OF CEREAL, a breakfast food recently placed on the market by the makers of the famous Sunbeam Brand of goods. Many of our customers have tried this Cereal on our recommendation and they proclaim it is the equal of any wheat cereal on the market, and superior to most brands.

We are anxious to have the general public become better acquainted with CREAM OF CEREAL and this is our proposition: As long as our present supply holds out we will sell CREAM OF CEREAL for 15c pkg. The regular price is 20c per pkg. It we were to buy CREAM OF CEREAL today we would have to charge more than 20c per package. This is your opportunity to get acquainted with the best breakfast food on the market at a saving of 25%. IT PAYS TO TRADE HERE

TO BE HIGHER You Will Greatly **Profit By Buying Now**

Prices are certain to be higher, and it is freely predicted that even the higher prices of the NEAR future will be considered LOW compared with what prices will be next Fall. So far as the present is concerned, we feel it a duty to impress our patrons with the fact that by buying NOW they will save considerable money, and we take this opportunity to state that BECAUSE OF OUR FORESIGHT WE TODAY OWN OVER A QUARTER OF A MILLION DOLLARS WORTH OF MERCHANDISE ABOVE WHAT WE WOULD CARRY UNDER NORMAL CON-DITIONS. Bought while wholesale prices were comparatively low. Hence We Can Afford to Offer Values Which Comparison Will Surely Prove Are Positively Unequalled By Any Other Hartford Store. And furthermore, much of which we are offering, in many instances at less than present Wholesale prices, is Unobtainable at Any Price.
