POWER

To get out of your motor all the power that was built into it requires a gasoline that is not only pure but uniform.

It is because every gallon of SOCONY Motor Gasoline is like every other gallon, no matter where you buy it, that SOCONY runs a motor so much more efficiently than the best of unidentified gasolines. A carburetor once adjusted to SOCONY is adjusted for keeps.

You will find that SOCONY gives more miles to the gallon and more power to the mile. Say So-CO-ny and look for the Red, White and Blue sign.

WATKINS BROTHERS Inc.

Commenced This Morning And Ends Saturday Night, July 14th

We Guarantee That Every Piano Offered For Sale Will Be Absolutely Satisfactory Or We Agree to Exchange It Without Charge Any Of Our Pianos Sold On Monthly Installments If You Prefer

The increasing popularity of the Player-Piano that remarkable instrument that has startled the musical world with its extraordinary reproduction of the actual playing of great pianists-has brought us a large number of used pianos of best known makes in exchange. The accumulation of these instruments and the consequent necessity for immediate disposal has induced drastic price reductions—far below the actual values.

Great Savings

This sale presents an unusual opportunity to purchase a good piano or player-piano in absolutely first class condition at a saving of from 25 to 76 per cent

Bear in mind, these are not old, worn-out instruments, but are fine pianos and players which were giving entire satisfaction to their previous owners until they felt that they were in a position to get a more expensive instrument.

SOUTH MANCHESTER CONN., FRIDAY, JULY 13, 1917

EXEMPTION BOARD HAS LONG TASK AHEAD

The members of the Exemption
Board have closed up their tasks in
so far as the preliminary work of
making up the lists of persons subject
to the selective draft is concerned, but
to the selective draft is concerned, but to the selective draft is concerned, but they have plenty of other tasks ahead and at this time it is difficult to predict just when their labors will terminate. It is believed that the drawings for the selective draft will take

territories of the action taken by the government. Persons seeking exemption will then present themselves before the board and show cause if any why they should not be compelled to join the colors. Stenographic reports of the reasons assigned will be taken by the Exemption Board when in session assembled. Each case will be decided upon its merits and no appeal will be allowed from the rulings of the Exemption Board. All facts will be carefuly considered and the efforts of the board will in so far as possible be conducted on lines of total impartiality. There will be no
