! Prince Albert affords the keenest pipe and cigarette

enjoyment! And that flavor and fragrance and coolness is as good as that sounds. P.A. just answers the universal demand for tobacco without bite, parch or kick-back!

Introduction to Prince Albert isn't any harder Prince Albert is sold everywhere in toppy red bags, 5c; tidy red than to walk into the nearest place that sells tobacco and ask for "a supply of P. A." You pay out a little change, to be sure, but it's the cheer-top that beaps the televes in such splendid condition.
