Just how the fire originated is not known, Mr. Lehmann had returned but a short time. before the fire started from Riverside Grove where he had taken a party of young people. When he left the garage everything was apparently in good order. The fire was discovered by Mrs. Lehmann and had gained considerable headway. An alarm was turned in from box 26 at West Center and Coorer streets. All of the motor driven apparatus of the South Manchester Fire Department responded but there was nothing for the firemen to do as the building was practically burned to the ground when they arrived.
