American Triumph over German monopoly

The Alpha Portland Cement Co's. plant at Catskill, N.Y.,

Until 1914 all POTASH came from Germany. The shut-down on the supply, it was felt, would cause a great crop shortage in America. But no longer are we dependent upon German sources for this mportant plant food.

The Alpha Portland Cement Company has recently perfected a process by which they can produce POTASH-real, soluble POTASH-for the American Farmer.

A Word About Comfort

"SOCONY!"

What you get out of your car depends to a large extent upon what you put into it.

Just as a matter affecting your own comfort it pays to get only the best gasoline -SOCONY.

There is no gasoline more highly refined or more powerful than SOCONY. And it is the only gasoline which is always the same, wherever you buy it. That means a welcome freedom from faulty carburetion.

Look for the Red, White and Blue SOCONY Sign. It insures you more miles to the gaflon and more power to the mile.
