and abbot of Bruon, an experimental botanist whose work in his cloister garden laid the foundation of that exact knowledge of heredity which is now being extended in many directions, was born July 22, 1822. He died in 1882. Eighteen years later began the appreciation of his labors. His doctrines, which are called Mendelism, form the scientific basis of the science of Eugenics, "The science of being well born." Mendel's work made it possible for us to predict with precision whether good r bad traits will or will not appear future offspring and to forecast

tics will appear and reappear. This is important to the public health because defective persons breed defective persons and an increased knowledge of heredity means an increased power in the prevention of the creation of degenerate and insane ersons on the one hand and normal,

WHEN YOU WEAR FLOWERS How to Do It Without Looking and

with a chiffon yell when there is a

Acting Bored. The corsage of natural flowers is a! ways a welcome gift to the girl or wo I that the second of the flowers will be a man who inclines even a wee bit to frivolity. There are times, however. It is pointed out that the poet said. A certain Scot overtook a friend than a pleasure. Take, for instance a dance. When "he" sends flowers there will be no quibbling. A hat we usual greetings he remarked: and they don't match or harmonize want to know is whether the Publiwith the dance frock, what is the maid | Mind is going to raise a fuss with this | The other mournfully nodded assent going to do? One way is to swathe department every time it misquetes and then went on to explain: the flowers in tulle or ribbon that will Thomas Moore and let other misquo a "Eh, man, dinna ye ken? I cam' red the corsage. Sometimes an or er, augement will remove the flower from immediate contact with the color speare. Byron, Buras and the rest?-Kansas City Star. of the frock. A comfortable arrange ment is also necessary for dancing, be cause the usual corsage will be crust ed to death after the first dance if pin

ned in the usual place at the waist line. Several extreme arrangements are tying the flowers to the shoulders, pla ning them at the back of the waist line, on the ankles, etc. A pretty ar rangement, however, is tying them in the tully scar, at the wrist in a small corange. Some girls are even wearing small bunches of violets on the sleeve cuffs of their suits. A very demure little girl in white

taffeta carried a hore bunch of daisies in her bands for an entire dance, and never once did she took awkward or the flowers a trouble. But only one bother to carry out such details for the Speaking of comares, there is a grea-

A Word About Our Meats

Meats? Are you particular about the way your meats are kept and handled? If so it will be to your advantage to visit our Meat Department. 30'feet of enclosed glass show cases with ice chambers covering the entire 30 feet of space. This insures you of clean, sanitary arrangements. No handling, no exposure. We handle nothing but the best grade, therefore do not be misled by prices on inferior goods.

Citizens Cash Grocery

We are thoroughly prepared to give you QUALITY GROCERIES. Every article in our high grade stock embodies the best on the market. Price may appeal to a man's pocket book, but QUALITY invariably wins his confidence and long-lived patronage. We know this by experience. When dealing with us you are assured of goods of the highest QUALITY at the lowest prices possible. We carry a big stock of

FRENCH, GERMAN AND ITALIAN GOODS

French Peas, Mushrooms, Red Peppers, Grava Jelly, Gasse Grouse Pate, Tuffled Kaviais, Pate de foie gras, Pickled Walnuts, Figues au gris.

Crosse and Blackwells Walnuts, Walnut Catsup, Chow Chow, Pickles, Vinegars, Jams, China

Truffles Brossies, Harveys Sauce, Pimientos Maroones, Crescent Olives, French Prunes in Jars, Conservarte Fruchte, Etc., Etc.

Let us supply your wants in these High Grade

Meats

Our meat department will be well stocked with the choicest Beef, Lamb, Veal, Native Pork, Chickens, Fowls etc. for tomorrow's trading. You do not have to come to the store to place your order-give it over the 'phone and we will do the rest. FRUITS and VEGETABLES
